devoted his whole attention to the treatment of private complaints, in all their varied and complicated forms. His great success in those long standing and difficult cases, such as were formerly considered incurable, is sufficient to commend him to the public as worthy of the extensive patronage he has received. Within the last eight years Dr. S. has treated more than 29,500 cases of Private Complaints, in their different torms and stages! a practice which no doubt exceeds that of all the other physicians now advertising in Baltimore, and not a single case is known, where his directions were strictly followed and medicines taken a reasonable time, without effecting a radical and permanent: cure; therefore persons afflicted with diseases of the above nature, no matter how difficult or long standing the case may be,' would do well to call on Dr. Smith; at his office, No.116 South Frederick Street and if not effectually cured no renumeration will be required to his services. His medicines are free from Mercury and all mineral poisous; put up in a neat and compact torm, and may be taken in a public or private house, or while travelling without exposuse or hindrance from business, and except in cases of violent influmnation, no change f diet is necessary.
Strictures-Dr. Smith has discovered a new meth-

ture, and without pain or inconvonience to the pa-tient. Irritation of the uretha, or prostrate glands, 40, is sometimes mietaken for stricture by generpractitioners or charlatans. Young Men and others afflicted with Debility, whether originating from a certain destructive habit, or from any other cause with the train of bodily and mental evils which follow, when ne-glected, should make an early application, there-

The MATTHEWS FARM.—Entirecontents, 1364 acres, under cultivation about 300 acres; meadows, 50 acres; to which could easily be added fifty acres of superior meadow. This tract, though without any building, yet contains some of the finest arable and meadow in the whole body of ands now offered, and is excellently timbered.

3. The WILDERNESS; or Home Place—This

All these farms are abundantly supplied with good timber, the growth being oak, hickory, pine, sc. The best of white oak and large pines, suitible for lumber and shingles.
Limestone is found on all the farms, though on he Fowler and Wilderness tracts are the the Fowler and Wilderness tracts are the best quarries. Iron ore is also found.

These lands lie on the turnpike road leading from Harrisonburg, and from Staunton to Warm Springs, 30 miles west of Staunton, 15 east of Bath Alum Springs, 20 east of Warm Springs, and within 7 miles of the line of the Virginia Central Railroad, now graded, and on which the rails will probably be laid this summer. Nothing but spareness of population and remoteness from market has hitherto kept down their price. These causes are
