All who are in trouble, all who have been unfortu-Zate, deceived and trified with; all whose fond hopes have been crushed and blasted by faise promises; all who have had bad luck, fly to her for advice and satisfaction, from whatever cause, fly to her for relief and comfort. In love affairs she was never known to fail. She has the secret of winning the affections of the opposite sex. It is this fact which induces illiterate pretenders to try to initiate her.—She shows you the likeness of your future wife, husband, or absent friend.
