This ticket had on it Mr. Clover for Circuit Attorney, and Mr. Vollair, for Mr. Buckanan, and we are happy to add, were defeated. One of the tickness we now have in our possession-it was given us by a Benton man, and we are informed by a Benton man, that it was printed by Benton men, and endorsed and circulated by Benton men. All this we are ready to prove, or we should not nesorted to repurious lickets to accomplish the defeat of Buchanan h Missouri. We must add, however, that some few of the Benton men—not the leaders—voted for Mr. Buchanan, and did it with a hearty good will. Mr.
 Buchanan should and would have goue out of this county on it. This ticket was used among the Germans, and they for Mr. Buchanan, and did it with a hearty good will. Mr-both of East Hempfield. But we of the South and West have elected James Buchanan-nearly the entire North going against us; but the vote polled in the city of N. York, Brooklyn, Albany and the home of Fillmore-Buffalo, bestows a high compliment upon Mr. Buchanan, and one which the Democracy of those citles should feel justly proud. Indiana has proven herself true as steel-hor majorities are rolling in slowly. Illinois has not done so well-Fillmore polling a beggarly account of votes, nearly the entire K. N. party going over to Fremont; and the presumption is the Black Republicans have carried the State by a small majority, tho' there are many yet claim it for Buchanan, but we'do not. Kentucky, the home of the gallant Breckinridge, has proudly unfurled the Union banner—the State has gone for Buchanan by from 6 to 8000 majority. Tennessee by an increased vote over Johnson's, when he carried the State by 2000. Louis-iana has given 1500 certain for Buchanan. Alabama about 15,000. Georgia about 12,000. North Carolina about 10,-000. In short, Mr. Buchanan has swept every Souther State except Maryland, leaving Illinois, Jowa and Califor-nia, of the North, in doubt. Michigan has astonished us more than any other State—we regarded her as safe as Missouri. But, we have done enough, we have elected triumphanuty our candidates and that is all we proposes to do at the commencement of the campaign. We have met the enemy and they are ours. One week from this day we expect to be sporting a new suit from head to foot -which we will dub "Buck and Breck" harres, paid for at the expense of a Black Republican—on the old "Key-stone State," the Key of the Federal Arch! We must not forget to state that Col. Benton went, the polls and volet an *open ticket*, in the presence of alarge crowd, for BICKANAN and BRECKINFIDGE! We see that the "Wheatland Club" has been presented with a "baby-wake"—a cannon, and we have immerimed to Fremont; and the presumption is the Black Republicans have carried the State by a small majority, tho' there are

nated from Pennsylvania.

In our next we will have further returns to note of the In our next we will have further returns to note of the vote in the Southern States, and the indications are the majorities will be meta-dargor than at present reported.— We are foo much rejoiced at the success of our party—we are foo much rejoiced at the success of our party—we have elected our first choice to the Previdency and we are content.
