The remedy is by knowing the causes and avoiding tem, and knowing the remedies, and benefiting by them. These are pointed out in THE MARRIED WOMAN'S

Hero every woman can discover, by comparing her own symptoms with those described, the nature, character, causes of, and the proper remedies for, her complaints. The wife about becoming a mother has often need of instruction and advice of the utmost importance to her future health, in respect to which her sensitiveness forbids consulting a medical gentleman, will find such instruction and advice, and also explain many symptoms which otherwise would occasion anxiety or slarm as all the peculiarities incident to her situation are described How many are suffering from obstructions or irregularities peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice. Many suffering from prolapsus uteri (falling of the womb), or from fluor allows (weakness, debility, &c.) Many are in constant agony for many months preceding confine ment. Many have difficult if not dangerous daliveries, and slow and uncertain recoveries. Some whose lives are hazarded during such time, will each find in its pages the means of prevention, amelioration and relief.

It is of course impracticable to convey fully the variou subjects treated of, as they are of a nature strictly inended for the married or those contemplating marriage. Reader, are you a husband or a father? a wife or mother? Have you the sincere welfare of those you love Prove your sincarity, and lose no time in icarning what causes interfere with their health and happiness not less than your own. If you have contracted the terrible disease, which when

generation to another, undermining the constitution and
sapping the very vital fullids of life, do not trust yourself

well calculated to deceive the young and those not acquainted with their tricks. You cannot be too careful in the selection of a remedy in these cases.

THE FEUID EXTRACT BUGHU has been pronounced by eminent Physicians the greatest remedy ever known.—
It is a medicine perfectly pleasant in its taste and very innocent in its action, and yet so thorough that it annihilates every particle of the rank and poismous virus of this dreadful disease; and, unlike other remedies, it does not dry up the disease in the blood.

Constitutional Beblitty, brought on by self-abuse, a most terrible disease, which has brought thousands of the human race to untimely graves, thus blasting the brilliant hopes of parents, and blighting in the bud the glorious ambition of many a noble youth, can be cured by this infallible remedy. And as a medicine which must benefit everybody, from the simply delicate to the confined and despairing invalid, no equal is to be found, acting both as a Cure and Preventive.

HELMINOLD'S HIGHLY CONCENTRATED COMPOUND FLUID EXTRACT SARSAPARILLA, for purifying the Blood, removing all diseases arising from excess of Mercury, exposure plants in hypurdence in life, chronic constitutional disease, arising from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of Serofula, Salt Rheum, Scald Head, Illecrations of the Throat and Legs, Pains and Swellings of the Boses, Tetter, Plimples on the Face, and all Scaly Eruptions of the Skin.

Testimony of the Professor of Obstetries in Penn College, Philadelphia. Dr. Hanter's Medical Manual.—The author of this work, unlike the majority of those who advertise to cure the disease of which it treats in a graduate of one of the best Colleges in the United Stetes. It affords me pleasure to recommend him to the unfortunate, or to the wictim of malpractice, as a successful and experienced or majoractice, as a successful and experience practitioner, in whose honor and integrity they may place the greatest confidence.

Jos. S. Longsflore, M. D.

From A. Woodward, M. D., of Penn. University, Philadelphia.—It gives me pleasure to add my testimony to the professional ability of the Author of the "Medical Manual." Numerous cases of discount of the state of th of the 'Medical Mallan', Numer of them of long standing, have came under my notice, in which his skill has been manifest in restoring to perfect health, in cases where the patient has been considered beyond medical aid. In the treatment of Semeral Description of the control o health, in cases where the patient has been considered beyond medical aid. In the treatment of Seminal weakness, or disarrangement of the functions produced by self-abuse, or excess or venery; I do fot know his superior in the profession. I have been acquainted with the Author some thirty years, and deem it no more than justice to him as well as kindness to the unfortunate victim of early indiscretion, to recommend him as one in whose professional skill and integrity they may safely confident themselves.

Alfred Woodward, M. D.

This is without exception, the most comprehensive and intelligent work published on the class of diseases of which it treats. Avoiding all technical terms, it addresses itself to the reason of its readers. It is free from all objectionable matter, and no parent, however fastidious, can object to placing it into the hands of his souns. The author has devoted many years to the freatment of the various complaints treated of, and, with too little breath to puff, and too little presumption to impose, he has offered to the world, at the merely nominal price of 25 cents, the fruit of some twenty years' most successful practice. The object of this improvement is to prevent the clogging of the grain in the eye of the stones during high speed, even at two hundred revolutions in a miutte. Any kind of MOIST GRAIN, MIDDLINGS or CORN with the cob, which are liable to close the eye of the stones, can, by this invention, be conducted to the bottom stones and be supplied with fresh air—and the foul air is driven off, whilst at the same time the rapidity of the stones can be so much increased, as to perform the work accordingly. the stones can be so much interested.
