STARTLING, BUT TRUE

WHAT EVERY WOMAN SHOULD KNOW. How often it happens, that the wife lingers from year to year in that pitiable condition as not even for one day to feel the happy and exhilarating influence incident to the enjoyment of health

THE BLOOMING BRIDE, THE BLOUMING BRIDE,
But a few years ago in the flush of health and youth,
and buoyancy of spirits, rapidly, and apparently inexplicably, becomes a feeble, sickly, sallow, debilitated wife, with frame emaciated, nerves unstrung,
spirits depressed, countenance bearing the impress
of suffering, and an atter physical and mental prostration, arising from ignorance of the simplest and
plainest rules of health as connected with the marriage state, the violation of which entails disease,
suffering and misery, not only to the wife, but often
membridging the count languages and property HEREDITARY COMPLAINTS UPON THE CHILDREN

FROM THE PARENTS.

"And must this continue? Must this be? Is there no remedy? No relief? No hope?"
The remedy is by knowing the causes and avoiding them, and knowing the remedies, and benefiting by them. These are pointed out in THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION,

BY DR. A. M. MAURICEAU, PROPERSOR OF DEBLASES OF WOMEN e Hundredth Edition, (500,000), 18mo., pp. 250. [OX FINE PAPER, EXTRA BINDING, \$1.00.] A standard work of established reputation, found classed in the catalogues of the great trade sales in New York Philadelphia, and other cities, and sold by the principal booksellers in the United States. It was first published on 1847, since which time

FIVE HUNDRED THOUSAND COPIES have been sold, of which there were upwards of ONE HUNDRED THOUSAND SENT BY MAIL. attesting the high estimation in which it is held as a re-liable popular Medical BOOK FOR EVERY FEMALE the author having devoted his exclusive attention to the treatment of complaints peculiar to females, in respect to which he is yearly consulted by thousands both in person and by letter.

Here every woman can discover, by comparing her own symptoms with those described, the nature, character. causes of, and the proper remedies for, her complaints The wife about becoming a mother has often need of nstruction and advice of the utmost importance to her future health, in respect to which her sensitiveness for bids consulting a medical gentleman, will find such in struction and advice, and also explain many symptoms the peculiarities incident to her situation are described. How many are suffering from obstructions or irregular ities peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice Many suffering from prolapsus uteri (falling of the womb), or from fluor allaus (weakness, debility, &c.) Many are in constant agony for many months preceding confine ment. Many have difficult if not dangerous deliveries and slow and uncertain recoveries. Some whose lives are hazarded during such time, will each find in its pages the neans of prevention, amelioration and relief.

It is of course impracticable to convey fully the various ended for the married or those contemplating marriage. Reader, are you a husband or a father? a wife or nother? Have you the sincers welfare of those you love at heart? From your sincerity, and lose no time in learning what causes interfere with their health and hap piness not less than your own It will avoid to you and veurs, as it has to thousands, many a day of pain and anxiety, followed by sleepless nights, incapacitating the mind for its ordinary avocation, and exhausting those means for medical attendance, medicines and advertised nostrums which otherwise would provide for declining years, the infirmities of age and the proper education o your children.

In consequence of the universal popularity of the work, as evidenced by its extraordinary sale, various impositions have been attempted, as well on booksellers as on the public, by initations of title page, spurious editions, and surreptitious infringements of copyright, and other devices and deceptions, it has been found necessary, therefore, to

WILBOR'S COMPOUND OF PURE COD LIVER OIL AND LIME.

A Cure for Consumption, Coughs, Colds Asthma, Bronchitts, General Debility and Scrofulous Humors.

HAVE YOU TRIED IT.—This important question should be asked every invalid who is suffering from pulmonary troubles in this fickle climate. Have you tried WILBOR'S COMPOUND OF COD LIVER OIL AND LIME? It will not expensely the the plain Oil Law is no the contrave. troublesin this field climate. Have you tried WILBOR'S COMPOUND OF COD LIVER OIL AND LIME? It will not nauscate like the plain Oil, but is on the contrary, pleasant to the taste; moreover the Phosphate of Lime is, in this combination, a most remarkable aid to the healing properties of the pure Cod Liver Oil, as the following certificates (selected from a host of like great acknowledgments) will amply show. No person should neglect for a single hour a cough, or any affection of the lungs, lest the most serious cousequences follow. Dr. Wilbor's preparation is both simple, and sure in all ordinary cases, and has performed some surprising cures in decided consumption, where other medical aid has failed:—

Dr. Wilbor:—During nearly the whole of the past winter, I had suffered seriously with a cough, which so irritated my lungs, that my physician frankly admitted his fear of consumption's following this trouble as the Spring weather, set in. Medicine seemed to afford me little relief until I tried your preparation of Cod Liver Oil and Lime. The effect I am forced by facts to admit, was almost magical, and I have the pleasure of saying at this writing, (May 2d, 1852) I am entirely free from any pulmonary trouble. With thanks to you for your valuable discovery, I cordially recommend it to those who are thus affliced:

Economy in cultivating and great productiveness are the well known characteristics of Illinois land. Trees are not required to be cut down, stumps grubbed, or stones picked off, as is generally the case in cultivating new land in the older States. The first crop of Indian corn, planted on the newly broken sod, usually repays the cost of plowing and fencing.

