Liver Complaint and Dyspepsia.

MR. DEACON'S CASE.

Dr. J. R. Schenck—

My dear sir—I am pleased beyond expression, to inform you of the extraordinary cure your Pulmonic syrup has made in my case. Eight or nine years since I was attacked with a violent scrofulous affection. Painful ulcers appeared on my face and neck, which in a short time ate the flesh to the bones. My sufferings were awfuls. In a short time ulcers came out n my arms and body. The discharges from the ulcers were so offensive that it was unpleasant for any one to stay in my room. I applied to several physicians, who informed me it could not be cured except by my undergoing a mrecurial treatment, which I was very loath to do. However, my disease continuing, the ulcers increasing in size and number, my health becoming daily impaired, and death inevitable, I consented to the treatment. I took an immense deal of calomel and mercury before the disease appressed to the treatment of the treatment of the processed of t deal of calomel and mercury before the disease ap-peared to be arrested, all the time suffering tor-tures, my appetite gone and my body much emaci-ated; every joint in my body seemed loosened, and much swoolen and sore. I was pronounced cured of scrofula, but badiy afflicted with a "mercurial disease."

My system was in a horrible condition. Every

My system was in a horrible condition. Every change in the weather would bring upon me pains which were almost beyond endurance. My digestive organs were very much impaired; the ulcers would occasional re-appear, discharging very offensive matter. I was induced to take "Syrup of Sarsaparilla," which I procured of some of the most popular manufacturers. After taking six or eight bottles the disease would apparently subside, but in the course of three or four weeks it would return Tonigmacher & Bauman, Tanners and Curriers Store, back of Robt. Moderwell's Commission Warehouse, fronting on the Railroad and North Prince Street. Cheap for Cash, or approved Credit.
