STARTLING, BUT TRUE WHAT EVERY WOMAN SHOULD KNOW. How often it happens, that the wife lingers from year to year in that pittable condition as not even for one day to feel the happy and exhitariting influence incident to the enjoyment of health:

THE BLOOMING BRIDE. But a few years ago in the flush of health and youth, and buoyancy of spirits, rapidly, and apparently in-explicably, becomes a feeble, sickly, sallow, debiliand bnoyancy of spirits, rapinly, and apparently active explicably, becomes a feeble, sickly, sallow, dobilitated wife, with frame emaciated, nerves unstrung, spirits depressed, countenance bearing the impress of suffering, and an utter physical and mental prostration, arising from ignorance of the simplest and plainest rules of health as connected with the marriage state, the violation of which entails disease, suffering and misery, not only to the wife, but often HEREDITARY COMPLAINTS UPON THE CHILDREN ." UNTO THE THIED AND FOURTH GENERATION,"

Transmitting CONSUMPTION, SCROFULA, HYPOCHONDRIA, INSANITY, GOUT, KING'S EVIL, and other and worse Diseases, as a DREADFUL INHERITANCE FROM THE PARENTS. And must this continue? Must this be? Is there no edy? No relief? No hope?"

THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION,

BY DR. A. M. HAURICEAU,
PROFESSOR OF DESCRIPTS OF WOMES.
One Hundredth Edition, (500,000), 18mo., pp. 250. for rise paper, exten expected, \$5.00.]

A standard work of established reputation, found classed the catalogues of the great trade sales in New York, highelphia, and other cities, and sold by the principal obsellers in the United States. It was first published whether the contract of the contract of

FIVE HUNDRED THOUSAND COPIES have been sold, of which there were upwards of ONE HUNDRED THOUSAND SENT BY MALL, attesting the high estimation in which it is held as a re-lable popular Medical BOOK FOR EVERY FEMALE the author having devoted his exclusive attention to the treatment of complaints peculiar to families, in respect to which he is yearly consulted by thousands both in person and by letter.

Here every woman can discover, by comparing her own symptoms with those described, the nature, character, uses of, and the proper remedies for, her complaints. The wife about becoming a mother has often need of struction and advice of the utmost importance to her uture health, in respect to which her sensitiveness forbids consulting a medical gentleman, will find such instruction and advice, and also explain many symptoms which otherwise would occasion anxiety or slarm as all the peculiarities incident to her situation are described. 3 How many are suffering from obstructions or irregular itles peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice. Many suffering from prolapsus uteri (falling of the womb), or from fluor albus (weakness, debility, &c.) Many are n constant agony for many months preceding confine ment. Many have difficult if not dangerous deliveries, and slow and uncertain recoveries. Some whose lives are hazarded during such time, will each find in its pages the

means of prevention, amelioration and relief. It is of course impracticable to convey fully the various subjects treated of, as they are of a nature strictly intended for the married or those contemplating marriage. Reader, are you a husband or a father? a wife or a mother? Have you the sincere welfare of those you love at heart? Prove your sincerity, and lose no time in icarning what causes interfere with their health and hap piness not less than your own. It will avoid to you and yours, as it has to thousands, many a day of pain and anxiety, followed by sleepless nights, incapacitating the mind for its ordinary avocation, and exhausting those means for medical attendance, medicines and advertised nostrums which otherwise would provide for declining years, the infirmities of age and the proper education of

your children In consequence of the universal popularity of the work, as evidenced by its extraordinary sale, various impositions have been attempted, as well on booksellers as on the public, by imitations of title page, spurious editions, and surreptitions infringements of copyright, and other devices and deceptions, it has been found necessary, therefore.

CAUTION THE PUBLIC to buy no book unless the words "Dr. A. M. MACKICTAU, 129 Liberty Street, N. Y.," is on (and the entry in the Clerk's Office on the back of) the title page; and buy only of respectable and honorable dealers, or send by mail, and address to Dr. A. M. Manticeau.

WILBOR'S COMPOUND OF PURE COD LIVER OIL AND LIME.

A Cura for Consumption. Coughs, Colds Asthma, Bronchitis, General Dability and Scrofulous Humors.

HAVE YOU TRIED IT.—This important question should be asked every invalid who is suffering from pulmonary troubles in this fickle climate. Have you tried WILBOR'S COMPOUND OF COD LIVER OIL AND LIME? It will not nauseate like the plain Oil, but is on the contrary, pleasant to the taste; moreover the Phosphate of Lime is, in this combination, a most remarkable aid to the healing properties of the pure Cod Liver Oil, as the following certificates (selected from a host of like great acknowledgments) will amply show. No person should neglect for a single hour a cough, or any affection of the lungs, lest the most serious consequences follow. Dr. Wilbor's "preparation is both simple, and sure in all ordinary cases, and has performed some surprising cures in decided consumption, where other mestical set has midel:—
Dr. Wilbor:—During nearly the whole of the past winter, I had suffered seriously with a cough, which so irritheted my lungs, that my physician frankly admitted his fear of consumption's following this trouble as the Spring weather set in. Medicine seemed to afford me little relief until I tried your preparation of Cod Liver Oil and Linuc. The effect I am forced by facts to admit, was almost magical, and I have the pleasure of saying at this writing. (May 2d, 1852) I am entirely free from any pulmonary trouble.

Helmbold's Genuine Preparations.—

HELMBOLD'S HIGHLY CONCENTRATED COMPOUND FLUID ENTRACT BUCHU, for Diseases of the
Bladder and Kidneys, Secret Diseases, Strictures, Weaknesses, and all Diseases of the Sexual Organs, whether in
male or fomale, from whetever case theymay, have originated and no matter of how long standing.

