The weather is again unusually cold, and for the last t has been and disagreeable for out-door operations that the real was much needed by the growing crops, all chicago.) The Spring, Western travel had then comment of which are said to be in a healthy state. Business is very to the third and was much greater than we anticipated finding. luli, and our produce market presents no new feuture, or criterion by which to base future prices. The health of our city continues good.

One of the largest and most destructive fires with which One of the largest and most destructive lires with which our city has been visited for a long time occurred on Thursday last, in the burning of the City Hospital, one of the most beautiful structures of the kind in the Union— How the fire originated is yet a mystery, but it is generally nceded that it was the work of an incendiary. There were about one hundred inmates in the building when the we detained several weeks. The country generally along fire was first iscovered—sick, blind wounded and insanefire was first 'scoreed—sick, blind wounded and Insane—
all of whom were fortunately removed. One man, who was
all of whom were fortunately removed. One man, who was
insane, after being taken from the burning building in cultivated. Whilst there, the Commissioners appointed being taken from the burning building in safety, rushed back into the flames and perished. One or excitement incident to the occasion. The fire originated in he lecture room. The building had lately been

Park. The Park was heavily freighted-having on board taken for miles around the city, by pre-emptors, who most tow a barge loaded with dry pine lumber, a large proper a souri river is rising tion of which was shingles. The barge, with the beat, is a total loss. They both floated down the current and finally sunk in forty feet water. No lives were lost. The Park Attack upon Senator Sumner in the Senwas valued at \$27,000, and meured in Pittsburg for about one half, but no estimate has yet been put upon it. The Park was not, fortunately, a passenger boat, or we would

(millionaires the firm of Incas & Simonds, extensive College districts. of the State. As selected for State Senator. Two or three other Whigs are en the ticket for the most lucrative offices. Four Know-Nothings grace the State ficket of this party, and three Whigs the county ticket. This is an amagamation unprocedented in the annals of political history, and what ends this party wish to achieve, is altogether to an amagamation unprocedented in the annals of political history, and what ends this party wish to achieve, is altogether to an amagamatic political state of the senate of the s scure for the most learned to decide. For our part, we lar way, I must confess, for Democrats to act, and unless we are very much mistaken in the signs of the times, this nanceuver will be the means of placing the government of the State in the hands of our political enemies-the Know-

the only party, that has unmistakeably denounced Know- confident that our Government would entertain Nothingism; and while some of its members do not approve | similar feelings with regard to it. Mr. Buof the passage of the Nebraska act, they are content to leave it where it now rests. This party is and has been denounced as the Black Republican party of Missouri—why, or for what, we know not; but one thing is certain no such issue has yet been assumed by that party, and it is time amongh to attack it after such issues are made. We are and the such issues are made in the such issues are made. We are and the such issues are made in the such issues are made. We are and the such issues are made in the such issues are made. We are and the such issues are made in the such issues are made. We are and the such issues are made. enough to attack it after such issues are made. We are and always have been opposed to Know Nothingism and Black him there was no essential difference between tempt to distract or divide the Democratic party; and whe Bouton or the Anti-Bouton wing assumes the Black garb or any other than that of Democratic men and meas-

when some definite action will be taken, and the came | merston to extricate himself from the dilem can form an idea of the probable result. Mr. Fillmore and his little band are completely out of the

ring. The South as well as the North seem, now to be dissatisfied with the selection. In Tennessee much dissatisfaction is evinced at the nomination of Donelson. He is a man of no political popularity in his own State, as was iclearly shown at the last State election, when he threw his nfluence for the Know-Nothings-stumped the state and denounced Democracy, and yet the friends and supporters of "Old Hickory" repudiated his treacherous course and

To-day two weeks will be a great day in Cincinnatinitely named. We are now more confident than ever that the prize will fall to Pennsylvania, and there are good and strong reasons for such an assumption. Virginia, Pennsition : sylvania and New York can carry the electoral College to a certainty. The question then, is, who is the most likely to before us a list of the members and officers of unite the democratic forces in these States; no same man the last Assembly of this State, with their and the only man to a certainty that can carry the three States above named. With these 79 votes in the Domocratic question. Although Mr. Buchanan is a Northern man we

10WA CORRESPONDENCE.

Council Bluffs, Iowa, May 7, 1856. MISSES. EDITORS-Dear Sirs :- Since I left your city, (about two months ago.) I have been traveling almost 000, from the Montreal Telegraph line. His constantly. On our journey to the Mississippi, our observations were of no momentary consideration. We passed tree or four days fires were quite acceptable. Since Friday (at Pitteburg, Crestline, Indianapolis, Michigan City and Chicago.) The Spring, Western travel had then common New York house, wherehy he sustained, as On the Ohio and Penn'a. Railroad we had eight, and on the Michigan Central nine long passenger cars crowded. Our cline in the price of flour. passage south of Michigan City was much obstructed by snow banks and snow squalls. Lake Michigan was still a

ced my travels through this State, passing westward from Muscatine, through Iowa City, to Fort Des Moines. There the way we found very good, and well settled. The lands for location of the Capital of the State, and to the great others were more or less injured in the confusion and disastizaction of nine-tenths of Des Moines people, they fixed the location on the east side of the river. The town in mostly built on the west side, and the citizons charge the lecture soom. The building had lately been undergoing repair, and an extensive addition to the main building just completed. The whole coating the city over a hundred thousand dollars—insurance on same about \$25,000. The massive walls and the lower story, are still standing though more or less injured by the heat and water. The city has sustained a heavy loss in the destruction of this uneful as well as beautiful structure. It will be rebuilt at an early day. It was traly a sorrowful sight to see the site at the structure of the city, as was also the County Farm, both institutions were excepted and the invalid were taken to them.

On Saturday last (17th) was the seventh auniversary of the "Big Fire" in this city. During nearly the entire algebra the free bells were ring, and the freemen, with their somming up the Mississippi, and when a few miles above Carlot, took fire, and in the scholes were ring, and the freemen will stand the morals, and muny good and law-abilding Paop burnt to the water's edge. many instances that are daily coming to our knowledge of
its wonderful effects. It is no longer problematic, but is
self-sevient truth, as hundreds can testify.

Its wonderful effects. It is no longer promematic, our a self-evident truth, as hundreds can testify

Mr. H. Dyrs--Dear Sir; I have used two bottles of Prof. Wood's Hair Restorative, and can truly say it; the greatest discovery of the age for restoring and changing the Hair. Before using it I was a man of seventy. My hair has now attained its original color. Aon can resonmend it to the world without the least fear, as my care was one of the worst kind. Yours respectfully.

Carlitz, H., MURPHY CARLITZ, H., June 27.

I have used Prof. O. J. Wood's Hair Restorative, and have admired the wonderful effect. My hair was becoming, as I thought, prematurely gray, but by the use of his Restorative in has resumed its original rolor, and I have no doubt. Permanently so.

The Greatest Dispoyers of the Age.—It seldom occurs.

The Greatest Disswery of the Age. -It seldom occur

The Greatest Discovery of the Age.—It soldon occurs, that we notice, under any circumstances, patent medicines, restorative, or anything of the kind, for we have a prejudice against in st of them. But candor compels us to invite attention to the advertisement of frod. Wood's Hair Regionative. We are too juvenile to require anything of the kind, but some instances of its use have each to our knowledge which amost assure us that it is a sovereign remedy against the hair becoming premitarcity gray. It is not a "Hair Dye" but upon its application as directed, the effect is produced on the skin, which brings out the original natural appearance. We have seen persons who have used it, and they are much pleased with it.—Missonei Republican.
