the remarkable cures which they are making every where. LIVER COMPLAINT, JAUNDICE, and all Bilious Affections, arise from some derangement — either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently under-mined by no other cause. Indigestion is the symp-tom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarthes, prevails. Feeriesh symptoms, languor, low spirits, wearinees, restlessness, and melancholy, with sometimes in-ability to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarthea, dysentery, &c. A medium dose of three or four Fills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is witched to suffer such pains when you can cure them for 25 cents. RHEUMATISM, GOUT, and all Infammatory Fe-vers, are rapidly cured by the purifying effects of these Fills upon the blood and the stimulus which they afford to the vital principal of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely. A s a DWAREN FILL, this is both agreesable and z : YEA5—Messrs. Anderson, Backus, Ball.
