I feel it to be my duty to solemnly assure you that WORMS, according to the opinion of the most criebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable rom one kind of food to an other, bad Breath, pain in the Stomach, picking at the Nosc, hardness and fullness of the Belly, Dry Cough, Slow Fever, Pulse irregular—remember that all these denote WPPMS, and you should at once apply the remedy. Morse, well known as a distinguished member of the leading scientific societies of the Old World, and equally distinguished as a physician, a chem, ist, and a traveller. The juices of this herb, concentrated and combined with other vegetable medicinal extracts, are now producing results hereto forc unheard of, in this, or any other country. At first the properties attributed to Prof. Morse's Invigorating Elizer or (ordial were deemed fabulous. The public often deceived could not believe the simple and sublime itruths announced by the discoverer. But facts, undeniable facts attested by witnesses of the highest class and character, are by witnesses of the highest class and character, are now triumphing over all doubts. Incredulity is overthrown, by a mass of testimony which is perectly irresistible.

The Elixer remedies, in all cases, the deplorable

evils arising from a misuse or abuse of the variou organs which make up the wonderful machine call led man. It restores to full vigor every delicate function connected with that mysterious compound agency of matter and mind, necessary to the reagency of matter and minds necessary to the reproduction of human life. To persons of leeple
muscular frame, or deficient in vital power, it i
recommended as the only means of communicating
that nergy which is necessary to the proper enjoyment of the natural

higher mental attributes. Its beneficial effects are
not confined to either sex or to anylage. The fee
ble girl, the aiting wife, the listless, enervated
youth, the overworn man of business, the victim
of nervous debility, or from the weakness of a
single organ, will all find immediate and perma
nent relief from the use of this incomparable renovator. To those who have a predisposition to
paralysis it will prove a completed and unfailing
sateguard against that terrible malady. There are
many, perhaps, who have so triffed with their constitutions, that they think themselves beyond the
reach of medicine. Let not even these despair
The Elixer deals with disease as it exists, without
reference to cases, and will not only remove the rodaction of human life. To person The Elixer deals with disease as it exists, without reference to cases, and will not only remove the assorder itself, but rebuild the broken constitution. The derangements of the system leading to ner ous diseases, and the forms of nervous vous diseases, and the forms of nervous diseases itself are so numerous that it would require a column to enumerate the maiadles for which this preparation is a specific. A few however, may be enumerated, viz: henralgia, the dotereaux, headache, incipient parilysis, hystoria, palpitation of the heart, spinal affections, muscular debility, tremors flatulence, a pricking sensation in the flesh numbness, torpidity di the live, accutal depression, weakness of the will, indisposition to move, fainness after exercises, broken sloen, and move, faintness after exercises, broken sleep and terrifying dreams, inability to remain in one place or position, weakness of the procreative organs, sexual incompetency, melancholy, monomania, fluor albus, sinking of the stomach, female irreguelling the whole mass of corrupt and vitiated You will find these Fills an invaluable medicine in many complaints to which you are subject. Bear in mind that all maladies, wherever they begin, finish mind that all mataties, wherever they origin, mish with the nervous system, and that the paralization of the nervous of motion and sensation is physical death. Bear in mind also, that for every kind of nervous disouse the Elixer Cordialis the only reliab e preparation known.
CURE OF NERVOUS DISEASES.— No language convey an adequate idea of the immediate and almost miraculous change which it occasions in the diseased, debilitated and shattered nervous system, whether broken down by excess, weak t nature, or impaired by sickness, the unstrung and claxed organization is at once braced, re-vivified and built up. The mental and physical symptom of nervous disease vanish altogether under its influence. Nor is the effect temporary; on the contra-ry, the relief is permanent, for the cordial proper-ties of the medicine reach the conditioni itself, and restore to its nonmal condition. Well may the preparation be called the medicinal wonder of the nineteenth century. It is, as the first scientific man in the world would have admitted, that mira-
