To the Teachers of Lancaster County, Male and Fe-male, and of every Grade of School.

Teachers' Institute.

usual cases of difficulty which meet every teacher in the discharge of the duties of the school-room. The members of the Institute are not formed into classes, nor questioned and drilled. like pupils in an ordinary school; neither the time allotted to the Institute nor the standing of the teachers permitting such course. They merely listen attentively to the instructions given, and if they choose, take notes for future use: The object being, not to exhibit them before the public in the character to exhibit them before the public in the chartest of filing orders forwarded to them by mail, (post all, and in reality as members of one of the most useful and respectable professions, congregated for mutual improvement.

The Institute, however, being a new-thing among the first all foods. South of the Railroad.

The Institute, however, being a new-thing among us, we do not yet posses the experience, and skill requisite to conduct it Hence, instructions for the one now proposed will necessarily come from abroad. One accomplished Teacher has accordingly been invited from Massachusetts and another from Ohio, in both of which States these institut tions are frequent and well understood. To these probably one or two others will be added, so that there shall be no lack of instruction. Hereafter Institutes may be held without such aid, there being sufficient talent among the Teachers of the

Institutes may be held without such aid, there being sufficient talent among the Teachers of the county to conduct them, when the mode of so doing shall have been once exhibited.

The branches selected both for explanation of their principles and illustration in the mode of teaching will be Orthography, Reading, Etymology, Grammar, Geography with map drawing, History, Writing and Arithmetic. The exercises will be interesting and with naced, music. During the evening addresses and Lectures, on subjects connected with Education, will be delivered by members of the Institute and by citizens of the city and county. Discussions will also take

The Governor of the Commonwealth and the Su-The Governor of the Commonwealth and the Su-perintendent of Common Schools and other distin-guished persons, have consented to visit the Instiguished persons, have consented to visit the Insti-tute during the week, in order to encourage and sustain its members in their endeavors to benefit the noble cause of general education. The citizens of Lancaster, with noble hospitality, have already in large numbers offered togenerating. Teachers from the body of the county; so that the Committee now feel justified in announcing that the professional members of the Institute shall be at to other expense while here than that of contribu-

no other expense while here than that of contribu-ting to the necessary expenses of the Institute, which, if there be a full attendance, may not ex-ected one do lar from each Teacher. The Institute will be held in FULTON HALL, a room admirably adapted for the purpose, and capa-ble of seating a large andience. A committee will be in attendance at 10 o'clock A. M., on Monday the 24th inst. in the Hall to en-try, the sames of members and assign them lady. N. B.—Punctual attendence of Juros and Witnesses will hereafter be expected and required on the first day of the sessions. Aldermen and Justices of the Peace are required by an order of ccurt, dated Nov. 21st, 1848 to return their recognizances to G. R. Hendrickson, clerk of Quarter Sessions within one week from the day of final action in each case, and in default thereof the Magistrate's costs will not be allowed.

CONSUMPTION. MANY years of trust, instead of impairing the pulic confidence in this medicine, has won for it an appreciation and noioriety by far exceeding the most sanguine expectations of its friends. Nothing but its intrinsic virtues and the unmistakable benefit conferred on thousands of sufferers could originate and maintain the reputation it enjoys. While many inferior remedies thurst upon the community, have farled and been discarded, this has gained friends by every trial conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten. ble benefit conferred on thousands of sufferers

be forgotten.

While it is fraud on the public to pretend that tions of Art and Science.

In the first volume may also be expected numering the public of th any one medicine will infallibly cure—still there is abundant proof that the CHERRY PECTORAL does

abundant proof that the CHERRY PECTORAL does not only a general thing, but almost invariably cures the maladies for which it is employed.

As time makes these feets wider and better known, this medicine has gradually become the best reliance of the afflicted, from the logicabin of the American Peasant, to the palaces of European Kings. Throughout this entire constry, in every State, city, and almost every country, in every State, city, and almost every est remedy extant for diseases of the Throat and best remedy extant in diseases of the Throat and Lungs, and in many foreign countries, it is coming to be extensively used by their most intelligent. Physicians. In Great Britain, France and Germany, where the medical sciences have reached their highest perfection, Cherry Pectoral is introduced, and inconstant near it to A. highest perfection, Cherry Pectoral is introduced, and in constant use in the Armies, Hospitals, Alms Houses, Public Institutions, and in domestic practice, as the surest remedy their attending Physicians can employ for the more dangerous affections of the Tungs. Also in milder cases, and for children it is safe, pleasant and effectual to cure. In fact, some of the most flattering testimonials we receive have been from parents who have found it efficacious in cases particularly incidental to child-
