STARTLING, BUT TRUE WHAT EVERY WOMAN SHOULD KNOW. How often it happens, that the wife lingers from year to year in that pitiable condition as not ever for one day to feel the happy and exhilarating influ-ence incident to the enjoyment of health.

THE BLOOMING BRIDE, But a few years ago in the flush of health and youth, and bnoyancy of spirits, rapidly, and apparently in-explicably, becomes a feeble, sickly, sallow, debili-tated wife, with frame emaciated, nerres unstrang, pirits depressed, countenance bearing the impression suffering, and an utter physical and mental profitation, arising from ignorance of the simplest and plainest rules of health as connected with the martine state of the state ration, arising from ignorance of the simplest and plainest rules of health as connected with the man-siage state, the violation of which entails disease, suffering and misery, not only to the wife, but often HEREDITARY COMPLAINTS UPON THE CHILDREN UNTO THE THIRD AND FOURTH GENERATION,

FROM THE PARENTS.

And must this continue? Must this be? Is there no remedy? No relief? No hope?"

The remedy is by knowing the causes and avoiding them, and knowing the remedies, and benefiting by them. These are pointed out in THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION,

Here every woman can discover, by comparing her own symptoms with those described, the nature, character, causes of, and the proper remedies for, her complaints. The wife about becoming a mother has often next of nstruction and advice of the utmost importance to her future health, in respect to which her sensitiveness for bids consulting a medical gentleman, will find such instruction and advice, and also explain many symptoms which otherwise would occasion anxiety or alarm as all the peculiarities incident to her situation are described. How many are suffering from obstructions or irregularities reculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice. I never sold a bottle of it, but that sold another; after a trial it always speak for itself. There are two things about this herb that appear to me surprising; first that it grows in our pastures, in some places quite pleutiful, and yet its value has never been known until I discovered it in 1846—second that it should cure all kinds of humor. f humor.
