Henry's Invigorating Cordial.

Purely Vegetable in its Composition. This invaluable Cordial, is extracted from Herbs and Roots, which have been found after years of experience, by the most skilful Physicians, to be possessed of qualities most beneficial in the diseases for which it is recommended; and hence whilst it is presented to the public, as an efficacious remedy, it is also known to be of that character on which reliance may placed as to its safety. I case Impotency, Hoemorrhages, Disordered Sterility, Menstruation, or Suppression of the Menses, Fluor Albus or Whites, or for DEBILITY arising from any cause, such as weakness from sickness, where the patient has been confied to bed for some time, for females after confinement, Abortion or Miscarriage, this Cordial cannot be excelled in its salutary effects; or in loss of Muscular Energy, Irritability, Physical Prostration, Seminal Weakness, Palpitation of the Heart, Indigestion, Sluggishness, Decay of the Procreative, Nervousness, &c., where a tonic Medicine is required, it will be found equal if not superior to any compound ever used.

To FEMALES.—Henry's Invigorating Cordial, is one of the most invaluable Medicines in the many complaints to which females are subject. It assists nature to brace the whole system, check excesses, and creates renewed health and happiness. Less suffering, disease and unhappiness among Ladies would exist, were they generally to adopt the use of this Cordial. Ladies who are debilitated by those obstructions which females are liable to, are restored by the use of a bottle or two, to bloom and to vigor.

YOUNG MEN;—That solitary practice, so fatal to the existence of man; and it is the young who are most apt to become its victims, from an ignorance of the danger to which they subject themselves, causing NERVOUS DEBILITY, Weakness of the system and Premature Decay. Many of you may now be suffering, misled as to the cause or source of disease. To those, then, who by excess have brot on themselves Premature Impotency, Involuntary Seminal Emissions, Weakness and Shrivelling of the Genital Organs, Nervous Affection, or any other consequences of unrestrained indulgence of the sensual passions, occasioning the necessity of renouncing the felicities of MARRIAGE, lessening both mental and bodily capacity, read Henry's invigorating Cordial, a medicine that is purely Vegetable, will aid nature to restore those important functions to a healty state and will prove of service to you. It possesses rare virtues, is a general remover of disease, and strengthener of the system as a TONIC MEDICINE, it is unsurpassed. We do not place this Cordial on a footing with quack medicines, and, as is customary, append a long list of Recommendations, Certificates, &c., beginng with 'Hear what the Preachers say,' and such like; it is not necessary; for Henry's Invigorating Cordial, only needs a trial to prove that it will accomplish all we say. The genuine "Henry's Invigorating Cordial," is put up in 8 oz. Pannel Bottles, and is easily recognized by the Manufacturer's signature on the label of each Bottle, (to counterfeit which is forgery.)

Caution! Caution!!—

Thomas Armitage's Lightning Rods. Beware of Impostor and swindlers. In order to prevent a repetition of the frauds so extensively carried on during the last two years, by a set of scoundrels who travelled over the country, and represented themselves as my agents, and in many instances exhibited forged certificates of agency, I now give notice that all my agents, carry with them printed forms, authorizing them to act as my agents, legally executed and acknowledged before Alderman Henry Simpson, of Philadelphia; they have also, my name and place of business on their wagons. I believe them all to be strictly honest, and fully acquainted with the business of putting up Lightning Rods, which they will do at as low a price as they an be obtained at the Factory. As many schemes have been resorted to, to defraud myself and the public purchasers should be on their guard; thousands have been grossly deceived by purchasing useless articles in the shape of Lightning Rods, having pewter, lead, copper, zinc and iron points, either, or all of which are good for nothing. My Electro Magnet Lightning rods, have been examined by many of the most scientific men in the world, who have pronounced them to be the only rods that they have ever seen, which are calculated to save lives and property from destruction by lightning—among those are Professors Henry M'Murtrie, James M'Clintock; Walter R. Johnson, of the U S. Patent Office, E. J Carr, Dr. T. E. Waller and many others who recommend them in the highest terms of approbation.

All orders wholesale and retail, will meet with prompt attention. Spire rods and scrolls made to order. Cardinal points and all kinds of weather vanes, for sale cheap.

Silver's Plastic Paints, Cheap.

Durable and Protective Weather and Fire Proof. This Paint will stand any climate, without crack or blister hardens by exposure, thus making in time an enamel of stone, protecting wood from decay, and iron and other metals from rust and corrosion.

The Paint differs from the so-called Mineral Paints of the day, which are principally Ochres and Clays colored, and are entirely worthless.

Silver's Plastic Paints are purely Metalic, containing no Alumin or Clay.

They are levigated finely, mix readily with Linseed Oil, (without the trouble of grinding,) and flow under the brush as freely as the best White Lead.

These Paints excel all others in body or covering properties, one pound of which will cover as much surface, as two pounds of White Lead.

There are four natural colors, viz: Black or Slate, Brown, Olive and Chocolate.

Directions.—This Paint flows readily under the brush and its covering property is increased by using it mixed as thickly as possible with pure Linseed Oil; as the Paint is the lasting or protecting body and the Oil simply the medium or agent in spreading it.

We annex copies of two letters, one from the President of the Philadelphia and Reading Railroad Co., the other from a Gentleman, a well known resident of Augusta, Ga.

Office of the Phila. and Reading Railroad Co.
Philadelphia, May 3, 1852.

J. S. SILVER, Esq.

Dear Sir: We have used your "Plastic Paints," or more than a year, and for Painting Bridges, Depots, &c., &c., we have found it quite equal to any paint we have used. In fact, we now give it a preference over all others we have tried for such purposes. Yours Respectfully,

(Signed,) JOHN TUCKER, President.

Steam Planing Mills.

Dear Sir: You ask me for my opinion of "Silver's Mineral Paints," which you have put on my Machine Shop and Planing Mill. I give you with pleasure my full and hearty recommendation of it as a preventive of Fire communicating from Chimneys, or from adjoining buildings. The Paint which you put on my roofs, has now become as hard as slate, and I feel as secure from Fire, in this direction, as is possible. A few weeks after the roofs had been painted, I made an experiment on two or three shingles by placing them in the furnace under the boilers; the result was, that the portion uncovered was entirely consumed, while the painted part was apparently sound, though upon examination the wood was found to be charred; the Paint however was firm and but little blistered. I consider this as severe a test as your Paint can be put to, and under the circumstances I do not hesitate to commend it as an invaluable preventive against Fire. Respectfully, &c.

(Signed,) AMBROSE SPENCER.

Hayes' Patent Tubular Oven Hot

Air Range, patented June 27, 1852. Various sizes, to suit families, boarding houses and hotels.

Those in want of a superior cooking aparatus are invited to call at our Warehouse and examine this Range. For durability, economy and simplicity in operation it stands unrivaled. It has a perfect hot air ventilated oven—and meats baked in this oven will retain their juice and flavor equal to that roasted before an open fire. Meats and pastry cooked at the same time without one affecting the other.—It will supply sufficient heated air to heat additional rooms for the coldest weather. It has no descending or return flues, and is equally well adapted to burning the bituminous, or common hard coal. The steam valve over the boiling part of the range carries off the steam and scent of cooking, as well as heat in summer.

Every Range sold warranted to give perfect satisfaction, or no expense to the purchaser.
