tice of the American people. RESOLVED, That we regard this as a distinctive feature of our political creed, which we are proud to maintain before the world, as the great moral element in a form of government springing from and upheld by the popular will; and we contrast it with the creed and practice of Federalism, under whatever name or form, which seeks to palsy the will of the constituent, and which conceives no imposture too monstrous for the popular credulity.

RESOLVED, THEREFORE, That, enterof this Union, through their delegates astogether in a spirit of concord, of devotion to the doctrines and faith of a free renresentative government, and appealing to their fellow-citizens for the rectitude of their intentions, renew and reassert before the American people the declaration of occasions, in general convention, they have presented their candidates for popular suff-

SIER'S LIFE. Pellissier, who was originally a private dragoon, subsequently held several impor-3. That the Democratic party will resist | tant commissions in the French army, and | 110 all attempts at renewing, in Congress or was, in 1839, nominated Lieutenant Colovisions of the army of Algiers. In 1840 he filled the same position in the division of the line, and was promoted to the rank of colonel and asssistant-chief-general of the staff in the Algerian army; and in 1845 he obtained a wide, though a very unenviable celebrity. The Arab Bou-Maxa; who styled himself "The Invulnerable," after inspiring the Kabyles with a blind confineration of the c most cruel means were unscrupulously resorted to. In this war, while carrying on combined operations in the west with the State purposes, nor would such assumption now relies to test the fidelity of the people, the late St. Arnaud, Pellissier was occupied with the pursuit of the Ouled Riahs, The latter, finding themselves hard pressed. the Federal Government to foster one 1. Resolved, That claiming fellowship took refuge in immense caverns which served them for houses, and where it would have been madness for the French troops

they chose. He then threw in letters offering them At first they refused, but afterwards conwas not agreed to, so more faggots were thrown in, and presently a violent dispute arose among the besieged as to the course they shonld pursue. The majority however, decided on enduring the worst; and a few of those who differed from them contrived to escape. Pellissier then employed some Arabs to induce them to surrender; but so determined were these Ouled Riahs to resist to the last, that they unhesitatingly fired on some of their women who attempted to escape from self-sacrifice.-Pellissier thereupon suspended the throwing of faggots, and sent a French officer to hold a parley with the enemy; but he was, it is said, received with a discharge of fire

At length, on the second night of this extraordinary siege—it was on the 19th of June-Pellissier scrupled no longer as to the means of victory. The fire was renewed, and rendered intense in heat; and, for a time, dreadful cries and agonizing shricks were heard from the wretched inmates of the the caverns. Then succeeded a silence, unbroken save by the crackling of the faggots and terribly significant in its import. The French troops on entering found five hundred dead bodies, men, wo-men and children; and 150 persons so near death by suffocating, that, though instantly brought to the open air, most of

When intelligence of this military transaction was conveyed to Paris, it created a profound sensation, and excited at once regret and indignation, though it was justified by Marshal Bugeaud as a "military necessity rendered imperative on Pelissier
