The Paint differs from the so-called Mineral Paints of the day, which are principally Ochres and Clays colored, and are entirely worthless.

Silver's Plastic Paints are purely Metalic, conon the Lancaster road, two squares from the river. This property is well worthy the attention of capitalists for Lumber and Coal Yards, being in the centre of the town, and when the contemplated Railroad is built, which is located from Columbia Silver's Plastic Paints are purely Metalic, containing no Alumin or Clay.

They are levigated finely, mix readily with Linseed Oil, (without the trouble of grinding.) and flow under the brush as freely as the best White Lead.

These Paints excel all others in body or covering properties, one pound of which will cover as much surface, as two pounds of White Lead.

There are four natural colors, viz: Black or Slate, Brown, Olive and Chocolate.
