STARTLING, BUT TRUE WHAT EVERY WOMAN SHOULD KNOW.

How often it happens, that the wife lingers from ear to year in that pitiable condition as not even ur one day to feel the happy and exhilarating influ-nce incident to the snjoyment of health THE BLOOMING BRIDE. BLOOMING BRIDE,
But a few years ago in the flush of health and youth,
and buoyancy of spirits, rapidly, and apparently inexplicably, becomes a feeble, sickly, sallow, debilitated wite, with frame emadated, nerves unstrung,
spirits depressed, countenance bearing the impress
of suffering, and an utter physical and mental prostration, arising from ignorance of the simplest and
plainest rules of health as counceted with the marriage state, the violation of which entails disease,
suffering and misery, not only to the wife, but often HEREDITARY COMPLAINTS UPON THE CHILDREN " UNTO THE THIRD AND POURTH GENERATION."

Transmitting Consciences, Schoppula,
HYPOCHONDRIA, INSANITY, GOUT,
KING'S EVIL, and other and
worse Diseases, as a DREADFUL INHERITANCE PROM THE PARENTS. "And must this continue? Must this be? Is there no continued? No relief? No hope?"

The remedy is by knowing the causee and avoiding them, and knowing the remedies, and benefiting by them. These are pointed out it.

THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION, BY DR. A. M MAURICEAU,

One Hundredth Edition, (500,000), 15mo., pp. 250 OF FUER PAPER, MESTEA MINDERG, \$1.00.]

FIVE HUNDRED THOUSAND COPIES ONE HUNDRED THOUSAND SENT BY MAIL. BOOK FOR EVERY FEMALE the author having devoted his exclusive attention to the treatment of complaints peculiar to females, in respect to which he is yearly consulted by thousands both in person and by letter.

Here every woman can discover, by comparing her own symptoms with those described, the nature, character, uses of, and the preper remedies for, her complaints. The wife about becoming a mother has often need of struction and advice of the atmost importance to her future health, in respect to which her sensitiveness for ids consulting a medical gentleman will find such intraction and advice, and also explain many symptoms which otherwise would occasion anxiety or siarm as all the peculiarities incident to her situation are described. How many are suffering from obstructions or irregulargies peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seaking medical advice. Many suffering from prolapsus uters (falling of the womb). from finor albus (weakness, debility, &c.) Many are in constant agony for many months preceding confine ent. Many have difficult if not dangerous deliveries. and slow and uncertain recoveries. Some whose lives are bararded during such time, will each find in its pages the neans of prevention, amelioration and relief.

It is of course impracticable to convey fully the variou subjects treated of, as they are of a nature strictly in Reader, are you a husband or a father? a wife or a mother? Have you the sincers welfare of those you love at heart? Prove your sincerity, and lose no time in searning what causes interfere with their health and hap piness not sess than your own. It will avoid to you and reurs, as it has to thousands, many a day of pain and anxiety, followed by sleepless nights, incapacitating the mind for its ordinary avocation, and exhausting those means for medical attendance, medicines and advertised nostrums which otherwise would provide for declining your children

In consequence of the universal popularity of the work, as evidenced by its extraordinary sale, various impositions have been attempted, as well on booksellers as on the public, by imitations of title page, spurious editions, and surreptitious infringements of copyright, and other derices and deceptions, it has been found necessary.

CAUTION THE PUBLIC to hay no book unless the words "fir. A. M. MACHICAC, 129 Liberty Street, N. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it, but that sold another; after a trialit always speak for itself. There are two things about this herb that appear to me surprising: .first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second that it should cure all kinds of humor.

In order to give some idea of the sudden rise, and great popularity of the discovery. I will state that in April, 1853, I peddled it and sold about six bottles per day—in April, 1864, I sold over one thousand bottles per day of it! Some of the wholessle Druggirts who have been in the business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine great and wouderful virtues have been found in it that I never suspected.

A Cure for Consumption, Coughs, Colds Asthma, Bronchitis, General Debility and Scrofulous Humors.

HAVE YOU TRIED IT.—This important question should be asked every lavalid who is suffering from pulmonary troubles in this fickle climate. Have you tried WILBOR'S COMPOUND OF COD LIVER OIL AND LIME? It will not naneate like the plain Oil, but is on the contrary, pleasant to the taste; moreover the Phosphate of Lime is, in this combination, a most remarkable aid to the healing properties of the pure Cod Liver Oil, as the following certificates (selected from a host of like great acknowledgments) will amply show. No person should neglect for a single hour a cough, or any affection of the lungs, lest the most serious consequences follow. Dr. Wilbor's preparation is both simple, and sure in all ordinary cases, and has performed some surprising cures in decided consumption, where other medical aid has failed:—

Dr. Wilbor:—During nearly the whole of the past winter, I had suffered scriously with a cough, which so irritated my lungs, that my physician frankly admitted his fear of consumption's following this trouble as the Spring weather set in. Medicine seemed to afford me little relief until I tried your preparation of Cod Liver Oil and Lime. The effect I am forced by facts to admit, was almost magisal, and I have the pleasure of saying at this writing, (May 24, 1862) I am entirely free from any pulmonary trouble. With thanks to you for your valuable discovery, I cordisally recommend it to those who are thus afflicted:

TONICS WON'T DO!—They never did do more than give temporary relief and they never will. It is because they don't touch the cause of the disease. The cause of all ague and billious diseases is the atmospheric poison called Miasma or Malaria. Neutralize this poison by its Natural Antidote, and all disease caused by it disappears at once. Rhodes' Fever and Ague Cure is this Antidote to Malaria, and moreover it is a perfectly harmless medicine. The certificate of the celebrated chemist, J. R. Chilton, of New York, to this offect, is attached to every bottle; therefore if it does no good it can do no harm.

This is more than can be said of Quinine, Arsenic, or any tonic in existence, as their use is ruinous to the constitution and brings on Dunb Ague, which never allows a person to feel perfectly well for a single moment. In illustration of these truths I annex some extracts from a letter just received from a Physician:

GEORGETOWN, Ohio, March 18, 1856.

JAS. A. RHODES, Esq.—Dear Sir: Yours of 2d inst. is at hand. The Cure arrived late last year and the difficulty in getting any one to try it was greatly increased from the the fact that a remely had been introduced which was growing in favor with the public, as being better than using Quiniue,—ont knowing I pressme that the remedy they used to escape taking Quinine, contained the Drug Inself! This remedy, (known as 'Smith's Tonic,') would invaribly break an Ague, but it did not cure it, as it would often return with renewed vigor. This one circumstance I deemed in your favor, if I could institute a test comparison between it and your cure. The following is the result:

Three persons took your "Cure," all of which were cases of "Quotidian Intermittent Fever," of mnayweeks standing They had fried Quinine, and other remedies, occasionally missing a chill, but it was, (as in all such cases,) slowly wearing the one out, and laying the foundation for other and severer maladies. I did succeed in effecting a radical cure of

CAUTION.—ASTROLOGY.—LOOK OUT:-Good News for All. The never failing Mrs. VANHORN is the very best; she is sure to succeed when all others have failed. All who are in trouble; all who have been unfortuzate, decived and trifled with; all whose fond hopes have been crushed and blasted by false promises; all who have had bad luck, fly to her for advice and satisfaction, from whatever cause, fly to her for relief and comfort. In love affairs she was never known to fail. She has the secret of winning the affections of the opposite sex. It is this fact which induces illiterate pretenders to try to imitate her.—She shows you the likeness of your future wife, husband, or absent friend.
