Prescrit? Historical Work.—Inst. published of the sixteenth certifuties, Maps. Places, &z. 7018. Octave.—The relign of Philip the Second, embracing the last half of the sixteenth certifuty, 45 one of the most important a will as interesting portions of our modern history. It is necessary to glance only as some of the principal events.—The War of the Netherlands—the model, so to say, of our own glorious war of the Reights of St. John; the brillilant career of Dea John of Austria, the hero of Lepansic the Coulxoit seventures of Don Schastian of Portugal; the compact of that by the Duke of Alba; Philip's union with Mary of Englad, and his wars with Elizabeth, with the story of the Invincible Armada; the Inquisition, with its train of wees; the rebellion of the Moriscos, and the crue manner in which it was avenged—these form some of the promisent topics in the foreground of the picture, which presents a crowd, of subordinate details of great interest in regard to the character and court of Philip and the institutions of Spala—then in the palmy days of her prosperity.

The materials for this vast theme were to be gathered from every part of Ruppe, and the author has, for many years been collecting them from the archives of different capitals. The archives of Simancas, in particular, unit very lately closed against even the native historian, has been the content of the corrections of Lancater, can be according to the content of Lancater, can be accorded to the content of Lancater, can be accorded to the content of Lancater, can be accorded to the content of the and see specimens of this truly beautiful invention.

THOMAS ELLMAKER'S

Drug & Chemical Store, West King st., Lancaster Patent Ambrotypes.—The subscribers having purchased the exclusive right of Lancaster city, are now enabled to offer to the public a NEW STILE OF PICTURES, for exceeding, in beauty and durability, anything ever be fore made. These pictures are not reversed, (as daguerrectypes areand may be seen in anylight. They also possess the rare property of being imperishant; being hermetteally scaled between glass plates; which is secured by Letters Patent, in the United States, Great Britain and France, and practised in Lancaster city by T. & W. CUMMINGS only, over Sprecher & Bro.'s, New Store, North Queen st., Lancaster.

ZEYSTONE STATE SAPORIFIER, OR

EXPLANATION.

The term AMBROTYPE, by which these Pictures are designated; is derived from the Greek word Ambruce, signifying indestructibility, permanency, &c. The Picture is taken upon plate glass, to which another plate of corresponding size is secured with an indestructible cement, by by which the picture will retain its original brilliancy for ages, it will not correde by acids, nor be injured by water or climate. It is bold in its effect, beautiful in tone, surpasses any thing in the gradations of light and shade, and may be seen in any light. The public are cautioned against indiations made on single plates of plates, with the cainst initiations made on single plates of plats, with the hack varish in immediate contact with the Picture, such are not permanent, as the varish must crack and estroy the Picture.

AMBROTYPE STERESCOPES MUST BE SEEN, to be appreciated—the relief being fully as perfect as life. Citizens and Strangers are juvited to call at the Ambrotype Gallery of the undersigned, and examine specimens before they procure Pictures elsewhere, as they are assured of polite attention.
