STARTLING, BUT TRUE WHAT EVERY WOMAN SHOULD KNOW.

How often it happens, that the wife lingers from ear to year in that pittable condition as not even or one day to feel the happy and arhitarating influ-nce incident to the enjoyment of health. THE BLOOMING BRIDE

THE BLOOMING BRADE,
But a few years ago in the flush of health and youth,

spirits depressed, countenance bearing the impress
of suffering, and an utter physical and mental prostration, arising from ignorance of the simplest and
plainest rules of health as connected with the marriage state, the violation of which entails disease,

And must this continue? Must this be? Is there no say? No relief? No hope?" e remedy is by knowing the causes and avoiding , and knowing the remedies, and benefiting by them. THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION,

BY DR. A. M. MAURICEAU, PROPEROR OF DISPASES OF WOMEN One Hundredth Edition, (500,000), 18mo., pp. 250. [ON FINE PAPER, EXTRA BINDING, \$1.00.] A standard work of established reputation, found classed the catalogues of the great trade sales in New York, illiadelphia, and other cities, and sold by the principal obssellers in the United States. It was first published 1847, since which time

FIVE HUNDRED THOUSAND COPIES a been soid, of which there were upwards of ONE HUNDRED THOUSAND SENT BY MAIL. BOOK FOR EVERY FEMALE the author having devoted his exclusive attention to the treatment of complaints peculiar to females, in respect to which he is yearly consulted by thousands both in person and by letters.

Hero every woman can discover, by comparing her own ymptoms with those described, the nature, character, uses of, and the proper remedies for, her complaints. The wife about becoming a mother has often need of nstruction and advice of the pimost importance to her future health, in respect to which her sensitiveness for oids consulting a medical gentleman, will find such instruction and advice, and also explain many symptoms which otherwise would occasion anxiety or alarm as all the peculiarities incident to her situation are described. How many are suffering from obstructions or irregularities peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice. Many suffering from prolapsus uteri (falling of the womb), or from fluor albus (weakness, debility, &c.) Many are n constant agony for many months preceding confine nent. Many have difficult if not dangerous deliveries, and slow and uncertain recoveries. Some whose lives ar hazarded during such time, will each find in its pages the

cans of prevention, amelioration and relief. It is of course impracticable to convey fully the various subjects treated of, as they are of a nature strictly in-Reader, are you a husband or a father? a wife or a mother? Have you the sincere welfare of those you love at heart? Prove your sincerity, and lose no time in earning what causes interfere with their health and happiness not less than your own. It will avaid to you and yours, as it has to thousands, many a day of pain and anxiety, followed by alcepless nights, incapacitating the aind for its ordinary avocation, and exhausting those means for medical attendance, medicines and advertised ostrums which otherwise would provide for declining years, the infirmities of age and the proper education o one children

In consequence of the universal popularity of the work, as ordereed by its extraordinary sale, various impositions have been untempted, as well on booksellers as on the public, by imitations of title page, spurious editions, and surreptitions infringements of copyright, and other devices and deceptions, it has been found necessary, therefore, its properties of the prope

The Greatest Medical Discovery of the

Age.
Dr. KENNEDY, of Roxbury has discovered, in one of our common pasture weeds, a remedy that cures
EVERY KIND OF HUMOR, the worst Scrofula down to a common pimple

He has tried it in over 1100 cases, and nover failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston. Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of Pimples i the face. Two to three bottles will clear the system of Biles. Two bottles are warranted to cure the worst canker in

the Eyes.
Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and nning ulcers. One bottle will cure scaly corruption of the skin. Two to threo bottles are warranted to cure the worst

ise of ringworm. Two to three bottles are warranted to cure the most deserate case of rhoumatism. Three to four bottles are warranted to cure the salt neum.
Five to eight bottles will cure the worst case of scrofula.
A benefit is always experienced from the first bottle, and
perfect cure is warranted when the above quantity is a perfect cure is warranted when the above quantity at taken.

Render, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case.—So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it, but that sold another; after a trial it always speak for itself. There are two things about this herb that appear to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1816—second that it should cure all kinds of humor.

of humor.

In ordor to give some idea of the sudden rise, and great popularity of the discovery. I will state that in April, 1853. I peddied it and sold about six bottles per day—in April, 1854. There is a universal praise of it from all quarters.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it prove effectual in all cases of that awful malady—there are but few who have seen more of it than I have.

I know of several cases of Dropsy, all of them aged people cured by it. For the various diseases of the Liver. Sick Headache, Dyspepsia, Asthma, Fever and Ague, Paln in the side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known.

FUND FLUID EXTRACT BUCHU, for Diseases of the Bladder and Kidneys, Secret Diseases, Strictures, Weaknesses, and all Diseases of the Sexual Organs, whether in male or female, from whatever cause theymay have originated and no matter of now long standing.