Wheat sown on the new turned soil is sure to yield very large profits. CATHARTIC PILLS

() PERATE by their powerful influence on the obstructions of the stomach, bowels, liver, and other obstructions of the stomach, lowers, niver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of danderangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give Directions for their use in the complaints which they have been found to cure. For Costiveness. — Take one or two Pills, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of PLLES, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved.

For Dyffersia, which is sometimes the cause of Costiveness, and always uncomfortable, take mild doses — from one to four — to stimulate the stomach and liver into healthy action. They will do it, and the heartburn, bodyburn, and soulburn of dyspepsia will rapidly disappear. When it has gone, don't

will rapidly disappear. When it has gone, don't forget what cured you.

For a Foul Stomach, or Morbid Inaction of the Bowels, which produces general depression of the spirits and bad health, take from four to eight Pills spirits and smaller doses afterwards, until activity and strength is restored to the system.

For Nervousness, Siok Haddache, Nausea, Pain in the Stomach, Back, or Side, take from four to eight pills on going to bed. If they do not operate sufficiently, take more the next day until they

ate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't wear these and their kindred disorders because your stomach is foul.

For Scropula, Erysipulas, and all Diseases of the Skin, take the Pills freely and frequently, to keep the bowels open. The eruptions will generally soon begin to dimnish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleaning.

system wants cleaning.

To PURITY THE BLOOD, they are the best medicine ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable diseases will be swept out of the system like chaff before the wind. By this property they do as much good in preventing sickness as by the remarkable cures which they are making every

LIVER COMPLAINT, JAUNDICE, and all Bilious Affections, arise from some derangement—either torpidity, congestion, or obstructions of the Liver Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhea, prevails. Feverish symptoms, languor, low spirits, weariness, restlossness, and melanchely, with sometimes inability to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious coic, bilious diarrhea, dysentery, &c. A medium dose of three or four Fills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents. Rheumatism, Gour, and all Inflammatory Fevers, are rapidly cured by the purifying effects of these Pills upon the blood and the stimulus which they afford to the vital principal of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely. As a DINMER FILL, this is both agreeable and useful. No Pill can be made more pleasant to take, and certainly none has been made more effectual to the purpose for which a dinner pill is enaployed. mined by no other cause. Indigestion is the symp-tom. Obstruction of the duct which empties the

TONICS WON'T DO!—They never did do more than give temporary-relief and they never will. It is because they don't touch the cause of the disease. The cause of all ague and billious diseases is the atmospheric poison called Minsma or Malaria. Neutralize this poison by its Natural Antidote, and all disease caused by it disappears at once. Rhodes' Fever and Ague Cure is this Antidote to Malaria, and moreover it is a perfectly harmless medicine. The certificate of the celebrated chemist, J. R. Chilton, of New York, to this effect, is attached to every bottle; therefore if it does no good it can do no harm.

This is more than can be said of Quinine, Arsenic, or any tonic in existence, as their use is ruinous to the constitution and brings on Dumb Ague, which never allows a person to feel perfectly well for a single moment. In illustration of these truths I annex some extracts from a letter just received from a Physician?

Guegerows, Ohio, March 18, 1856.

JAS. A. RHODES, Esq.—Dear Sir: Yours of 2d inst. is at hand. The Cure arrived late last year and the difficulty in getting any one to try it was greatly increased from the tho fact that a remedy had been introduced which was growing in favor with the public, as being better than using Quinine,—not knowing I presume that the remedy they used to secape taking Quinine, contained the Drug Itsell!

This remedy, (known as "Smith's Tonic,") would invaribly break an Ague, but it did not cure it, as fit would often return with renewed vigor. This one circumstance I deemed in your favor, if I could institute a test comparison between it and your cure. The following is the result:

Three persons took your "Cure," all of which were cases of "Quotidian Intermittent Pever," of manyweeks standing They had tried Quinine, and other remedies, occasionally missing a chill, but it was, (as in all such cases), slowly wearing them out, and laying the foundation for other and severer maladies. I did succeed in effecting a radical cure of all three of ted break the chin, which are the would return.

I think there will be no difficulty now in giving to your "Cure" the advantage ground of any other remedy now in use here, &, &c.

WILLIAM BUCKNER, M. D.

Rhode's Fever and Ague Cure, or Antidote to Maiaria, the only harmless remedy in existence, is equally certain as a preventive, as a "Cure." Take it when you feel the
