BOUND FOR THE WEST.

A Fine Rockingham Farm for Sale

THE subscriber being determined to remove to the West, offers for sale, privately, the Farm on which he resides, situated five miles east of Harrisonburg, and one and a half miles east of Taylor's Springs, and lying on both sides of the Rockingham Turnpike, leading from Harrisonburg to Stanardsville, and lying on both sides of the Keezeltown road, running up and down the Valley, and one mile south of Keezeltown. It is situated within half a mile of a good Merchant Mill, Saw Mill, Tannery, &c. It adjoins the lands of Messrs. Jonathan Peale, David Eller, and others, and

CONTAINS 314 ACRES,

150 or 160 Acres of which is cleared and in a good state of cultivation; some 15 or 20 acres is good Meadow, and more can be made if desired. The remainder is well timbered.

The improvements are, a large frame Dwelling House, containing 11 rooms, with a good Kitchen, (nearly new) adjoining Loomhouse, Smokehouse, carriage house, corn house, and all other necessary out-houses. The barn is somewhat out of repair. There is a fine spring of water, and also a good Dairy near the House.

This is a good situation for a blacksmith and wagon-maker; and the wagonmaker's shop and blacksmith's shop are both here, and have been carried on for a number of years. There are also two other Dwelling Houses to suit both shops.

There are two other Dwelling Houses on different portions on the Farm.

This Farm would suit very well to be divided, if desired. There is a fine young Orchard near the main Dwelling House, containing ninety Apple Trees of excellent winter and summer Fruit, besides Cherry and Peach Trees. There are also never-failing springs of exce ent water on different parts of the place, and stock can have access to water from every field on the place. The Land is well adapted to all kinds of grain, clover, timothy, and other grass. This is one of the most pleasant places to live in the Valley of Virginia. It would make a very fine situation for a Farm, as the house fronts both the Rockingham Turnpike and Keezeltown road.

Also, another Tract of Woodland, lying 1¼ miles east of the other Farm, containing 192 ACRES, adjoining the lands of Messrs. Samuel Ermin, Geo Nicholas, and others.

The above property is now in market, and a bargain may be obtained, as I am determined to sell. I forbear a more minute description, as farmers desirous of purchasing will of course examine for themselves. Terms very reasonable, and possession given at any time to suit the purchaser.

For further information address the subscriber at Harrisonburg, Rockingham co., Va.

Schenck's Pulmonic Syrup.—A

Specific Remedy for Consumption, Scrofula, Liver Complaint and Dyspepsia.

MR. DEACON'S CASE.

DR. J. R. SCHENCK—

My dear sir—I am pleased beyond expression, to inform you of the extraordinary cure your Pulmonic syrup has made in my case. Eight or nine years since I was attacked with a violent scrofulous affection. Painful ulcers appeared on my face and neck, which in a short time ate the flesh to the bones. My sufferings were awfuls. In a short time ulcers came out on my arms and body. The discharges from the ulcers were so offensive that it was unpleasant for any one to stay in my room. I applied to several physicians, who informed me it could not be cured except by my undergoing a mrecurial treatment, which I was very loath to do. However, my disease continuing, the ulcers increasing in size and number, my health becoming daily impaired, and death inevitable, I consented to the treatment. I took an immense deal of calomel and mercury before the disease appeared to be arrested, all the time suffering tortures, my appetite gone and my body much emaciated; every joint in my body seemed loosened, and much swoolen and sore. I was pronounced cured of scrofula, but badly afflicted with a "mercurial disease."

My system was in a horrible condition. Every change in the weather would bring upon me pains which were almost beyond endurance. My digestive organs were very much impaired; the ulcers would occasional re-appear, discharging very offensive matter. I was induced to take "Syrup of Sarsaparilla," which I procured of some of the most popular manufacturers. After taking six or eight bottles the disease would apparently subside, but in the course of three or four weeks it would return and compel me to resort to the same remedy. The benefit I derived from using the Sarsaparilla was merely temporary, and was costing me a great deal of money, more than I was able to pay. I despaired of ever being cured; my life was a burthen to me; I often felt as though I would rather die at once than linger on in such awful misery without hope. About eighteen months since some of my friends informed me of several cures of Scrofula performed by SCHENCK'S PULMONIC SYRUP, and requesting me to try it. I had no confidence in anything, Mr. Van Doran, Conductor on the Bamden and Amboy Railroad, told me of a person cured by your Syrup, and insisted on my giving it a trial. His confidence in it produced me to procure a half dozen bottles. At the time I was suffering tortures, my limbs were much swollen and very painful, the ulcers discharging very offensive matter; nothing but large dose of landanum enabled me to sleep. Being rising the rsing the contents of the fifth bottle I experienced a benefit; my degistive organs much improved, and seemed to regain their healthy exercise; my appetite was much increased, and I felt stronger throughout my whole system; the ulcers discharged very freely, and the discharges became less and less offensive. Whilst using the tenth bottle all swelling, and soreness left me, the discharges subsided, the ulcers commenced healing, and before the bottle was empted, all appearance of ulcers were removed, and I was permanently cured. I have enjoyed uninterrupted good health for the last fifteen months. I am convinced that scrofula and mercurial diseases are entirely eradicated from my system. I have not had ache for more than a year past. Prior to my using the Pulmonic Syrup, there was not a week that I did not suffer day and night more or less the most excruciating pains. I am confident if I had used your Pulmonic Syrup before using the calomel and mercury, it would have prevented all my suffering, and saved me several hundred dollars. I am now, thank God, a perfectly well man, and attribute it entirely to your "Pulmonic Syrup."

Wishing you every success in your business which your truly valuable medicine entitles you to,

I am repectfully, your obd't serv't,
ROBERT H. DEACON.
