## WILBOR'S COMPOUND OF PURE COD LIVER OIL AND LIME.

A Cure for Consumption, Coughs, Colds Asthms, Brouchitte, General Debility and Scrofulous Humors.

HAVE YOU TRIED IT.—This important question should be asked every invalid who is suffering from pulmonary troubles in this fields climate. Have you ried WILDOR'S COMPOUND OF COL LIVER OIL AND LINE? It will troubles in this fickle climate. Have you tried WILBOR'S COMPOUND OF COD LIVER OIL AND LIME? It will not nansate like the plain Oil, but is on the contrary, pleasant to the taste; moreover the Phosphate of Lime is, in this combination, a most remarkable aid to the healing properties of the pure Cod Liver Oil, as the following certificates (selected from a host of like great acknowledgmains) will amply show. No person abould neglect for a single hour a cough, or any affection of the lungs, lest the most serious consequences follow. Dr. Wilbor's preparation is both simple, and sure in all ordinary cases, and has performed some surprising cures in decided consumption, where other medical aid has falled:

Dr. Wilbor:—During nearly the whole of the past winter, I had suffered soriously with a cough, which so irritated my lungs, that my physician frankly admitted his fear of consumption's following this trouble as the Spring weather set in. Medicine seemed to afford me little relief until I tried your preparation of Cod Liver Oil and Lime. The effect I am forced by facts to admit, was "almost magical, and I have the pleasure of saying at this writing, (July 24, 1832) I am entirely free from any pulmonary trouble. With thanks to you for your valuable discovery, I cordially recommend it to those who are thus afflicted:

He has now in his casession over two hundred certificates of its virtue, all ithin twenty miles of Boston. ithin twenty miles of boson. Two bottles are warranted to cure a nursing sore mouth. Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the affect of it in every case.—
So sure as water will extinguish fire, so rure will this cure humor. I never sold a bottle of it, but that sold another; after a trial it always speak for itself. There are two things about this herb that appear to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second that it should cure all kinds of humor.

of humor.

In order to give some idea of the sudden rise, and great popularity of the discovery. I will state that in April, 1853, I peddled it and sold about six bottles per day—in April, 1864, I sold over one thousand bottles per day—in Horizon of the wholessle Druggirts who have been in the business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine great and wonderful virtues have been found in it that I never supported.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it prove been cured in all cases of that awful maiady—there are but few who have seen mor of it than I have.

I know of several cases of Dropsy, all of them aged peo-le cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in he side. J. R. STAFFORD'S OLIVE TAR.

A GREAT ELECTRICAL REMEDY FOR PREVENTING AND CURING ALL DISEASES OF THE THROAT AND LUNGS.

Olive Tar is Applied and Inhaled, and is not Taken. DIRECTIONS.—Apply by cubbing where pain or disease exists: then cover the parts with a plaster made of oiled Silk, to which stitch a thin layer of cotton batting; then cover the batting with thin muslin. Cotton or woollen flannel may be used instead of the oiled silk plaster, but the operations of the remedy will not be as speedy, nor as effective. officitive.

FOR INMAING.—Place a saucer over a bowl of hot water, and keep it hot;) pour into the saucer enough Olive Tar, to cover the bottom; the spartment will soon be filled with its odor, affording to the patient an atmosphere impregnated with the delightful blended aroma of The Olive and of the Pine.

Renew the Olive Tar daily for Inhaling by the above method.

Another Method of Inhaling is to put Olive Tar on the Alnother Method of Inhaling is to put Olive Tar on the Alnother Method of Inhaling worn upon the chest, the heat of the bodywill cause the Olive Tar to evaporate gradually, and as it rises it will be inhaled. The Olide Slik Plaster should be medicated with fresh Olive Tar every other day. In acute cases, or in those of long standing, both of the above methods of Ishalatjon should be used. By adhering to the above direction, the very worst forms of diseases of the Throat or Lungs, if not speedily cured, will be greatly relieved; while temporary Colds, Sore Throats, Inflamed Lungs, Catarrh, Group Coughs, &c., &c., will yield at once to its combined curative powers. Throsts, inlismed Lungs, Calarri, troup coughs, &c., &c., will yield at once to its combined curative powers.

STAFFORD'S OLCYE TAR softens and penetrates the skin; therefore in all all Chronic or active inflammations it will be found highly beneficial, as it acts directly upon the Nerves, the Muscles and the Joints.

CATHARTIC PILLS () PERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give Directions for their use in the complaints which they have been found to cure.

FOR COSTIVEESS.—Take one or two Pills, or such quantity as to gently move the bowels. Costuch quantity as to gently move the bowels.

FOR COSTIVENESS.—Take one or two Fills, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of Piles, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it on be, promptly relieved.

For Dyspersia, which is sometimes the cause

of Costiveness, and always uncomfortable, take mild doses — from one to four — to stimulate the stomach and liver into healthy action. They will do it, and the hearthurn, bodyburn, and soulburn of dyspepsia the hearthurn, bodyburn, and souldurn of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you. For a FOUL STOMACH, or Morbid Inaction of the Bowels, which produces general depression of the spirits and bad health, take from four to eight Pills

at first, and smaller doses afterwards, until activit and strength is restored to the system.

FOR NERVOUSNESS, SICK HEADACHE, NAUSHA,
Pain in the Stomach, Back, or Side, take from four
to eight pillg on going to bed. If they do not operate sufficiently, take more the next day until they to eight pills on going to bed. If they do not operate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't wear these and their kindred disorders because your stomach is foul.

For Schopula, Envirplias, and all Diseases of the Skin, take the Pills freely and frequently, to keep the bowels open. The eruptions will generally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence. leaving the sufferer in perfect health Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing.

To PURIFY THE BLOOD, they are the best medicine ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable diseases will be swept out of the system like chaff before the wind. By this property they do as much good in preventing sickness as by the remarkable cures which they are making every where.

Liver Complaint, Jaundick, and all Bilious

Affections, arise from some derangement—either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undersited the processor of the constitution is frequently undersited the cons health, and the constitution is frequently under-mined by no other cause. Indigestion is the symp-tom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhea, prevails. Feverish symptoms, languor, low spirits, weariness, restlessness, and melancholy, with sometimes in-ability to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colie, bilious diarrhea, dysentery, &c. A medium dose of three diarrhea, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents.

Rheumatism, Gout, and all Inflammatory Feters, are rapidly cured by the purifying effects of these Pills upon the blood and the stimulus which they afford to the vital principal of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely.

As a DINNER PILL, this is both agrecable and useful. No Pill can be made more pleasant to take, and certainly none has peen made more effectual to

and certainly none has oeen made more effectual to the purpose for which a dinner pill is employed. PREPARED BY DR. J. C. AYER & CO., Practical and Analytical Chemists, LOWELL, MASS.,

EXPLANATION.

The term AMBROTYPE, by which these Pictures are designated; is derived from the Greek word Ambrocis, signifying indestructibility, permanency, &c. The Picture is taken upon plate glass, to which another plate of corresponding size is secured with an indestructible cement, by by which the picture will retain its original prilliancy for ages; it will not corrode by acids, nor be injured by water or climate. It is boid in its effect, beautiful in tone, surpasses any thing in the gradations of light and shade, and may be seen in any light. The public are cautioned against imitations made on single plates of glass, with the Slack varnish in immediate contact with the Picture—buch are not permanent, as the varnish must crack and destroy the Picture.
