Valuable Real Estate at Auction.

PURSUANT to a decree of the Circuit Court of Rockingham county, Virginia, rennered at the October term, 1852, the undersigned, as Commissioners appointed by said Court, will, on the first day of March, 1853, proceed to sell, on the premises, at public auction, the tract of land belonging to the late Abraham Smith, deceased, and on which he resided at the time of his death.

It is situated on both sides of the North river, in the countes of Rockingham and Augusta, about 18 miles frm Staunton, and 12 from Harrisonburg, the proposed terminus of the Manasses Gap Railroad, and contains, by recent survey, about 1,023 Acres of exceedingly fertile land, constituting unquestionably one of the most valuable estates in the valley of Virginia, baing, as it is, well supplied with DWELLINGS and outbuildings of the post quality, under good fence, and in a high

with DWELLINGS and outbuildings of the best quality, under good fence, and in a high state of cultivation.
There are about 50 Acres of first-rate meadow. and as much more can easily be made. A large portion of the bottom land consists of a black vegetable deposite from two to six feet deep, which is equal in its fertilizing properties to the best stable

equal in its ierthizing properties to the best stable manure.

About half the tract is cleared, and the residue heavily timbered. It will be offered for sale entire, and also in four subdivisions, and the sale confirmed in that way in which the largest sum will be realized. These subdivisions contain severally some poles more than 495, 254, 218, and 55 Acres, each provided with buildings except that of 254 acres.—

The tract of 55 acres has also on it a Saw-mill and and Grist-mill, with good water power.

TERMS.—Bond and approved security for the whole of the purchase money; one-third in sixty days, with interest from the day of sale; the residue in one, two, and three years, and the title retained till the further order of Court.

One accomplished Teacher has accordingly been invited from Massachusetts and another from Ohio, in both of which States these institut; from Onio, in both of which states freese instalt; tions are frequent and well understood. To these probably one or two others will be added, so that there shall be no lack of instruction. Hereafter Institutes may be held without such aid, there being sufficient talent among the Teachers of the county to conduct them, when the mode of so doing shall have been once exhibited.

The branches selected both for explanation

The branches selected both for explanation of their principles and illustration in the mode of teaching will be Orthography, Reading, Etymology, Grammar, Geography with map drawing, History, Writing and Arithmetic. The exercises will be interspersed with vocal music.

During the evening addresses and Lectures, on subjects connected with Education, will be delivered by members of the Institute and by citizens

I the city and county. Discussions will also take Place.

The Governor of the Commonwealth and the Superintendent of Common Schools and other distinguished persons, have consented to visit the Institute during the week, in order to encourage and sustain its members in their endeavors to benefit

the noble cause of general education.

The citizens of Lancaster, with noble hospitality, have already in large numbers offered to entertain Teachers from the body of the county; so that the Committee now feel justified in announcing that the professional members of the Institute shall be at no other expense while here than that of contributions to the precessive expenses of the Institute.