If you have contracted the terrible disease, which when once seated in the system, will surely go down from one generation to another, undermining the constitution and sapping the very vital fluids of life, do not trust yourself in the hands of Quacks. Who start up every day, in a city like this, and fill the papers with glaring falsehoods towell calculated to deceive the young and those not acquainted with their tricks. You cannot be too careful in the selection of a remedy in these cases.

THE FLUID EXTRACT BUCHU has been pronounced by eminent Physicians the greatest remedy ever known—It is a medicine perfectly pleasant in its taste and very innocent in its action, and yet so thorough that it annihilates every particle of the rank and poisonous virus of this dreadful disease; and, unlike other remedies, it does not dry up the disease in the blood.

Constitutional Debility, brought on by self-abuse, a most terrible disease, which has brought thousands of the human race to untimely graves, thus blasting the brilliant hopes of parents, and blighting in the bud the glorious ambition of many a noble youth, can be cured by this infallible remedy. And as a medicine which must benefit

despairing invalid, no equal is to be found, acting both as a Cure and Preventive.

HELMBOLD'S HIGHLY CONCENTRATED COMPOUND FLUID EXTRACT SARSAPARILLA, for purifying the Blood, removing all diseases arising from excess of Mercury, exposure and imprudence in life, chronic constitutional disease, arising from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of Scrofula, Salt Rheum, Scald Head, Ulgerations of the Throat and Legs, Pains and Swellings of the Bones, Tetter, Pimples on the Face, and all Scaly Eruptions of the Skin.

Tetter, Pimples on the Face, and all Scaly Eruptions of the Skin.

This article is now prescribed by some of the most distinguished Physicians in the country, and has proved more efficient in practice than any other any preparation of Sarsaparilla yet ofdered to the public. Several cases of secondary Syphilis, Mercurial and Scrofulons diseases have entirely recovered in the incurable wards of our Public Institutions which had for many years resisted every mode of treatment that could be devised. Those cases furnish striking examples of the salutary effects of this medicine in arresting some of the most inveterate diseases, after the glands were destroyed and the bones already affected.

AOTICE—Letters from responsible Physicians and Professors of several Medical Colleges, and certificates of cures from patients will be found accompanying both Preparations.

Improvement in Dentisiry.—A Manufactory for producing ontire sets of ARTHFICIAL TEETII, after Dr. Loomis' improved method is now established at No. 110 North Tenth at., Philadelphia. It consists of the entire set of Teeth, together with the gum and roof of the mouth, being one solid pieze, the whole being beautifully enameled with their appropriate colors. The teeth are worn with great comfort there being no cavities for the lodgement of particles of food, as there must always be in the old method of gold plate settings, however well it may be executed. Among the many advantages are cheapness, durability, cleanliness, and utility in masticating food.

The superiority of this method is very apparent. Those interested are invited to call and examine specimens, at DR. J. LUKEN'8 office, aug 28 8m 32

Jos. S. Longshore, M. D.,

From A. Woodward, M. D., of Penn. University, Philadelphia.—It gives me pleasure to add my testimony to the professional ability of the Author of the "Medical Manual." Numerous cases of disease of the Gental Organs, some of them of long standing, have came under my notice, in which his skill has been manifest in restoring to perfect health, in cases where the patient has been considered beyond medical aid. In the treatment of Seminal weakness, or disarrangement of the functions produced by self-abuse, or excess or venery, I do not know his superior in the profession. "This is without exception, the most of diseases of which it treats. Avoiding all technical ferms, it addresses itself to the reason of its readers. It is free from all objectionable matter, and no parent, however fastidious, can object to placing it into the hands of his sons. The author has devoted many years to the treatment of the has devote rection, to recommend him as one in whose professional skill and integrity they may safely confide themselves. Alfree Woodward, M. D. "This is without exception, the most comprehas devoted many years to the treatment of the various complaints treated of, and, with too little breath to puff, and too little presumption to impose, he has offered to the world, at the merely ominal price of 25 cents, the fruit of some twenty years' most successful practice."-Herald.

"No teacher or parent should be without the knowledge imparted in this invaluable work. It would save years of pain, mortification and sorrow to the youth under their charge."—People's Advo-A Presbyterian clergyman in Ohio, writing of 'Ilunter's Medical Manual' says:—" Thousands upon thousands of our youth, by evil example and influence of the passions, have been led into the habit of self-pollution, without realizing the sin and fearful consequences upon themselves and their posterity. The constitution of thousands who are raising families have been enfeebled, if not broken down, and they do not know the cause or the cure. Anything that can be done so to enlighten and influence the public mind as to check, and ultimately to remove this wide-spread source of high man wretchedness, would confer the greatest bles-sing next to the religion of Jesus Christ, on the present and coming generations. Intemperance (or the use of intoxicating drinks) though it has slain thousands, is not a greater scourge to the human race. Accept my thanks on behalf of the afflicted, and, believe me, your co-worker in the good work you are so actively engaged in."
