Chestruit Street, Philadelphia, whose choice products are found at almost every toilet, says:

"I am happy to say of your Cattarric Pills, that I have found them a better family medicine, for common use, than any other within my knowledge. Many of my friends have realized marked benefits from them, and coincide with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only effectual, but safe and pleasant to be taken—qualities which must make them valued by the public when they are known."

The venerable Chancellor WARDLAW writes from Baltimore, 15th April, 1854:

"Da. J. C. Ares.—Eur: I have taken your Pills with great benefit, for the listlessness, languor, loss of appetite, and Elikous headache, which has of late years operaken me in the spring. A few doses of your Pills cured me. I have used your Chenry Fectoral many years in my family for coughs and colds with unfailing success. You make medicines which care; and I feel it a pleasure to commend you for the good you have done and are doing."

JOHN F. BEATTY, ESq., Sec. of the Penn. Raifroad Co., says:

I am never without them in my family, nor shall? Pills. I am never without them in my family, nor shall I ever consent to be, while my means will procure them."

The widely renowned S. S. STEVENS, M. D., of Wentworth, N. H., writes:
"Having used your Cathartic Pills in my practice, I certify from experience that they are an invaluable purgative. In cases of disordered functions of the liver, causing headache, indigestion, costiveness, and the great variety of diseases that follow, they are a surer remedy is required, I confidently recommend these Pills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe—qualities which make them an invaluable article for public use. I have for many years known your Charry Pectoral as the best for many years known your Cherry Pectoral as the best Cough medicine in the world; and these Pills are in no wise Inferior to that admirable preparation for the treatment of diseases."

"Dr. J. C. Arra — Doar Sir: I have been afflicted from my birth with scrofula in its worst form, and now, after twenty years' triel, and a nuntol of amount of suffering, have been completely cured in a few weeks by your Pills. ong.

"Never until now have I been free from this loathsome disease in some shape. At times it attacked my eyes, and made me almost blind, besides the unendurable pain; at others it settled in the scalp of my head, and destroyed my hair, and has kept me partly haid all my days; sometimes it came out in my face, and kept it for months a raw sore "About nine weeks ago I commenced taking your Cathartic Pills, and now am entirely free from the complaint. My eyes are well, my skin is fair, and my hair has commenced a healthy growth; all of which makes me feel already a new person.

"Hoping this statement may be the means of conveying information that shall do good to others, I am, with every sendment of gratitude. Yours, &c.,

"I have known the above named Maria Ricker from her childhood, and her statement is strictly true.

Carr. JOEL PRATT, of the ship Marion, writes from Boaton, 20th April, 1854:

"Your Pills have cured me from a billous attack which aross from derangement of the Liver, which had become very seriods. I had failed of any relief by my Physician, and from every renedy I could try, but a few doses of your Pills have completely restored me to health. I have given them to my children for vorms, with the best effects. They were promptly cired. I recommended them to a friend for coativeness, which had troubled him for months; he told me in a few days they had cured him. You make the best medicine in the world; and I am free to say so."

Read this from the distinguished Solicitor of the Suprem Court, whose brilliant abilities have made him wel known, not only in this but the neighboring States. known, not only in this but the neighboring States.

"New Onleans, 5th April, 1854.

"Sir: I have great satisfaction in assuring you that myself and family have been very much benefited by your medicines. My wife was cured, two years since, of a severe and dangerous cough, by your Chenay Pecronal, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Influence and Croup by it. It is an invaluable remedy for these complaints. Your Cathartic Pills have entirely cured me from a dyspepsia and costiveness, which has grown upon me for some years,—indeed, this cure is much more important, from the fact that I had failed to get relief from the best Physicians which this section of the country affords, and from any of the numerous remedies I had taken.

"You seem to us, Doctor, like a providential blessing to our family, and you may well suppose we are not un mindful of it.

"Yours respectfully,

LEAVITT THANTER."

"Smate Chamber, Ohio, April 5th, 1854.

