Liver Complaint and Dyspepsia.

MR. DEACON'S CASE.

Dr. J. R. SCHENCK—

My dear si:—I am pleased beyond expression, to inform you of the extraordinary cure your Pulmonic syrup has made in my case. Eight or nine years since I was attacked with a violent scrofulous affection. Painful ulcers appeared on my face and neck, which in a short time after the side of the bones. My sufferings were awfuls. In a short time ulcers came out n my arms and body. The discharges from the ulcers were so offensive that it was unpleasant for any one to stay in my room. I applied to several physicians, who informed me it could not be cured except by my undergoing a mrecurial treatment, which I was very loath to do. However, my disease continuing, the ulcers increasing in size and number, my health becoming daily impaired, and death inevitable, I consented to the treatment. I took an immense deal of calomel and mercury before the disease appeared to be arrested, all the time suffering tortures, my appetite gone and my body much emaciated: every joint in my hody seemed loosened, and tures, my appetite gone and my body much emaci-ated; every joint in my body seemed loosened, and much swoolen and sore. I was pronounced cured of scrofula, but bady afflicted with a "mercurial disease"? isease." My system was in a horrible condition. Ever

My system was in a horrible condition. Every change in the weather would bring upon me pains which were almost beyond endurance. My digestive organs were very much impaired; the ulcers would occasional re-appear, discharging very offensive matter. I was induced to take "Syrup of Sarsaparilla," which I procured of some of the most popular manufacturers. After taking six or eight bottles the disease would apparently subside, but in the course of three or four weeks it would return and connect me to resort to the same remedy. The the course of three or four weeks it would return and compel me to resort to the same remedy. The benefit I deriveed from using the Sarsaparilla was merely temporary, and was costing me a great deal of money, more than I was able to pay. I despaired of ever being cured; my life was a burthen to me; I often felt as though I would rather die at once than linger on in such awful misery without hope. About eighteen months since some of my friends informed me of several cures of Scrofula performed by SCHENKES PULMONIC SYRUP. friends informed me of several cures of Scrofula performed by SCHENCK'S PULMONIC SYRUP, and requesting me to try it. I had no confidence in anything, Mr. Van Doran, Conductor on the Bamden and Amboy Railroad, told me of a person cured by your Syrup, and insisted on my giving it a trial. His confidence in it produced me to procure a half dozen bottles. At the time I was sufficient to the current person with a produced me to procure a half dozen bottles. At the time I was sufficient to the current person which and the current person which are the current person who are the current person which are the current person whi cure a half dozen bottles. At the time I was suf-fering tortures, my limbs-were much swollen and very painful, the ulcers discharging very offensive matter; nothing but larve dose oi landanum ena-bled me to sleep. Bein, rising the rsing the con-tents of the fifth bottle I experienced a benefit; my degistive organs much ingroved, and seemed to regain their healthy exercise; my appetite-[was much increased, and I felt stronger throughout my much increased, and I felt stronger throughout my while system; the ulcers discuarged very freely, and the discharges became less and less offensive. Whilst using the tenth bottle all swellinn, and soreness left me, the discharges subsided, the ulcers commenced healing, and before the bottle was empted, all appearance of ulcers were removed, and I was permanently cured. I have enjoyed uninterrupted good health for the last fifteen months. I am convinced that scrofula and mercurial diseases are strikely and cated from my system. I have

I am convinced that scrofula and mercurial diseases are entirely enadicated from my system. I have not had ache for more than a year past. Prior to my using the Pulmonic Syrup, there was not a week that I did not suffer day and night more or less the most excruciating pains. I am confident if I had used your Pulmonic Syrup before using the calonel and mercury, it would have prevented all my suffering, and saved me several hundred dollars. I am now, thank God, a perfectly will man, and attribute it entirely to your "Pulmonic Syrup." Wishing you every success in your business which your truly valuable medicine entitles you to, I am repectfully, your obd't serv't, ROBERT H. DEACON.
