The Greatest Medical Discovery of the EVERY KIND OF HUMOR.

EVERY KIND OF HUMOR,
from the worst Servilla down to a common pimple.
He has tried it in over 1100 cases, and never falled except
in two cases, (both thunder humor.) He has now in his
possession over two hydred certificates of its virtue, ali
within twonty miles of Boston.
Two bottles are warranted to cure a nursing sere mouth.
One to three bottles will cure the worst kind of Pimples
on the face.

Two bottles are warranted to cure the worst case of Erysipelas.
One to two bottles are warranted to cure all humor in the Eyes.
Two bottles are warranted to cure running of the ears all high-had among the hair.

running uleers.
One bottle will cure scaly corruption of the skin.
Two to three bottles are warranted to cure the worst
case of ringworm.
Two to three bottles are warranted to cure the most des-

Three to four bottles are warranted to cure the salt rheum.

Five to eight bottles will cure the worst case of scrofula. A benefit is always experienced from the first bottle, and a perfect cure is warranted when the abova quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case,—Bo sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it, but that sold another; after a trial it always speak for itself. There are two things about this herb that appear to me surprising: first that it grows in our pastures, in some places quite pleutiful, and yet its value has never been known until I discovered it in 1846—second that it should cure all kinds of humor.

chacovered it in 1846—second that it should cure all kinds of humor.

In order to give some idea of the sudden rise, and grat popularity of the discovery. I will state that in April. 1853, I peddled it and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day of it. Some of the wholessie Drugirts who have been in the business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine great and wouderful virtues have been found in it that I never suspected.

of the Kidneys, &c., the discovery has done more good than any medicine ever known.

No change of diet ever necessary—eat the best you got and enough of it.

Discortors For USE.—Adults one table spoonful per day—Ohldren over ten years dessert spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

No person should neglect for a single hour a cough, or any affection of the lungs, leat the most serious consequences follow. Dr. Wilbor's preparation is both simple, and sure in all ordinary cases, and has performed some surprising cures in decided consumption, where other medical aid has failed:—

Dr. Wilbor:—During healty the whole of the past winter, I had suffered scriously with a cough, which so irritated my lungs, that my physician frankly admitted his fear of consumption's following this trouble as the Spring weather set in. Medicine seemed to afford me little rellef until I tried your preparation of Cod Liver Oil and Lime. The effect I am forced by facts to admit, was almost magical, and I have the pleasure of saying at this writing, (May 26), 1852) I am entirely free from any pulmonary trouble. With thanks to you for your valuable discovery, I cordinary consumend it to those who are thus afflicted:

CATHARTIC PILLS

OPERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give Directions for their use in the complaints which they have been found to cure. For Costiveness.—Take one or two Pills, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of PILES, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved.

For DYSPEPSIA, which is sometimes the cause of Costiveness, and always uncomfortable, take mild doses—from one to four—to stimulate the stomach and liver into healthy action. They will do it, and the hearthurn, badyburn, and sculburn of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you.

they do as much good in preventing sickness as by the remarkable cures which they are making every where.

Liver Complaint, Jaundice, and all Bilious Affections, arise from some derangement—cither torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhea, prevails. Feverish symptoms, languor, low spirits, weariness, restlessness, and melancholy, with sometimes inability to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarrhea, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents. RHSUMATISH, GOUT, and all Inflammatory Fevers, are rapidly cured by the purifying effects of these Pills upon the blood and the stimulus which they afford to the vital principal of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely.

As a Dinner Pill, this is both agreeable and useful. No Pill can be made more pleasant to take, and certainly none has oeen made more effectual to the purpose for which a dinner pill is employed.
