If you have contracted the terrible disease, which when once seated in the system, will surely go down from one generation to another, undermining the constitution and sapping the very vital fluids of life, do not trust yourself in the hands of Quacks, who start up every day in a city like this, and fill the papers with glaring falsehoods to well calculated to decelve the young and those not ac-quainted with their tricks. You cannot be too careful in the selection of a remedy in these cases. THE FLUID EXTRACT BUCHU has been pronounced by eminent Physicians the greatest remedy ever known.— It is a medicine perfectly pleasant in its taste and very in-nocent in its action, and yet so thorough that it annih-lates every particle of the rank and poisonous virus of this dreadful disease; and, unlike other remedies, it does not cry up the disease in the blood. Constitutional Deblity, brought on by self-abuse, a most terrible disease, and blighting in the bud the glorious andbiton of many a noble youth, can be cure by this in-disible remedy. The first cut in splitting the shingle from the block will produce or make the unfinished shingle smooth on the one side, and in the second process, the shaving knife will shave and make smooth and taper the other side of the shingle as required.
