Schenck's Pulmonic Syrup.---Specific Remedy for Consumption Liver Complaint and Dyspepsia. MR. DEACON'S CASE.

Liver Complaint and Dyspepsia.

MR. DEACON'S CASE.

DR. J. R. SCHENCK—

My dear sir—I am pleased beyond expression, to inform you of the extraordinary cure your Pulmosinic syrup has made in my case. Eight or nine years since I was attacked with a violent scrofulous affection. Painful ulcers appeared on my face and neck, which in a short time ate the flesh to the bones. My sufferings were awfuls. In a short time ulcers came out n my arms and body. The discharges from the ulcers were so offensive that it was unpleasant for any one to stay in my room. I applied to several physicians, who informed me it could not be cured except by my undergoing a mrecurial treatment, which I was very loath to do. However, my disease continuing, the ulcers increasing in size and number, my health becoming daily impaired, and death inevitable, I consented to the treatment. I took an immense deal of calomel and mercury before the disease appeared to be arrested, all the time suffering tortures, my appetite gone and my body much emaciated; every joint in my body seemed loosened, and much swoolen and sore. I was pronounced cured of scrofula, but bad y afflicted with a "mercurial disease."

My system was in a horrible condition. Every

of scrofula, but bady afflicted with a "mercurial disease."
My system was in a horrible condition. Every change in the weather would bring upon me pains which were almost beyond endurance. My digestive, organs were very much impaired; the ulcers would occasional re-appear, discharging very offensive matter. It was induced to take "Syrup of Sarsaparilla" which I procured of some of the most popular manefacturers. After taking six or eight bottles the disease would apparently subside, but in the course of three or four weeks it would return and compel me to resort to the same remedy. The benefit I deriveed from using the Sarsaparilla was merely temporary, and was costing me a great deal of money, more than I was able to pay. I despaired of ever being cured; my life was a burthen to me; I ofton felt as though I would rather die at once than linger on in such awful misery without hope. About eighteen months since some of my friends informed me of several cures of Scrofula performed by SCHENCK'S PULMONIC SYRUP, and requesting me to try it. I had no confidence in anything. Mr. Van Dorno. Conductor on the performed by SCHENCK'S FUNDATION and requesting me to try it. I had no confidence in anything, Mr. Van Doran, Conductor on the Bamden and Amboy Railroad, told me of a person in anything, Mr. Van Doran, Conductor on the Bamden and Amboy Railroad, told me of a person cured by your Syrup, and insisted on my giving it a trial. His confidence in it produced me to procure a half dozen bottles. At the time I was suffering tortures, my limbs were much swollen and very painful, the ulcers discharging very offensive matter; nothing but large dose oi landanum enabled me to sleep. cheing rising the raing the contents of the fith bottle lexperienced a benefit; my degistive organs much improved, and seemed to regain their healthy exercise; my appetite was much increased, and I felt stronger throughout my whisle system; the ulcers discharged very freely, and the discharges became less and less offensive. Whilst using the tenth bottle all swellinn, and soreness left me, the discharges subsided, the ulcers commenced healing, and before the buttle was empted, all appearance of ulcers were removed, and I was permanently cured. I have enjoyed uninterrupted good health for the last fifteen months. I am convinced that scrofula and mercurial discases are entirely eradicated from my system. I have not had ache for more than a year past. Prior to my STEAM ENGINES & BOILERS,

THE TAPE WORM!

This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost indefinite length, becoming so coiled and fastened in the intestines and stomach, effecting the health so sadly as to cause St. Vitus Dance, Fits, \$c., that those afflicted seldom if ever suspect that it is Tape Worm hastening them to an early grave.—
In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 or 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in doses of 2 tablespoonfulls 3 times a day—these directions followed have never been known to fail in curing the most obstinate case of Tape Worm.
