The Greatest Medical Discovery of the Age. Dr. KENNEDY, of Roxbury has discovered, in one of ou EVERY KIND OF HUMOR. from the worst Scrofula down to a common nimple

He has tried it in over 1100 cases, and never failed except n two cases, (both thunder humor.) He has now in his lossession over two hundred certificates of its virtue, all within twenty miles of Boston.
Two bottles are warranted to cure a nursing sore mouth.
One to-three bottles will cure the worst kind of Pimples
on the face.
Two to the bottles will clear the system of Biles.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly corruption of the skin.

Two to three bottles are warranted to cure the most des erate case of rheumatism.

Three to four bottles are warranted to cure the salt heum.

Five to eight bottles will cure the worst case of scrofula

A benefit is always experienced from the first bottle, and
a perfect cure is warranted when the above quantity is laken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case.—
So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it, but that sold another; after a trial it always speak for itself. There are two things about this herb that appear to me surprising first that it grows in our pastures, in some places quite in the plantiful, and yet its value has never been known until discovered it in 1846—second that it should cure all kinds of humor. discovered it in 1846—second that it should cure all kinds of humor.

In order to give some idea of the sudden rise, and great popularity of the discovery. I will state that in April. 1853, I peddled it and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day of it. Some of the wholessie Druggirts who have been in the business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was alof it than I have.

I know of several cases of Dropsy, all of them aged people cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the side. Diseases of the Spine, and particularly in disease, of the Kidneys, &c., the discovery has done more good than any medicine ever known.

No change of diet ever necessary—eat the best you get and enough of it.
