MR. DEACON'S UASE. DR. J. R. SCHERCK-My dear sit-I am pleased beyond expression, to inform you of the extraordinary cure your Pulmo-nic syrup has made in my case. Eight or nine years since I was aitacked with a violent scrofulous affection. Painful ulcers appeared on my face and neck, which in a short time ate the flesh to the bones. My sufferings were awfuls. In a short time ulcers came out n my arms and body. The discharges from the ulcers were so offensive that it was unpflexaint for any one to sing in my room. I applied to several physicians, who inform-ed met could not be cured except by my under-going a mrecurial treatment, which I was very to which is added at Treaties on the discases of Females, intended for the use of fe-males only (see page 190,) being of the highest im-portance to married people, or those contempla-ting marriage. By WM. YOUNG, M. D., Graduate of the University of Pennsylvania, Member of the Royal College of Surgeons, London; and Honora-ry Member of the Philadelphia Medical Saciety.— The various forms of Secret Diseases, Seminal Weakness, Diseases of the Prostrate (iland, Impo-tency, solitary habits of youth are faithfully descri béd, and all the recipes given in plain languago.— The chapter on self-abuse and Seminal Weakness is worthy of particular attention and should be read by every one. Young men who have been unfor-tunate in contracting disease, previous to placing yourselves under the care of any doctor, no matter what his pretnenions may be, get a copy of this ed me it could not be cured ercept by my under-going a mrecurial treatment, which I was very loath to do. However, my disease continuing, the ulcers increasing in size and number, my health becoming daily impaired, and death inevitable, I consented to the treatment. I took an immense deal of calomel and mercury before the disease ap-peared to be arrested, all the time suffering tor-tures, my appetite gone and my body much emaci-ated; every joint in my body seemed looksned, and much swoolen and sore. I was pronounced cured of scrofula, but bady afflicted with a "mercurial disease."

disease." My system was in a horrible condition. Every change in the weather would bring upon me pains which were almost beyond endurance. My diges-tive organs were very much impaired; the ulcers would occasional re-appear, discharging very offen-sive matter. I was induced to take "Syrup of Sar-saparilla," which I procured of some of the most popular manufectures. A for theirs of a circle what his pretensions may be, get a copy of this truly useful work. truly useful work. Sea Captains and persons going to Sea, should possess Dr. Young's Treatise on Marriage, the Pocket Æculapius, or Every One His Own Physician. Жт-Let по father be ashamed to present a copy of the Æsculapius to his child. It may save him popular manufacturers. After taking six or eight bottles the disease would apparently subside, but in the course of three or four weeks it would return from an early grave. Let no young man or woman from an early grave. Let no young man or woman enter into the secret obligations of married life, without reading the Pocket, Esculapius. Let no one suffering from a hacknied cough, pain in the side, restless nights, nervous feelings, and the whole train of Dyspeptic sensations, and given up by their physician, be another moment without con-sulting the Esculapius. Have the married or those about to be married any impediment, read this tru-ly useful Book, as it has been the means of saving thousands of unfortunate creatures from the iaws the course of three or four weeks it would return and compel me to resort to the same remedy. The benefit I deriveed from using the Sarsaparilla was merely temporary, and was costing me a great deal of money, more than I was able to pay. I despair-ed of ever being curred; my life was a burthen to me; I often feit as though I would rather die at once than linger on in such awful misery without hope. About eighteen months since some of my 17 useful Book, as it has been the means of saving thousands of unfortunate creatures from the jaws of death. Upwards of a MILLION copies of this celebrated work has been sold in this country and Europesince 1838, when the first edition wasissued. 307 Any person sending TWENTY-FIVE CENTS enclosed in a letter, will receive one copy of this book by mail; or five copies will be sent for one dollar. Address "Dr. WM. YOUNG, No. 152 Spruce street, Philadelphia," Post-paid. Twenty years practice in the city of Philadelphia certainly entitles Dr. Young to the confidence of the afflicted, and he may be consulted on any of the hope. About eighteen months since some of my friends informed me of several cures of Scrofula performed by SCHENCK'S PULMONIC SYRUP, performed by SCHENCE'S POLMONIC STROP, and requesting me to try it. I had no confidence in anything, Mr. Van Doran, Conductor on the Bamden and Amboy Railroad, told me of a person cured by your Syrup, and insisted on my giving it a trial. His confidence in it produced me to pro-cuye a half dozen bottles. At the time I was suf-faint of threas my limba wate much swallen and

Whilst using the tenth bottle all swellinn, and sore-ness left me, the discharges subsided, the ulcers commenced healing, and before the buttle was empted, all appearance of ulcers were removed, and I was permanently cured. I have enjoyed un-interrupted good health for the last fifteen months. I am convinced that scrotila and mercurial disca-see are enjuely exadicated from my system. I have HAPPINESS AND COMPETENCE. I am convinced that scrolula and mercurial disea-ses are entirely eradicated from my system. I have not had ache lor more than a year past. Prior to my using the Pulmonic Syrup, there was not a week that I did not suffer day and night more or less the most excruciating pains. I am confident if I had used your Pulmonic Syrup before using the calomel and mercury, it would have prevented all my suf-fering, and saved me several hundred dollars. I am now, thank God, a perfectly w.ll man, and at-tribute it entirely to your "Pulmonic Syrup." Wishing you every success in your business
