STARTLING, BUT TRUE

WHAT EVERY WOMAN SHOULD KNOW.

How often it happens, that the wife lingers from year to year in that pitiable condition as not even for one day to feel the happy and exhilarating influence incident to the enjoyment of health.

THE BLOOMING BRIDE,

But a few years ago in the flush of health and youth, and buoyancy of spirits, rapidly, and apparently inexplicably, becomes a feeble, sickly, sallow, debilitated wife, with frame emaciated, nerves unstrung, spirits depressed, countenance bearing the impress of suffering, and an utter physical and mental prostration, arising from ignorance of the simplest and plainest rules of health as connected with the marriage state, the violation of which entails disease, suffering and misery, not only to the wife, but often

THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION,

BY DR. A. M. MAURICEAU,

PROFESSOR OF DISEASES OF WOMEN.

One Hundredth Edition, (500,000), 13mo., *pp.* 250.

[ON FINE PAPER, EXTRA BINDING, $1.00.]

A standard work of established reputation, found classed in the catalogues of the great trade sales in New York, Philadelphia, and other cities, and sold by the principal booksellers in the United States. It was first published in 1847, since which time

FIVE HUNDRED THOUSAND COPIES

have been sold, of which there were upwards of

ONE HUNDRED THOUSAND SENT BY MAIL,

attesting the high estimation in which it is held as a reliable popular Medical

BOOK FOR EVERY FEMALE

the author having devoted his exclusive attention to the treatment of complaints peculiar to females, in respect to which he is yearly consulted by thousands both in person and by letter.

Here every woman can discover, by comparing her own symptoms with those described, the nature, character, causes of, and the proper remedies for, her complaints.

The wife about becoming a mother has often need of instruction and advice of the utmost importance to her future health, in respect to which her sensitiveness forbids consulting a medical gentleman, will find such instruction and advice, and also explain many *symptoms* which otherwise would occasion anxiety or alarm as all the peculiarities incident to her situation are described.

How many are suffering from obstructions or irregularities peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice! Many suffering from *prolapsus uteri* (falling of the womb), or from *fluor albus* (weakness, debility, &c.) Many are in constant agony for many months preceding confinement. Many have difficult if not dangerous deliveries, and slow and uncertain recoveries. Some whose lives are hazarded during each time, will each find in its pages the means of prevention, amelioration and relief.

It is of a case impracticable to convey fully the various subjects treated of, as they are of a nature strictly intended for the married or those contemplating marriage.

Reader, are you a husband or a father? a wife or a mother? Have you the sincere welfare of those you love at heart? Prove your sincerity, and lose no time in learning what causes interfere with their health and happiness not less than your own. It will avail to you and yours, as it has to thousands, many a day of pain and anxiety, followed by sleepless nights, incapacitating the mind for its ordinary avocation, and exhausting those means for medical attendance, medicines and advertised nostrums which otherwise would provide for declining years, the education of age and the proper education of your children.

In consequence of the universal popularity of the work, as evidenced by its extraordinary sale, various unprincipled have been attempted, as well on booksellers as on the public, by imitations of title page, spurious editions, and surreptitious infringements of copyright, and other devices and deceptions, it has been found necessary, therefore, to

The Greatest Medical Discovery of the Age.

Dr. KENNEDY, of Roxbury has discovered, in one of our common pasture weeds, a remedy that cures

EVERY KIND OF HUMOR,

from the worst Scrofula down to a common pimple.

He has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of Pimples on the face.

Two to three bottles will clear the system of Biles.

Two bottles are warranted to cure the worst canker in the mouth or stomach.

Three to five bottles are warranted to cure the worst case of Erysipelas.

One to two bottles are warranted to cure all humor in the Eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly corruption of the skin.

Two to three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure the most desperate case of rheumatism.

Three to four bottles are warranted to cure the salt rheum.

Five to eight bottles will cure the worst case of scrofula. A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case.—Scrofula is water will extinguish fire, so sure will this cure humor. I never sold a bottle of it, but that sold another; after a trial it always spoke for itself. There are two things about this herb that appear to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1845—second that it should cure all kinds of humor.

In order to give some idea of the sudden rise, and great popularity of the discovery, I will state that in April, 1851, I peddled it and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day of it.

Some of the wholesale Druggists who have been in the business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors —but since its introduction as a general family medicine great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. Or, what a mercy it proves effectual in Cancer, that awful malady—there are but few who have seen more of it than I have.

I know of several cases of Dropsy, all of them aged people cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known.

No change of diet ever necessary—eat the best you get and enough of it.

