The Greatest Medical Discovery of the Age.

Dr. KENNEDY, of Roxbury has discovered, in one of our common pasture scents, a remedy that cures

EVERY KIND OF HUMOR, from the worst Scrofula down to a common pimple. He has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor). He has now in his fossession over two hundred certificates of its virtue, all within twenty miles of Boston. Two bottles are warranted to cure a nursing sore month. One to three bottles will cure the worst kind of Pimples on the face.

Two bothes are solved with club the system of Biles. Two bothes are warranted to cure the worst casker in the mouth or stomach. Three to fire bothes are warranted to cure the worst case of Erysipelas. One to two bothes are warranted to cure all humor in the Eyes. Two bothes are warranted to cure running of the ears and blotches among the hair. Four to six bothes are warranted to cure corrupt and runaing ulcers.

CATHARTIC PILLS

OPERATE by their powerful influence on the internal viscera to purify the blood and stimu-late it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dan-zerous diseases almost beyond belief, were ther not

persite case of rheumatism. Three to four bottless are warranted to cure the salt rbaum. Five to dight bottles will cure the worst case of scrofula. A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken. Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case.— So sure as water will exitinguish fire, so sure will this cure humor. I never sold a bottle of it, but that sold an-other; after a trial it always speak for itself. There are two things about this herb that appear to me surprising; first that it grows in our pastures, in some places quite plantiful, and yet its value has never been known until I discovered it in 1846—second that it should cure all kinds of humor. In order to give some idea of the sudden rise, and great popularity of the discovery. I will state that in April, 1853, I peddled it and sold about its bottles per day of it: Some of the wholesie Druggirts who have been in the business twenty and thirty years, say that nothing in the anals of platent médlenes was ever like it. There is a universal praise of it from all quarters. I m ord won practice I always kept it strictly for humors — but since its introduction as a general family medicino great and wonderful virtues have been found in it that I may considered incurable, have been cured by a few bot-tier. On what merce th it merce affectual in all carses of what more the incurable, have been cured by a few bot-tier. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dan-gerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring. Annexed we give *Directions* for their use in the complaints which they have been found to cure. For. COSTIVENESS. — Take one or two Pills, or such quantity as to gently move the bowels. Cos-tiveness - is frequently the aggravating cause of PILES, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved. Fon DYSPEFEIA, which is sometimes the cause of *Costiveness*, and always uncomfortable, take mild dose<sub>2</sub>—from one to four—to stimulate the stomach and liver into healthy action. They will do it, and the *hearthorn*, bodyburn, and scuburn of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you. For a Four StomActH, or Morbid Inaction of the Boneds, which produces general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the wastem. These complaints will be swept out from the system. Don't wear these and their kindred dis-orders because your stomach is foul. Fon SCNOFULA, ERYSTPELAS, and all Diseases of the Skin, take the Fills freely and frequently, to keep the bowels open. The cruptions will gener-ally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Fills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health Patientsi your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing.
