The Greatest Medical Discovery of the Age. Dr. KENNEDY, of Roxbury has discovered, in one common pasture weeds, a remedy that cures

EVERY KIND OF HUMOR, from the worst Scrofuls down to a common pimple. He has tried it in over 1100 cases, and never fulled except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of l'imples on the face.

Three to four bottles are warranted to cure the salt aken.

Raader, I peddled over a thousand bottles of this in the richity of Boston. I know the effect of it in every case.—

So sure as water will extinguish fire, so sure will this under humor. I never sold a bottle of it, but that sold an-

There are two things about this herb that appear to me surprising; first that it grows in our pastures. In some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second that it should cure all kinds of humor.

of humor.

In order to give some idea of the sudden rise, and great popularity of the discovery. I will state that in April. 1863, I peddied it and sold about six bottles per day—in April, 1864, I sold over one thousand bottles per day—in April, 1864, I sold over one thousand bottles per day of it! Some of the wholessle Druggirts who have been in the business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine great and wouderful virtues have been found in it that I never suspected.

For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the side, Diseases of the Spine, and particularly in diseases of the Kidneys, &c., the discovery has done more good than two modeling ever before the side.

WILBOR'S COMPOUND OF PURE COD LIVER OIL AND LIME.

A Cure for Consumption, Coughs, Colds Asthma, Brobchitis, General Debility and Scrofulous Humors.

HAVE YOU TRIED IT.—This important question should
be asked every invalid not is suffering from pulmonary
troubles in this fickle climate. Have you tried WILBOK'S
COMPOUND OF COD LIVER OIL AND LIME? It will
not nauseate like the plain Oil, but is on the contrary,
plassant to the tasts; moreover the Phosphate of Lime is,
in this combination, a most remarkable aid to the healing
properties of the pure Cod Liver Oil, as the following certificates (selected from a host of like great acknowledgments) will amply show. No person should neglect for a
single hour a cough, or any affection of the lungs, lest the
most serious consequences follow. Dr. Wilbor's preparation is both simple, and sure in all ordinary cases, and
has performed some surprising cures in decided consumpinnis) will amply show.

Ingle hour a cough, or any affection of the lungs, lest the ingle hour a cough, or any affection. Dr. Wilbor's preparation is both simple, and sure in all ordinary cases, and has performed some surprising cures in decided consumption, where other medical aid has failed—

Dr. Wilbor:—During nearly the whole of the past winter, I had suffered seriously with a cough, which so irritated, I had suffered seriously with a cough, which so irritated my lungs, that my physician frankly admitted his fear of consumption's following this trouble as the Spring weather set in Medicine seemed to afford me little relief until I tried your preparation of Cod Liver Oil and Lime. The effect I am forced by facts to admit, was almost magical, and I have the pleasure of saying at this writing, (May 2d, 1862) I am entirely free from any pulmonary trouble. With thanks to you for your valuable discovery, I cordinally recommend it to those who are thus afflicted:

J. R. STAFFORD'S OLIVE TAR.
A GREAT ELECTRICAL REMEDY FOR PREVENTING AND CURING ALL DISEASES OF THI:
THROAT AND LUNGS.

Olive Tar is Applied and inheled, and is not Taken.
DIRECTIONS.—Apply by rubbing where pain or disease exists: then cover the parts with a plaster made of olied Silk, to which stitch a thin layer of cotton butting; then cover the batting with thin mindlin. Cotton or woollen flannel may be used instead of the oliel silk plaster, but the operations of the remedy will not be as speedy, nor as effective. RECUIVA.
FOR INHALING.—Place a saucer over a bowl of hot water, and keep it hot;) pour into the saucer enough Olive Tar. or cover the bottom; the apartment will soon be filled with to odor, affording to the patient an atmosphere impregnated with the delightful blended aroma of

Renew the Olive Tar daily for Inheling by the above Another Method of Inhaling is to put Olive Tar ou the Oiled Silk Plaster, which being worn upon the chest, the heat of the bodywill cause the Olive Tar to evaporate gradually, and as it rises it will be inhaled. The Oiled Silk Plaster should be medicated with fresh Olive Tar svery other day. In acute cases, or in those of long standing, both of the above methods of inhalation should be used. By adhering to the above direction, the very worst forms of diseases of the Throat or Lungs, if not speedily cured, will be greatly relieved; while temporary Colds. Sord Throats, Inflamed Lungs, Catarrh, Croup Coughs, &c., &c., will yield at once to its combined curative powers.

STAFFORD'S OLCVE TAR softens and penetrates the skin: therefore in all all Chronic or active Inflammations it will be found highly beneficial, as it acts directly upon the Nortees, the Muscles and the Joints.

OIAVE TAR OINTMENT is made by mixing Olive Tar and Manton Tallow in equal pasks. This ointment is a positive cure for all diseases of the skin.

CATITARTIC PILLS

(PERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Alrianac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give Directious for their use in the complaints which they have been found to cure. For Costiveness.—Take one or two Pills, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of PILES, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved.

FUR DYSPEPSIA, which is sometimes the cause of Costiveness, and always uncomfortable, take mild doses—from one to four—to stimulate the stomach and liver into healthy action. They will do it, and the hearthurn, bodyburn, and soulburn of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you.

For a FOUL STOMACH, or Morbid Inaction of the Boicels, which produces general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

FOR NERVOUSNESS, SICK HEADACKE, NAUSEA, Pain in the Stomach, Back, or Side, take from four to eight pills on going to bed. If they do not operate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't wear these and their kindred disorders because your stomach is foul. CATHARTIC PILLS

they do as much good in preventing sicknesses as by the remarkable cures which they are making every where.

LIVER COMPLAINT, JAUNDICE, and all Billous Affections, arise from some derangement — either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhea, prevails. Feverish symptoms, languor, low spirits, wearintess, restlessness, and melancholy, with sometimes inability to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarrhea, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents.

RHEVANTISM, GOUT, and all Inflammatory Fevers, are rapidly cured by the purifying effects of these Pills upon the blood and the stimulus which they afford to the vital principal of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely.

As a DINNER PILL, this is both agreeable and useful. No Pill can be made more pleasant to take, and certainly none has ocen made more effectual to the purpose for which a dinner pill is employed.
