We, the undsrsigned Auditors of Lancaster county, Do Certify, that we have carefully examined the account of David Shultz. Esq., Treasurer of said county and compared the same with his vouchers, and find a balance in his hands, on the 3d day of January, 1853. of sixteen thousand five hundred and twenty-six dollars and eighty-two cents (\$16,526 82), of County Funds unexpended. All county taxes prior to 1852, have been paid into the Treasury, except Martie and Sanbury townships.

The following townships have settled their respective duplicates for the year 1852, viz: Colerain, Conestogs, Donegal East, Elizabeth, Hempfield East, Lampeter East and West.

We would suggest the propriety of the County Commissioners, urging the Collectors te settle up their duplicates within the year for which the taxes have been assessed.

An article founded upon scientific principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender latant with decided beneficial effect, where bowel complaints and diarrahma have made them weak and debilitated, the tonic properties of my Worm Syrup are such, that it stands without an equal in the catalogue of medicines in giving tone and strength to the stomach, which makes it an infallible remedy, for those afflicted with Dyspepsia, the astonishing curse performed by this Syrup after Physicians have failed, is the best ovidence of its superior efficacy over all others.

THE TAPE WORM!

This is the most difficult Worm to destroy of all that in test the human system, it grows to an almost indefinite length, becoming so coiled and fastened in the intestines and stomach, effecting the health so sadly as to cause St. Vitus Dance, Fits, \$c., that those afflicted seldom if ever suspect that it is Tape Worm hastening them to an early grave.—In order to distroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 or 8 of my Liver Pills so as to remove all obstructions, that the Worm Synp may act direct upon the Worm, which must be taken in doses of 2 tablespoon wills 3 times a day—these directions fallowed have never been known to fail in curing the most obstimate case of Tape Worm.
