In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 or 8 of my Liver Pills so as to re-move all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in doses of 2 tablespoonfulls 3 times a day—these di-rections followed have never been known to fail in curing the most obstinate case of Tape Worm. I was induced to take "Syrup of Sar-saparilla," which I procured of some of the most popular manufactures. Being rising the raing the contents of the fifth bottle I experienced a benefit; my degisitive organs much improved, and seemed to regain their healthy exercise; my appetite was much increased, and I felt stronger throughout my whale system; the ulcers' discharged very freely, and the discharges became less and less offensive. I have enjoyed uninterrupted good health for the last uffere months. I am convinced that scrofula and mercurial diseases are entirely eradicated from my system. I have not had ache for more than a year past. Prior to my using the Pulmonic Syrup, there was not a week that I did not suffer day and night more or less the most excruciating pains. I am confident if I had used your Pulmonic Syrup before using the calomel and mercury, it would have prevented all my suffering, and saved me several hundred dollars.
