One Hundredth Edition, (500,000), 18mo., pp. 250. [ON FINE PAPER, EXTRA HINDING, \$1.00.] A standard work of established reputation, found classed on the catalogues of the great trade sales in New York, Miladelphia, and other cities, and sold by the principal cokkellers in the United States. It was first published a 1847 since which time FIVE HUNDRED THOUSAND COPIES

ONE HUNDRED THOUSAND SENT BY MAIL. attesting the high estimation in which it is held as a re-liable popular Medical BOOK FOR EVERY FEMALE the author having devoted his exclusive attention to the treatment of complaints peculiar to females, in respect to which he is yearly consulted by thousands both in person and by letter.

Here every woman can discover, by comparing her own symptoms with those described, the nature, character, causes of, and the proper remedies for, her complaints. The wife about becoming a mother has often need of atruction and advice of the utmost imp ure health, in respect to which her sensitiveness for bids consulting a medical gentleman, will find such instruction and advice, and also explain many symptoms which otherwise would occasion anxiety or alarm as all the peculiarities incident to her situation are described. How many are suffering from obstructions or irregularitles peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice Many suffering from prolapsus uteri (falling of the womb), or from fluor albus (weakness, debility, &c.) Many are n constant agony for many months preceding confine ment. Many have difficult if not dangerous deliveries. and slow and uncertain recoveries. Some whose lives are hazarded during such time, will each find in its pages the

neans of prevention, amelioration and relief. It is of course impracticable to convey fully the various subjects treated of, as they are of a nature strictly intended for the married or those contemplating marriage Reader, are you a husband or a father? a wife or mother? Have you the sincere welfare of those you love at heart? Prove your sincerity, and lose no time in learning what causes interfere with their health and happiness not less than your own. It will avoid to you and yours, as it has to thousands, many a day of pain and anxiety, followed by sleepless nights, incapacitating the mind for its ordinary avocation, and exhausting those means for medical attendance, medicines and advertised nostrums which otherwise would provide for declining years, the infirmities of age and the proper education o

vour children. In consequence of the universal popularity of the work, as evidenced by its extraordinary sale, various impositions have been attempted, as well on booksellers as on the public, by imitations of title page, spurious editions, and surrepitious infringements of copyright, and other devices and deceptions, it has been found necessary, therefore to