"Br. J. C. Ater — Honored Sir: I have made a thorough trial of the Catharte Pills, left me by your agent, and have been cured by them of the dreadful Rheumatism under which he found me suffering. The first disc relieved me, and a few subsequent does have entirely removed the disease. I feel in better health now thins for some years before, which I attribute entirely to the effects of your Catharte Pills. Yours with great respect, LUCIUS B. METCALE."

The Greatest Medical Discovery of the Age.

Dr. KENNEDY, of Roxbury has discovered, in common pasture weeds, a remedy that c

from the worst Scrofuls down to a common pimple. He has tried it in over 100 cases, and never failed except in two cases, (both thunder himor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston. Two to three bottles will clear the system of Biles. Two bottles are warranted to cure the worst canker in

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case.—So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it, but that sold another: after a trial it always speak for itself. There are two things about this herb that appear to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second that it should cure all kinds of humor.

of humor.

In order to give some idea of the sudden rise, and great popularity of the discovery. I will state that in April, 1853, I pedaled it and sold about six bottles per day—in April, 1864, I sold over one thousand bottles per day—in April, 1864, I sold over one thousand bottles per day of it; Some of the wholessle Druggirts who have been in the business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine great and wonderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottlos. O, what a mercy if it prove effectual in all cases of that awful malady—there are but few who have seen mor of it than I have. of it than I have.

I know of several cases of Dropsy, all of them aged people cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than

WILBOR'S COMPOUND OF PURE COD LIVER OIL AND LIME. 000

A Cure for Consumption, Coughs, Colds Asthma, Bronchitis, General Debility and Scrotulous Illumors.

HAVE YOU TRIED IT.—This important question should be asked every invalid who is suffering from pulmonary tronblest in this fickle climate. Have you tried WILBORS COMPOUND OF COD LIVER OIL AND LIME? It will not nusueate like the Islain Oil, but is on the contrary pleasant to the taste; moreover the Phosphate of Lime is, in this combination, a most remarkable aid to the healing properties of the pure Cod Liver (ii), as the following certificates (selected from a host of like great acknowledgements) will amply show. No person should neglect for a single hour a cough, or any affection of the lungs, lest the most serious consequences follow. Dr. Wilbor's preparation is both simple, and sure in all ordinary cases, and has performed some surprising cures in decided consumption, where other medical aid has failed.—

CATHARTIC PILLS

PERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American

gerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give Directions for their use in the complaints which they have been found to cure.

For Costiveness.— Take one or two Pills, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of Piles, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved.

For Dyspersia, which is sometimes the cause of Costiveness, and always uncomfortable, take mild doses—from one to four— to stimulate the stomach and liver into healthy action. They will do it, and the heartburn, bodyburn, and soulburn of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you.

For a Foul Stomach, or Morbid Inaction of the Spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

FOR NERVOUSNESS; SICK HEADACKE, NAUSEA, Pain in the Stomach, Back, or Side, take from four to eight pills on going to bed. If they do not operate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't wear these and their kindred disorders because your stomach is foul.

For Scropula, Eryspellas, and all Diseases of the Skin, take the Pills freely and frequently, to keep the bowels open. The cruptions will generally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health Patients! your duty to society forbids that you should parade you

they do as much good in preventing sickness as by the remarkable cures which they are making overy where.

Liver Complaint, Jaundice, and all Bilious Affections, arise from some derangement—either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhæa, prevails. Feverish symptoms, languor, low spirits, weariness, restlessness, and melancholy, with sometimes inability to sleep, and sometimes great drowsiness; sometimes there is swere pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarrhæa, dysentery, &c. A medium dose of three or four Fills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents. Rheumatism, Gour, and all Inflammatory Fevers, are rapidly cured by the purifying effects of these Fills upon the blood and the stimulus which they afford to the vital principal of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely.

As a Dinner Pill, this is both agreeable and useful. No Fill can be made more pleasant to take, and certainly none has oeen made more effectual to the purpose for which a dinner pill is eraployed.
