The series of large Maps, for the Monthly
Concerts, Bible Class, Sabbath Schools, Academies
High Schools, Colleges and Common Schools, has
been favorably received by the Christian Public, and met with an extensive sale.

The Map of the World is the largest we have

seen—each Homisphere being seven feet in diame-ter. It is very full and complete, presenting the grand feature of the earth's surface in land and water, in bold and distinct outline, well suited to strike the eye and impress the mind in respect to geographical boundaries and limits, and so distinc as to be clearly seen by an audience over a large lecture room. The Map is printed on fine, heavy paper, 180 pounds to the ream, with muslin backs mounted on rollers, neatly varnished and richly

The Paint which you put on my roofs, has now become as hard as slate, and I feel as secure from Fire, in this direction, as is possible. A few weeks after the rools had been painted, I made an experiment on two or three shingles by placing them in the furnace under the bpilers; the result was, that the portion uncov ered was entirly consumed, while the painted par was apparently sound, though upon examination the wood was found to be charred; the Paint however was firm and but little blistered.
