STARTLING, BUT TRUE

WHAT EVERY WOMAN SHOULD KNOW.

How often it happens, that the wife lingers from year to year in that pitiable condition as not even for one day to feel the happy and exhilarating influences incident to the enjoyment of health

THE BLOOMING BRIDE,

But a few years ago in the flush of health and youth, and buoyancy of spirits, rapidly, and apparently inexplicably, becomes a feeble, sickly, sallow, debilitated wife, with frame emaciated, nerves unstrung, spirits depressed, countenance bearing the impress of suffering, and an utter physical and mental prostration, arising from ignorance of the simplest and plainest rules of health as connected with the marriage state, the violation of which entails disease, suffering and misery, not only to the wife, but often

The remedy is by knowing the causes and avoiding them, and knowing the remedies, and benefiting by them. These are pointed out in

THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION,

BY DR. A. M. MAURICEAU,

PROFESSOR OF DISEASES OF WOMEN.

One Hundredth Edition, (500,000), 18mo., *pp.* 250.

[ON FINE PAPER, EXTRA BINDING, $1.00.]

A standard work of established reputation, found classed in the catalogues of the great trade sales in New York, Philadelphia, and other cities, and sold by the principal booksellers in the United States. It was first published in 1847, since which time

FIVE HUNDRED THOUSAND COPIES

have been sold, of which there were upwards of

ONE HUNDRED THOUSAND SENT BY MAIL,

attesting the high estimation in which it is held as a reliable popular Medical

BOOK FOR EVERY FEMALE

the author having devoted his exclusive attention to the treatment of complaints peculiar to females, in respect to which he is yearly consulted by thousands both in person and by letter.

Here every woman can discover, by comparing her own symptoms with those described, the nature, character, causes of, and the proper remedies for, her complaints.

The wife about becoming a mother has often need of instruction and advice of the utmost importance to her future health, in respect to which her squeamishness forbids consulting a medical gentleman, will find such instruction and advice, and also explain many symptoms which otherwise would occasion anxiety or alarm as all the peculiarities incident to her situation are described.

How many are suffering from obstructions or irregularities peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice. Many suffering from *prolapsus uteri* (falling of the womb), or from *fluor albus* (weakness, debility, &c.). Many are in constant agony for many months preceding confinement. Many have difficult if not dangerous deliveries, and slow and uncertain recoveries. Some whose lives are hazarded during such time, will each find in its pages the means of prevention, amelioration and relief.

It is of course impracticable to convey fully the various subjects treated of, as they are of a nature strictly intended for the married or those contemplating marriage.

Reader, are you a husband or a father? a wife or a mother? Have you the sincere welfare of those you love at heart? Prove your sincerity, and lose no time in learning what causes interfere with their health and happiness not less than your own. It will avoid to you and yours, as it has to thousands, many a day of pain and anxiety, followed by sleepless nights, incapacitating the mind for its ordinary avocation, and exhausting those means for medical attendance, medicines and advertised nostrums which otherwise would provide for declining years, the infirmities of age and the proper education of your children.

In consequence of the universal popularity of the work, as evidenced by its extraordinary sale, various impositions have been attempted, as well on booksellers as on the public, by imitations of title page, spurious editions, and surreptitious infringements of copyright, and other devices and deceptions, it has been found necessary, therefore, to

CAUTION THE PUBLIC

A Card.—DR. S. WELCHENS respectfully announces to his friends and the public generally, that he has purchased the entire stock and interest of the Drug and Medicine Store, formerly owned by Dr. Ziegler, in North Queen street, directly opposite the Franklin House.

In combining the Drug business with the practice of Dentistry, it is not his design to have one interfere with the general interests of the other; but by the employment of a careful and judicious hand, he feels that a superintendence of the interests of the store can be rendered, and by the practice of his profession strictly attended to in all its detail.

It would therefore solicit a continuance of the liberal patronage the store has heretofore had, and respectfully asks those of his friends both in the city and county who may want Drugs or Medicines, to call. It is his design to keep a large and well selected assortment of Drugs and Chemicals of every description, and warranted to be of the very best the market can afford.

The Greatest Medical Discovery of the Age.

Dr. KENNEDY, of Roxbury has discovered, in one of our common pasture weeds, a remedy that cures

EVERY KIND OF HUMOR,

from the worst Scrofula down to a common pimple.

He has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of Pimples on the face.

Two to three bottles will clear the system of Biles.

Two bottles are warranted to cure the worst canker in the mouth or stomach.

Three to five bottles are warranted to cure the worst case of Erysipelas.

One to two bottles are warranted to cure all humor in the Eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly corruption of the skin.

Two to three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure the most desperate case of rheumatism.

Three to four bottles are warranted to cure the salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case, so sure as water will extinguish fire so sure will this cure humor. I never sold a bottle of it, but that sold another; after a trial it always speak for itself. There are two things about this herb that appear to me surprising: first that it grows in our pastures, in such large quite plentiful, and yet its value has never been known until I discovered it in 1846—second that it should cure all kinds of humor.

In order to give some idea of the sudden rise, and great popularity of the discovery. I will state that in April, 1853, I peddled it and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day.

