STARTLING, BUT TRUE WHAT EVERY WOMAN SHOULD KNOW.

FIVE HUNDRED THOUSAND COPIES ONE HUNDRED THOUSAND SENT BY MAIL, attesting the high estimation in which it is held as a reliable popular Medical BOOK FOR EVERY FEMALE the author having devoted his exclusive attention to the treatment of complaints peculiar to females, in respect to which he is yearly consulted by thousands both in person and by letter

Here every woman can discover, by comparing her own symptoms with those described, the nature, character. es of, and the proper remedies for, her complaints. The wife about becoming a mother has often need of instruction and advice of the utmost importance to her future health, in respect to which her sensitiveness for bids consulting a medical gentleman, will find such in struction and advice, and also explain many symptoms which otherwise would occasion anxiety or alarm as all the peculiarities incident to her situation are described. How many are suffering from obstructions or irregular

ities peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice Many suffering from prolapsus uteri (falling of the womb), or from fluor albus (weakness, debility, &c.) Many are n constant agony for many months preceding confine ment. Many have difficult if not dangerous deliveries, and alow and uncertain recoveries. Some whose lives are hararded during such time, will each find in its pages the

means of prevention, amelioration and relief. It is of course impracticable to convey fully the various subjects treated of, as they are of a nature strictly in tended for the married or those contemplating marriage. Reader, are you a husband or a father? a wife o mother? Have you the sincere welfare of those you love at heart? Prove your sincerity, and lose no time in learning what causes interfere with their health and happiness not less than your own. It will avoid to you and yours, as it has to thousands, many a day of pain and anxiety, followed by sleepless nights, incapacitating the mind for its ordinary avocation, and exhausting those means for medical attendance, medicines and advertised nostrums which otherwise would provide for declining years, the infirmities of age and the proper education of

WILBOR'S COMPOUND OF PURE COD LIVER OIL AND LIME. 

A Cure for Consumption, Coughs, Colds Asthma. Bronchitis, General Debility and Scrofulous Humors.

HAVE YOU TRIED IT.—This important question should be asked every invalid who is suffering from pulmonery troubles in this fickle climate. Have you tried WHLBOR'S COMPOUND OF COD LIVER OIL AND LIME? It will not nauseate like the pisto Oil, but is on the contrary, pleasant to the taste; moreover the Phosphate of Lime is, in this combination, a most remarkable aid to the healing properties of the pure Cod Liver Oil, as the following certificates (selected from a host of like great acknowledgments) will amply show. No person should neglect for a single hour a cough, or any affection of the lungs, lest the most serious consequences follow. Dr. Wilbor's preparation is both simple, and sure in all ordinary cases, and has performed some surprising cures in decided consumption, where other medical aid has failed :—

Dr. Wilbor:—During nearly the whole of the past winter, I had suffered seriously with a cough, which so irritated my lungs, that my physician frankly admitted his feat of consumptions. ter, I had suffered seriously with a cough, which so irritated my lungs, that my physician frankly admitted his feat
of consumption's following this trouble as the Spring
weather set in. Medicine seemed to afford me little relief
until I tried your preparation of Cod Liver Oil and Lime.
The effect I am forced by facts to admit, was slimest magical, and I have the pleasure of saying at this writing, (May
2d, 1852) I am entirely free from any pulmonary trouble.
With thanks to you for your valuable discovery, I cordi-

ally recommend it to those who are thus afflicted

This is decidedly the most faceluating, interesting and really useful and practical work on Courtship, Martimony, and the duties and delights of Married Life, that has ever been issued from the American press. The artificial social system, which in so many instances prevents a union of hearts, and saurifices in conventionalism the happiness and even the lives of thousands of the young and hopened of both sexes, is thoroughly analysed and exposed, therefore the interest of the selection of a partner for this, should purchase this great text book of commulial felicity.
