STARTLING, BUT TRUE WHAT EVERY WOMAN SHOULD KNOW

How often it happens, that the wife lingers from year to year in that pitiable condition as not even for one day to feel the happy and exhilarating influ-snce incident to the enjoyment of health.

THE BLOOMING BRIDE. But a few years ago in the flush of health and youth, and baoyancy of spirits, rapidly, and apparently in-explicably, becomes a feeble, sickly, sallow, debili-tated wife, with frame emaciated, nerves unartung, spirits depressed, countenance bearing the impress of suffering, and an utter physical and mental pro-tration, arating from ignorance of the simplest and plainest rules of health as connected with the mar-inerv state, the violation of which entails disease. risge state, the violation of which entails disease ing and misery, not only to the wife, but ofter HEREDITARY COMPLAINTS UPON THE CHILDREN

BOOK FOR EVERY FEMALE the author having devoted his exclusive attention to the treatment of complaints peculiar to females, in respect to which he is yearly consulted by thousands both in person and by letter.

Here every woman can discover, by comparing her own symptoms with those described, the nature, character. causes of, and the proper remedies for, her complaints.

The wife about becoming a mother has often need of nstruction and advice of the utmost importance to her future health, in respect to which her sensitiveness for bids consulting a medical gentleman, will find such in struction and advice, and also explain many symptom which otherwise would occasion anxiety or slarm as all he peculiarities incident to her situation are described. How many are suffering from obstructions or irregular ities peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice hany suffering from prolapsus uters (falling of the womb). or from fluor albus (weakness, debility, &c.) Many are in constant agony for many months preceding confine ment. Many have difficult if not dangerous deliveries, and slow and uncertain recoveries. Some whose lives are hararded during such time, will each find in its pages the means of prevention. amelioration and relief.

It is of course impracticable to convey fully the various

subjects treated of, as they are of a nature strictly inended for the married or those contemplating marriage Beader, are you a husband or a fatherf a wife or a