Some of the wholesale Druggists who have been in the business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy it it prove effectual in all cases of that awful malady—there are but few who have seen more of it than I have.

I know of several cases of Dropsy, all of them aged people cured by it. For the various diseases of the liver, sick headache, Dyspepsia, Asthma, Fever and Ague, Pain in the side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known.

No change of diet ever necessary—eat the best you get and enough of it.

Directions For Use.—Adults one table spoonful per day—Children over ten years dessert spoonful. Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

Spring and Summer Clothing.—Short Coats with long sleeves, long sleeves and short Coats. PANTALOONS that have actually got legs to them, but there appears to be no allowance for any other convenience. VESTS that positively have holes where the arms may rest at ease, but no danger of chafing the goods, as the muslin of the back extends sufficiently into the body to supply the deficiency of material. Gentlemen who are in want of clothing had better inquire before they buy of those who are not mechanics. Some men follow a trade they never learned. They cannot feel the Mechanic's honest pride and high ambition to excel in his legitimate business. Every man to his own trade is the old adage. The Clothing business in particular, is beset with individuals who were formerly Merchants, Peddlars, Tinkers and traders, who are now following a trade they never learned. We always feel happy when we see the Mechanic raise himself superior to those Vandals in business. The extensive business done at the

Lancaster Clothing Bazaar

this season is particularly gratifying because the Proprietor (JOSEPH GORMLEY) is not only a Gentleman, but a Mechanic, who has risen to the highest point of fame, always maintaining his reputation for the manufacture of superior clothing on the principle of large sales and small profits. We recommend all in want of good and cheap clothing to be Clothing House of JOSEPH GORMLEY, in N. Queen treet, No. 58 opposite the Franklin House, Reuben Weidler's. LANCASTER CLOTHING BAZAAR.

Man, Know Thyself.—An Invaluable Book for 25 cents.—

"Every Family should have a copy." 100,000 Copies sold in less than a year. A new edition, revised and improved, just issued.

Dr. Hunter's Medical Manual and hand book for the afflicted. Containing an outline of the origin, progress, treatment and cure of every form of disease contracted by promiscuous sexual intercourse, by self-abuse or by sexual excess, with advice for their prevention, written in a familiar style avoiding all medical technicalities, and everything that would offend the ear of decency; with an outline of complaints incident to Females, from the result of some twenty years' successful practice, exclusively devoted to the cure of diseases of a delicate or private nature.

To which is added receipts for the cure of the above diseases, and a treatise on the cause, symptoms and cure of the fever and ague.

Testimony of the Professor of Obstetrics in Penn College, Philadelphia.—Dr. Hunter's Medical Manual.—The author of this work, unlike the majority of those who advertise to cure the disease of which it treats is a graduate of one of the best Colleges in the United Stetes. It affords me pleasure to recommend him to the unfortunate, or to the victim of malpractice, as a successful and experienced practitioner, in whose honor and integrity they may place the greatest confidence.

Jos. S. LONGSHORE, M. D.

From A. Woodward, M. D., of Penn. University, Philadelphia.—It gives me pleasure to add my testimony to the professional ability of the Author of the "Medical Manual." Numerous cases of disease of the Genral Organs, some of them of long standing, have came under my notice, in which his skill has been manifest in restoring to perfect health, in cases where the patient has been considered beyond medical aid. In the treatment of Seminal weakness, or disarrangement of the functions produced by self-abuse, or excess or venery, I do not know his superior in the profession. I have been acquainted with the Author some thirty years, and deem it no more than justice to him as well as kindness to the unfortunate victim of early indiscretion, to recommend him as one in whose professional skill and integrity they may safely confide themselves. ALFRED WOODWARD, M. D.

"This is without exception, the most comprehensive and intelligent work published on the class of diseases of which it treats. Avoiding all technical terms, it addresses itself to the reason of its readers. It is free from all objectionable matter, and no parent, however fastidious, can object to placing it into the hands of his sons. The author has devoted many years to the treatment of the various complaints treated of, and, with too little breath to puff, and too little presumption to impose, he has offered to the world, at the merely nominal price of 25 cents, the fruit of some twenty years' most successful practice."—*Herald.*

"No mother or parent should be without the knowledge imparted in this invaluable work. It would save years of pain, mortification and sorrow to the youth under their charge."—*People's Advocate.*

A Presbyterian clergyman in Ohio, writing of "Hunter's Medical Manual" says:—"Thousands upon thousands of our youth, by evil example and influence of the passions, have been led into the habit of self-pollution, without realizing the sin and fearful consequences upon themselves and their posterity. The constitution of thousands who are raising families have been enfeebled, if not broken down, and they do not know the cause or the cure. Anything that can be done so to enlighten and influence the public mind as to check, and ultimately to remove this wide-spread source of human wretchedness, would confer the greatest blessing next to the religion of Jesus Christ, on the present and coming generations. Intemperance (or the use of intoxicating drinks) though it has slain thousands, is not a greater scourge to the human race. Accept my thanks on behalf of the afflicted, and, believe me, your co-worker in the good work you are so actively engaged in."

One copy (securely enveloped) will be forwarded free of postage, to any part of the United States for 25 cents, or six copies for $1. Address, (post paid) COSDEN & CO., Publishers, or box 196 Philadelphia.
