Our foreinthers were trained to the wisdom which conceived, and the courage which achieved inde-pendence by the circumstances which surrounded them, and they were thus made capable of the cre-ation of the republic. It devolved on the next ation of the republic. It devolved on the nex generation to consolidate the work of the revolution to deliver the country entirely from the influence of conflicting transatlantic partialities or antipa-thies, which attached to our colonisi and revoluthies, which attached to our colonial and revolu-tionary history, and to organize the practical opera-tion of the constitutional and legal institutions of the Union. To us, of this generation, remains the not less noble task of maintaining and extending the power of the United States. We have at length reached that stage of the national career, in which the dangers to be encountered, and the exer-tions to be made, are the incidents, not of weaktions to be made, are the incidents, not of wear-ness, but of strength. In our foreign relations we have to attemper our power to the less happy con-dition of other republics in America, and to place ourselves in the calmness and conscious dignity of right, by the side of the greatest and wealthiest of the empires of Europe. In our domestic relations, we have to grard against the shock of the discon-tents, the amplitions the interests, and the explorwe have to guard against the shock of the discon-tents, the ambitions, the interests, and the exuber-sut; and, therefore, sometimes irregular impulses of opinion, or of action, which are the natural product of the present political elevation, the self-reliance and the restless spirit of enterprise of the people of

### WILBOR'S COMPOUND OF PURE COD LIVER OIL AND LIME.

A Cure for Consumption, Coughs, Colds Asthma, Isronchitis, General Dability and Scrofulous Humora.

HAYE YOU TRIED IT.—This important question should be asked every invalid who is suffering from pulmonary troubles in this fickle climate. Have you tried WILBOR'S COMPOUND OF COD LIVER OIL AND LIME! It will not nauseate like the plain Oil, but is ou the contrary, pleasant to the tasts; moreover the Phosphate of Lime is, in this combination, a most remarkable aid to the healing properties of the pure Cod Liver Oil, as the following certificates (selected from a host of like great acknowledgments) will amply show. No person should neglect for a single hour a cough, or any affection of the lungs, lest the most serious consequences follow. Dr. Wilbor's preparation is both simple, and sure in all ordinary cases, and has performed some surprising cures in decided consumption, where other medical aid has failed:—

Dr. Wilbor:—During nearly the whole of the past winter, I had suffered seriously with a cough, which so irritated my lungs, that my physician frankly admitted his fear of consumption's following this trouble as the Spring weather set in. Medicine scemed to afford me little relief until I tried your preparation of Cod Liver Oil and Lime. The effect I am forced by facts to admit, was almost magical, and I have the pleasure of saying at this writing, (May 2d, 1852) I am entirely free from any pulmonary trouble. With thanks, to you for your valuable discovery, I cordially recommend it to those who are thus afflicted:

MARTIN C. HURD,

Chambor street, Boston.

N. B.—This compound does not nauseate like the clear Cod Liver Oil, but can be taken with pleasure by the most delicate females.

Be sure and get the genuine. Manufactured only by ALEX'R. B. WILBOR, Chemist

By adhering to the above direction, the very worst forms of diseases of the Throat or Lungs, if not speedily cured, will be greatly relieved; while temporary Colds, Sore Throats, Infiamed Lungs, Catarrh, Croup Coughs, &c., &c., will yield at once to its combined curative powers.

STAFFORD'S OLCYE TAR softens and penetrates the skin; therefore in all all Chronic or active Inflammations it will be found highly beneficial, as it acts directly upon the Nerves, the Muscles and the Joints.

OLIVE TAR OINTMENT is made by mixing Olive Tar and Mutton Tallow in equal parts. This Ointment is a positive cure for all diseases of the skin.

Many of my friends have realized marked benefits from them, and co-incide with me in believing that they possess extraordinary rittues for driving out diseases and curing the sick. The venerable Chancellor WARDLAW writes from Baltimore, 15th April, 1854:

"Dr. J. C. Aves — Sir: I have taken your Pills with great benefit, for the listlessness, languor, loss of appetite, and Bilious headache, which has of late years overtaken me in the spring. A few doses of your Pills cured me. I have used your Chetry Pectoral many years in my family for coughs and colds with unfailing success. You make medicines which cure; and I feel it a pleasure to commend you for the good you have done and are doing."

The widely renowned S. S. STEVENS, M. D., of Wentworth, N. H., writes:

Having used your Cathabtic Pills in my practice, I certify from experience that they are an invaluable purgative. In cases of disordered functions of the liver, causing headache, indigestion, contiveness, and the great variety of diseases that follow, they are a surer remedy than any other. In all cases where a purgaive remedy is required, I confidently recommend these Pills to the public, as superior to any other I have ever found. They are sure if their operation, and perfectly as for many vears known your Charry Pecdoral as the best Cough melicine in the world; and these Pills are in no wise inferior to that admirable preparation for the treatment of diseases."

De. J. C. Ayra — Dear Sir: I have been affixed from my hirth with "crofula in its worst form, and now, after twenty years' trial, and an untold of amount of suffaring, have been completely cured in a few weeks by your Pilis. With what feelings of rejoicing I write can only be imagined when you realize what I have suffered, and how long.

"Never until now have I been free from this loathsome disease in some shape. At times it attacked my eyes, and made me almost blind, besides the unendurable pain; at others it settled in the scalp of my head, and destroyed my hair, and has kept me partly baid all my days; sometimes it came out in my face, and kept it for months a raw sore "About nine weeks ago I commenced taking your Cathartic Pilis, and now am entirely free from the complaint. My eyes are well, my skin is fair, and my hair has commenced a healthy growth; all of which makes me feel already a new person.

"Your Pills have tured me from a billous attack which arose from derangement of the Liver, which had become very serious. I lad failed of any relief by my Physician, and from every remedy I could try; but a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best effects. They were promptly cured. I recommended them to a friend for costiveness, which had troubled him for months; he told me in a few days they had cured him. You make the best medicine in the world; and I am free to say so."

Read this from the distinguished Solicitor of the Supreme Court, whose brilliant abilities have made him well known, not only in this but the neighboring States.

"Sir: I have great satisfaction in assuring you that myself and family have been very much benefited by your medicines. My wife was cured, two years since, of a severe and dangerous cough, by your Cherry Pecroal, and since then has enjoyed perfect health. My children have several times been cuted from attacks of the Influenza and Croup by it. It is an invaluable remedy for these complaints. Your Cherrarie Fills have entirely cured me from a dyspepsia and continenses, which has grown upon me for some years,—indeed, this cure is much more important, from the fact that I had failed to get relief from the best Physicians which his section of the country affords, and from any of the numerous remedies I had taken.
