Steam Planing Mills Steam Planing Mills; § Dear Sir : You ask me for 'my opinion of '' Sil-ver's Mineral Paints,'' which you have put on my Machine Shop and Planing Mill. I give you with pleasure my full and hearty recommendation of it as a preventive of Fire communicating from Chim-neys, or from adjoining buildings. The Paint which you put on my rough, has now hecome as hard as

you put on my pools, has now become as hard as slate, and I feel as secure from Fire, in this direc-tion, as is possible. A few weeks after the roots had been painted, I made an experiment on two or

three shingles by placing them in the furnace under the boilers; the result was, that the portion uncov-ered was entirly consumed, while the painted part was apparently sound, though upon examination the wood was found to be charred, the Paint how-ever was firm and but little blistered.
