Columbia and Philadelphia Railroad.—
Superintendent's Office, Parkesburg, Aug. 25th, 1855. Traveling on Burthen Trains has become such a habit on this Road, that the undersigned has no other remedy to enforce the Resolution of the Board of Canal Commissioners, than to instruct the Despatchers, Watermen, Bridge Watchmen, and other Agents on the Road, to notice any Cars that may have passengers riding on them, and to return the name of the owners of the Cars, (and if possible the number of the Car) to the Collector's Office at which the Car or Cars are generally cleared. The Collector will charge toll, on the next clearance he may issue, at the rate of 2 cents per mile, for the whole distance of the road in the direction the Train was running from his office, or from the point whege the Passen.

from his office, or from the point where the Passenger was seen in the Cars.

Every assistance will be given by the officers of the Road, to prevent Passengers, Vagrants, and badboys from getting upon their Cars; and Engineers will stop their Trains at the notice of any Agents for the purpose of preventing persons from riding, when State Toll is not paid.

when State Toll is not paid.

Lar The fine of \$10 will be enforced against any Agent who severtes passengers in his Cars, or who does not give notice to a Collector that he has passengers aboard.

A police officer is stationed at the Railroad in Lancaster, and will apprehend idle and bad boys who may be lurking about the Road for the purpose of getting upon the Cars.

I carnestly solicit the co-operation of the Transporters, having Cars running on this Road, to instruct their Agents to permit no one to ride on their Cars—without at least giving notice to a Collector. Collectors have the same authority to collect toll on Passengers on burthen Cars as they have on freight, and can refuse giving a clearance unless toll on both are paid.

I am happy to say, that after using several bottles. I was cured of the ague, and have enjoyed good health since.—I had no ague or dyspepsia since August last. Mount Joy, May, 1855.

I have beeninfflicted with sore throat for some time, which was called Bronchita by physicians. They treated me with regular treatment but still I found no relief.—Your B!TTERS was recommended and when I commenced using it I felt by throat jesting better imy appetite increased, and my food agreed better with me. I was encouraged to continue with the BITTERS and now can say these BITTERS cured me. I would recommend J. Stamm's BITTERS to the afflicted, for I am confident that my sore throat came from my disordered stomach. My advice is, try it for Bronchitts and Dyspepsia.

Elder J. Stamm: I deem it an imperative duty to suffer. try it for Bronchitts and Dyspepsia.

C. M. MARTIN, Elder J. Stalin;—I deem it an imperative duty to suffering humanity, to recommend the use of your Vegetable Dyspepsia BITTERS to the public, as an invaluable remedy for that sordly distressing and extensively prevalent disease which its name indicates. Experience and observation compel no to speak of it in terms of the highest commendation it was myl-if-permanently cured by using about 6 bottles, though my stomach was so weak that it would retain nothing. I have known some of the most desperate and Jong standing cases to have been cured by it, and in no instance among the numerous cases that have come within the range of my knowledge, has its use failed to give immediate, and when persevered in, permanent relief, I feel no hesitancy in pronouncing it an infallible remedy for Dyspepsia.