DIRECTIONS FOR USE.—Adults one table spoonful per day —Children over ten years dessert spoonful. Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

If you have contracted the terrible disease, which when once seated in the system will surely be thrown from one generation to another, undermining the constitution and sapping the very vital fluids of life, do not trust yourself in the hands of Quacks, who start up every day in a city like this, and fill the papers with glaring falsehoods in regard to their wonderful cures, in order to deceive the young and those not acquainted with their tricks, but cannot be too careful in the selection of a remedy in these cases.

THE FLUID EXTRACT BUCHU has been pronounced by eminent physicians the greatest remedy ever known.—It is a medicine perfectly pleasant in its taste and very in its action and in all cases and to all constitutions it annihilates every particle of the rank and poisonous virus of this dreadful disease; and, unlike other remedies, it does not dry up the disease in the blood.

Constitutional Debility, brought on by solitude, is a most terrible disease, which has brought thousands of the human race to untimely graves, thus blasting the brilliant hopes of parents, and blighting in the bud the glorious anticipations of many a fond mother. This disease can by this infallible remedy. And as a medicine which must benefit everybody, from the simply delicate to the confined and despairing invalid, no equal is to be found, acting both as a Cure and Preventive of Disease.

HELMBOLD'S HIGHLY CONCENTRATED COMPOUND FLUID EXTRACT SARSAPARILLA, for purifying the Blood, removing all diseases arising from excess of Mercury, exposure and imprudence in life, chronic constitutional diseases, arising from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of Scrofula, Salt Rheum, Scald Head, Ulcerations of the Throat and Legs, Pains and Swellings of the Bones, Letter Pimples on the face, and all Scaly Eruptions of the Skin.

This article is now prescribed by some of the most distinguished Physicians in the country, and has proved more efficient in practice than any other any preparation of Sarsaparilla yet offered to the public. Several cases of secondary Syphilis, Mercurial and Scrofulous diseases have entirely recovered in the incurable wards of our Public Institutions which had for many years resisted every mode of treatment that could be devised. These cases furnish striking examples of the salutary effects of this medicine in arresting some of the most inveterate diseases, after the glands were destroyed and the bones already affected.

The hearts of those they love to warm,
Might live, might die, in bliss supreme.
Possessing all of which they dream.
The road to Wedlock would you know?
Delay not, but to ROUDOUT go.
Time flies, and from his gloomy wings
A shadow falls on living things:
Then seize the moments as they pass,
Ere fall the last sands through the glass;

A Lecture on Love, or a Private Advice to Married Ladies and Gentlemen.

This is decidedly the most fascinating, interesting and really useful and practical work on Courtship, Matrimony, and the duties and delights of Married Life, that has ever been issued from the American press. The artificial social system, which in so many instances prevents a union of hearts, and sacrifices in conventionalism the happiness and even the lives of thousands of the young and hopeful of both sexes, is thoroughly analysed and exposed. Every one who contemplates marriage, and wishes for an infallible guide in the selection of a partner for life, should purchase this great text book of connubial felicity.

No one will ever regret the price paid for such an invaluable secret.

Patent Ambrotypes.—The subscribers having purchased the exclusive right of Lancaster city, are now enabled to offer to the public a NEW STYLE OF PICTURES, far exceeding, in beauty and durability, anything ever before made. These pictures are not reversed, (as daguerreotypes are and may be seen in any light. They also possess the rare property of being IMPERISHABLE; being hermetically sealed between glass plates, which is secured by Letters Patent, in the United States, Great Britain and France, and practised in Lancaster city by *T. de B. CUMMINGS* only, over Sprecher & Bro's New Store, North Queen st., Lancaster.

EXPLANATION.

The term AMBROTYPE, by which these Pictures are designated: is derived from the Greek word *Ambrotos*, signifying indestructibility, permanency, &c. The picture is taken upon plates of glass, to which another plate of corresponding size is secured with an indestructible cement, by by which the picture will retain its original brilliancy for ages: it will not corrode by acids, nor be injured by water or climate. It is bold in its effect, beautiful in tone, surpasses any thing in the gradations of light and shade, and may be seen in any light. The public are cautioned against *imitations made on single plates of glass*, with the black varnish or shedlac contact with the Picture—such are not permanent, as the varnish must crack and destroy the Picture.

AMBROTYPE STEREOSCOPES MUST BE SEEN, to be appreciated—the relief being fully as perfect as life.

Citizens and Strangers are invited to call at the Ambrotype Gallery of the undersigned, and examine specimens before they procure Pictures elsewhere, as they are assured of polite attention.
