The ablest statesmen of the country were ad dressing the Democracy throughout the State, and it is es timated that their presence in that State has been worth. 20,000 votes to the Democratic nominees. This host of talent and statesmanship is now in our sister State of Illinois, doing yeoman service in the cause of Democracy ---On Thursday next a great outpouring of the people will take place at Springfield, III's; the ablest statesmen of the untry will be present to address the people. Such men as Gen. Cass, Jones, of Tennessee: Cobb,of Georgia; Toombs, Douglas, Harris, Richardson, Preston, of Kentucky, and it Douglas, Harris, inconstason, reason, or remaining the price.

Black Republicanism in these States is sink-ing under the powerful appeals to the masses by such men as we have named above-ther will wipe out the black spot before they cease their labors. Since the elections in Vermont and Maine, the conservative Whige as well as Know Nothings of Tennessee and Kentucky apprehend and see the great danger to which the country is threatened, are daily falling in the ranks of Democracy, and should the Blacks succeed in carrying one or two more Northern States the entire Fillmore party of the South will declare for Buchanan and Breckinridge. There does not now ad mit of a doubt that the entire South will cast a solid elec toral vote for James Buchanan, and we have too much confidence in and respect for the people of Pennsylvania to doubt for a moment but that they will do their duty to the country and to their State. We know the patriotism of the Whig partyof the old Keystone too well, to apprehend any other result from them than the good of the country. to which end we expect to see them battling in the present campaign. "State pride" has a powerful influence over the people of a State—look at the increased majority He rry Clay obtained in his own State, and where did that increase come from? Why State pride rallied thousands of Don. ocrats of Kentucky to the standard of Kentucky's favorite son; knowing this to be a fact, will the whigs, can the conservative whigs of Pennsylvania conscientiously and consistently vote against James Buchanan, whose charac ter as a man is unstained, and whose statesmanship and experience in the affairs of the Government both at home and abroad are acknowledged, not only Ponnsylvania (who know him best) but by the people of the whole country. Abolition Warfare.

The free-State men in Kansas no longer disguise the fact that they are in open rebel lion-in fact, they glory in it. The Spring field (Mass.) Republican, a freedom and Fremont shrieker, publishes a letter from Kansas, dated August 22, in which the writer says: "We are having war in earnest-four fights within the last five days, in all of which the free-State men were the assailants, and the victors! Four lives lost on our side, and some eight or ten badly wounded."
