HATEVER concerns the health and happiness of a people is at all times of the most valuable importance. It take it for granted that every person will do all ,n their power, to save the lives of their children and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that WORMS, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food to another, bad Breath, pain in the Stomach, picking at the Nose, hardness and fullness of the Belly, Dry Cough, Slow Fever, Pulse irregular—remember that all these denote WORMS, and you should at once apply the remedy: once apply the remedy:—
HOBENSACK'S WORM SYRUP.

An article founded upon scientific principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to he most tender Infant with decided benefi the most tender infant with decided beneatial effect, where bowel complaints and diarrahæa have made them weak and debilitated, the tonic properties of my Worm Syrup are such, that it stands without an equal in the catalogue of medicines in giving tone and strength to the atomach, which makes it an infallible remedy for those afflicted with Dyspensia, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others. THE TAPE WORM!

THE TAPE WORM!

This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost indefinite length, becoming so coiled and fastened in the intestines and stomach, effecting the health so sadly as to cause St. Vitus Dance, Fits, &c., that those afflicted seldom if ever suspect that it is Tape Worm hastening them to an early grave.— In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 or 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrnp may act direct upon the Worm, which must be taken in doses of 2 tablespoonfulls 3 times a day—these directions followed have never been known to fail in curing the most obstinate case of Tape Worm. curing the most obstinate case of Tape Worm.
HOBENSACK'S LIVER PILLS.

No part of the system is more liable to disease than the LIVER, it serving as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver.—

The True Digestive Fluid or Gastric Juice REPARED from Rennet, or the tourth Stom-ach of the Ox, after directions of Baron LIEBIG, A ach of the Ox, after directions of BAFFN LIEBIO, the great Physiological Chemist, by I. S. Houghton, M. D., Philadelphia, Pa.

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

Halt a tenspoonful of Pepsin, infused in water, will digest or dissolve, Five Pounds of Roast Beet in about two hours, out of the stomach.

Pepsin is the chief element, or Great Digesting Principle of the Gastric Juice—the solvent of the tood, the purifying, preserving and stimulating agent of the stomach and intestines. It is extracted from the digestive stomach of the Ox, thus terms from the digestive stomach of the Ox, thus forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its chemical powers, and

natural Gastric Juice in its chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation, the pains and evile of Indigestion and Dyspepsia are removed, just as they would be by a healthy stomach. It is doing wonders for dyspeptics, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the verge of the grave. The scientific evidence upon which it is based, is in the highest degree curious and remarkable. SCIENTIFIC EVIDENCE! Baron Liebig in his celebrated work on Anima Chemistry, says: "An artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the calf, in which various articles of food as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

Dr. Pareira, in his lamons treature in "Food and

Dr. Pereira, in his lamous treatise on "Food and Diet," published by Fowler & Welts, New York, page 35, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Pereira.

Dr. Combé, in his valuable wrungs on the "Physiology of Digestion," observes that "a diminition of the due quantity of the Gastrie Juncient a prominent and all-prevailing cause of Dyspepsia, and he states that "a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding everything else to fail, had recourse to the Gastrie Junce, obtained from the stomach of living animals, which proved completely successfull." Dr. Pereira, in his famous treatise on " Food and

the stomach of living animals, which proved completely successfull."

Dr. Grahani, author of the famous works on "Vegetable Diet," says: "It is a remarkable fact in physiology, that the stomachs of animals, macerated in water, impact to the fluid the property of dissolving va. ous articles of food, and of effecting a kind of artificial digestion of them in nouse different mro the natural digestive process."

AS A DYSPEPSIA CURER,
Dr. HOUGHTON'S PEPSIN has produced the Dr. HOUGHTON'S PEPSIN has produced the most marvellous effects, in curing cases of Debility, Emaciation, Nervons Decline, and Dyspeptic Consumption. It is impossible to give the details of cases in the limits of this advertisement; but authenticated certificates have been given of more than Two Hundred Remarkable Cures, in Philadelphia, New York and Boston alone.
