GOING INTO MOURNING.

The following is from Mrs. Moore's "Life in the Clearings:"

"And then, this absurd fashion of wearing black for some months and years for ing for such a near relation. the dead; let us calmly consider the philosophy of the thing, its use and abuse. Does it confer any benefit on the dead! Does it | had she spoken the truth, she would have afford any consolation to the living? Morally or physically, does it produce the least Does it soften one regretful pang, wiser or better? If it does not produce any ultimate benefit, it would be at once discarded as a superstitious relic of more barbarous times, when men could not gaze on | the simple, unveiled face of Truth, but obscured the clear daylight of her glance un-

der a thousand fantastic masks. The ancients were more consistent in tion of the flesh was a sort of penance in- birth and station, added greatly to the flicted by the self-tortured mourner for his | poignancy of her sorrow. own sins, and those of the dead. If this lef were not of a deep or lasting nature, the mourner found relief for his mental agonies in humiliation and personal suffer-

and becoming manner. Verily, if we must wear our sorrow upon our sleeve, why not return to the sackmonstration of that grief which, hidden in

the heart, surpasseth show. But, then, sackcloth is a most unmanageable material. A handsome figure would be lost, buried, annihilated, in a sackcloth would be so horribly rude; it would wound not be confined in graceful folds by clasps of jet, and pearl, and ornaments in black and gold. "Sackcloth? Faugh!-away with it. It smells of the knowted scourge and the charnel-house." We too, say, of such miserable provocatives to woe.

The barbarians who cut and disfigured their faces for the dead, showed a noble con npt of the world, by destroying those of feeling, which would have remained the rersonal attractions which the loss of the beloved had taught them to despise. But denial to imitate such an example? The rather die themselves than sacrifico their the same heartless parent dressed in the beauty at the shrine of such a monstrous

How often have I heard a knot of gos sips exclaim, as some widow of a gentleman in fallen circumstances glided by in her rusty weeds, "What shabby black that woman wears for her husband! I should ashamed to appear in public in such faded mourning. And yet, the purchase of that shabby

black may have cost the desolate mourner

and her orphan children the price of many

But the usages of society demand the ing to attend a funeral, but this is the sacrifice, and it must be made. The head first time I ever heard of it being made in of the family has suddenly been removed anticipation." that scarcely enough can be collected to pay the expenses of the funeral, and put his family into decent mourning, but every and his sister is so vexed that she bought money that might, after the funeral was purpose!" over, have paid the rent of a small house, and secured the widow and her young famand obtain some a ation in which she while she, poor body, has been consigned could earn a living or herself and them, to the grave for more than three years.

must all be sunk in conforming to a useless custom, upheld by pride and vanity in the name of grief. "How will the funeral expenses ever be paid ?" exclaims the anxious, weeping moth-"When it is all over, and the mourning bought, there will not remain a single seen on a dark dull, murky winter's night, copper to find us in bread." The sorrow when there is just enough moisture steatgrief engrosses all the available means of without cleaning it of any of its impurities,

vanity of vanities! there is no felly on shops more splendid from the contrast they earth that exceeds the vanity of this There are many persons who rat off their grief when they put on their mourning, and night as this, seems disposed to make himthese sombre-clad beings in festal bolls In the large and better streets, dining room mingling with the gay and happy, their and parlor curtains are closely drawn, melancholy garments affording a painful kitchen fires blaze brightly up, and savory

had sustained, are among the first to cenmon and useless. Tears are as necessary to the afflicted as showers are to the parched earth, and are the best and sweetest

remedy for excessive grief. in mercy by Him who wept at the grave of his friend Lazarus. The man of sorrows himself taught us to weep.

We once heard a very beautiful volatile young lady exclaim, with something very like glee in her look and tone, after reading a letter she had received by the post, with its ominous black bordering and seal -"Grandmamma is dead! We shall have to go into deep mourning. I am so glad, for black is so becoming to me!"

An old aunt, who was present, expressed her surprise at this indecorous avowal; naivete-"I never saw grandmamma in my life. I cannot be expected to feel any grief for her death.'

"Perhaps not," said the aunt. why, then, make a show of that which you do not feel?" "On, it's the custom of the world. You

shocking not to go into very deep mourn-The young lady inherited a very nice legacy, too, from her grandmamma; and,

said, "I cannot weep for joy." Her mourning, in consequence, was of the deepest and most expensive kind, and of a black crape bonnet" as she skipped before the glass, admiring herself and it,

In contrast to the pretty young heiress,

A family who had long been burthened the prospect before him. rheumatic gout, and whose violent temper kept the whole house in awe, and/whom ing. He did not array himself in silk, and they dared not offend for fear of her leaving wool, and fine linen, and garments cut in hor wealth to strangers, were in the habit the most approved fashion of the day, like of devoutly vishing the old lady a happy our modern beaux and belles, when they release from her sufferings. testify to the public their grief for the loss long anticipated event at length took place, of relation or friend, in the most expensive the very servants were put into the deepest mourning. What a solemn farce-we

should say, lie-was this! The daughters of a wealthy farmer had cloth and ashes, as the most consistent de- prepared everything to attend the great agricultural provincial show. Unfortunately, a grandfather to whom they all seemed greatly attached, died most inconveniently the day before, and as they seldom keep a body in Canada over the second day, he was buried early in the morning of the one appointed for their journey. They the delicate skin of a fine lady; it could attended the remains to the grave, but after the funeral was over they put off their black garments and started for the show, and did not resume them until after their return. People may think this very shocking, but it was not the laying aside the black that was so, but the fact of their being able to go from the loneliness of the grave to a scene of gaiety. The black clothes had nothing to do with this want

same under a black or scarlet vestment. A gentleman in this neighborhood, since who now would have the fortitude and self- dead, who attended a public ball the same week that he had seen a lovely child conmourners in crape and French merino would | signed to the earth, would have remained

> deepest sables. No instance that I have narrated of the business-like manner in which Canadians treat death is more ridiculously striking

than the following:

The wife of a rich mechanic had a brother lying, it was supposed, at the point of death. His sister sent a note to me, requesting me to relinquish an engagement had made with a sewing girl in her favor, as she wanted her immediately to make up her mourning, the doctor having told her a necessary meal. Ah, this putting of a that her brother could not live many days. "Mrs. - is going to be beforehand poor family into black, and all the funeral trappings for pall bearers and mourners, with death," I said, as I gave the girl the what a terrible affair it is! what anxious desired release. "I have known instances thoughts! what bitter heart-aches it costs! of persons being too late with their mourn-

from his earthly toils, at amost complicated After a week the girl returned to her "No, ma'am, nor likely to die this time,

exertion must be made to do this. This such expensive mourning, and all for no The brother of this provident lady i alive to this day the husband of a very ily from actual want, until she could look pretty wife, and the father of a family

A NIGHT IN LONDON.

The streets of London, o be beheld in the very height of their glory, must be of obtaining this useless outward show of ing down to make the pavement greasy, the family, and that is expended upon the and when the heavy, lazy mist which hangs dead which might with careful management over every object, makes the gas lamps have kept the living from starving. Oh, look brighter and the brilliantly lighted
