Schenck's Pulmonic Syrup. Liver Complaint and Dyspepsia.

MR. DEACON'S CASE.

DR. J. R. SCHENCE—

My dear sir—I am pleased beyond expression, to inform you of the extraordinary cure your Pulme nic syrup has made in my case. Eight or nin years since I was attacked with a violent scrofulous. years since I was attacked with a violent scrofulous affection. Painful ulcers appeared on my face and neck, which in a short time ate the flesh to the bones. My sufferings were awfuls. In a short time ulcers came out n my arms and body. The discharges from the ulcers were so offensive that it was unpleasant for any one to stay in my room. I applied to several physicians, who informed me it could not be cured except by my undergoing a mrecurial treatment, which I was very loath to do. However, my disease continuing, the ulcers increasing in size and number, my health becoming daily impaired, and death inevitable, I consented to the treatment. I took an immense deal of calomel and mercury before the disease appeared to be arrested, all the time suffering tortures, my appetite gone and my body much emaci-

My system was in a horrible condition. Every hange in the weather would bring upon me pains hich were almost beyond endurance. My digeswhich were almost beyond endurance. My digestive organs were very much impaired; the ulcers would occasional re-appear, discharging very offensive matter. I was induced to take "Syrup of Sarsaparilla," which I procured of some of the most popular manefacturers. After taking six or eight bottles the disease would apparently subside, but in the course of three or four weeks it would return and compel me to resort to the same remedy. The benefit I deriveed from using the Sarsaparilla was merely temporary, and was costing me a great deal of money, more than I was able to pay. I despaired of ever being cured: my life was a butthen to of money, more than I was able to pay. I despatied of ever being cured; my life was a burthen to me; I often felt as though I would rather die at once than linger on in such awful misery without hope. About eighteen months since some of my friends informed me of several cures of Scrofula performed by SCHENCK'S PULMONIC SYRUP, and requesting me to try it. I had no confidence and requesting me to try it. I had no confidence in anything, Mr. Van Doran, Conductor on the Bamden and Amboy Railroad, told me of a person Bamden and Amboy Railroad, told me of a person cured by your Syrup, and insisted on my giving it a trial. His confidence in it produced me to procure a half dozen bottles. Prior to my using the Pulmonic Syrup, there was not, a week that I did not suffer day and night more or less the most excruciating pains. I am confident if I had used your Pulmonic Syrup before using the calomel and mercury, it would have prevented all my suffering, and saved me several hundred dollars. I am now, thank God, a perfectly well man, and attribute it entirely to your "Pulmonic Syrup."