If you have contracted the terrible disease, which when
once seated in the system, will surely go down from one
generation to another, undermining the constitution and
sapping the very vital fluids of life, do not trust yourself
in the hands of Quacks, who start up every day in a city
like this, and fill the papers with glaring falsehoods too
well calculated to deceive the young and those not acquainted with their tricks. You cannot be too careful in
the selection of a remedy in these cases.

THE FLUID EXTRACT BUCHU has been pronounced
by eminent Physicians the greatest remedy ever known.—

THE FULUID EXTRACT BUOILU has been pronounced by eminent Physicians the greatest remedy ever known.—
It is a medicine perfectly pleasant in its taste and very innocent in its catcion, and yet so thorough that it annihilates every particle of the rank and poisonous virus of this dreadful disease; and, unlike other remedies, it does not dry up the disease in the blood.

Constitutional Debility, brought on by self-abuse, a most terrible disease, which has brought thousands of the human race to untimely graves, thus blasting the brilliant hopes of parents, and highting in the bud the glorious ambition of many a noble youth, can be cured by this infallible remedy. And as a medicine which must benefit everybody, from the simply delicate to the confined and despairing invalid, no equal is to be found, acting both as a Cure and Percentive.

despairing invalid, no equal is to be found, actung both as a Cure and Preventive.

HELMBOLD'S IlIGHLY CONCENTRATED COMPOUND FILUID EXTRACT SARSAPARILLA, for purifying the Blood, removing all diseases arising from excess of Mercury, exposure and inprudence in life, chronic constitutional diseases, arising from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of Scrofula, Salt Rheum, Scald Head, Ulcerations of the Throat and Legs. Pains and Swellings of the Bones, Tetter, Pimples on the Face, and all Scaly Bruptions of the Skin.

Tatter, Pimples on the Face, and all Scaly Bruptions of the Skin.

This article is now prescribed by some of the most dittinguished Physicians in the country, and has proved mor efficient in practice than any other any preparation of Sarsaparilla yet offered to the public. Several cases of secondary Syphilis, Mercurial and Scrofulous dissasses have entirely recevered in the incurable wards of our Public Institutions which had for many years resisted every mode of treatment that could be devised. These cases furnish striking examples of the salutary effects of this medicine in arresting some of the most inveterate diseases, after the glands were destroyed and the bones already affected.

NOTICE.—Latters from responsible Physicians and Professors of several Medical Colleges, and certificates of cures from patients will be found accompanying both Preparations.

A RTIFICIAL TEETH -A NEW MATERIA A RTIFICIAL TREBTH.—A NEW MATERIA A For Plate. The latest and best Invention of the Agt or S. WELCHENS would respectfully amounce to his partons and the public, that having purchased the right of this city and county to use Dr. Elayton's Patent Colored Gutta Percha, he is prepared to furnish Colored Gutta Percha, he is prepared to furnish for superior to any other now in use. The advantages are the ability of making a more pefect, fit, and a more natural and beamtiful job; and the material is vasily more congenial and more pleasant to be worn in the mouth than metal. All who have ever had it applied will have nothing elso.—It is impervious and perfectly indestructible by acids or a killes, and cannot be in the least affected by the salivator, of, or by anything taken into the mouth. I have tested

killes, and cannot be in the least affected by the sail va of, or by anything taken into the mouth. I have tested this by parting it into the strongest anua fortis, with no more effect from it than would be from water.

All who wish to try the Gutta Percha Teeth can have a set put in, and if they do not render perfect astisfaction they need not take them. Or if they are found not to stand the test of time, a pold set, of the very best character, will be inserted in exchange or the money will be refunded. Call at the office of Dr. S. Welchens, No. 34 Kramph's Buildings, North Queen street, for further information on this subject, and see specimens of this truly beautiful inventice.

\$37 Dentists wishing to purchase Office kights for the use of this Patent, in the city or county of Lancaster, can be accommodated by calling as above. Instructions will be given in the use of it.

N Concentrated Levy for Institute State St Patent Ambrotypes.—The subscribers having purchased the exclusive right of Lancaster city, are now enabled to offer to the public a NEW STILE OF PICTURES, far exceeding, in beauty and durability, anything ever be fore made. These pictures are not reversed, (as daguerreotypes areand may be seen in anylight. They also possess the rare property of being internstable, being hermetically scaled between class plates, which is secured by Letters Patent, in the United States, Great Britain and France, and practised in Lancaster city by T. & W. CUMMINGS only, over Sprecher & Bro.'s New Store, North Queen st., Lancaster.

EXPLANATION.

The term AMBROTYPE, by which these Pictures are designated; is derived from the Greek word Ambrodos, Fignifying indestructibility, permanency, &c. The Picture is taken upon plate glass, to which another plate of corresponding size is secured with an indestructible cement, by which the picture will retain its original brilliancy for ages, it will not corrode by acids, nor be injured by water or climate. It is bold in its effect, beautiful in tone, surpasses any thing in the gradations of light and shade, and may be seen in any light. The public are cautioned against imitations made on single plates of glass, with the Sinck varnish in immediate contact with the Picture—buch are not permanent, as the varhish must crack and destroy the Picture.

AMBROTYPE STERESCOPES MUST BE SEEN, to be appreciated—the relief being fully as perfect as life. Citizens and Strangers'are invited to call at the Ambrotype Gallery of the undersigned, and examine specimens before they procure Pictures elsewhere, as they are assured of polite attention.
