a perfect cure is warranted when the above quantity is aken. Baader, I peddled over a thousand bottles of this in the richity of Boston. I know the effect of it in every cure. So-sure as water will extinguish fire, so sure will this cure humor. Inever sold a bottle of it, but that sold an other; after a trial it always speak for itself. There are two things about this herb that appear to me surprising: first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until discovered it in 1846-second that it should cure all kinds of humor.

of humor. In order to give some idea of the sudden rise, and great popularity of the discovery. I will state that in April, 1853, I peddled it and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day of it. Are curing the Sick to an extent never before known of any Medicine.

INVALIDS, READ AND JUDGE FOR YOURSELVES

JULES HAUEL, Esq., the well known perfumer, of Chestnut Street, Philadelphia, whose choice products are found at almost every toilet, says: "I am happy to say of your CATHARTIC PILLS, that I have found them a better family medicine, for common use, than any other within my knowledge. Many of my friend- have realized marked benefits from them, and co-incide with me in believing that they possess extraordinary incide with use in believing that they posses extraordinary virtues for driving out diseases and curing the sick. They are not only effectual, but safe and pleasant to be taken — qualities which must make them valued by the public when they are known."

EXPLANATION. The term AMBROTYPE, by which these Pictures are designated; is derived from the Greek word Ambrotos, sig-mifying indestructibility, permanency. &c. The Picture is taken upon plate glass, to which another plate of corres-ponding size is secured with an indestructible cement, by by which the picture will retain its original brilliancy for ages; it will not corrode by acids, nor be injured by water or climate. It is boid in its effect, beautiful in tone, surpasses any thing in the gredations of light and shade, and may be seen in any light. The public are cautioned against invisions made on single plates of glass, with the Slack varnish in immediate contact with the Picture.— buch are not permanent, as the varnish must crack and destroy the Picture. AMBROTYPE STERESCOPES MUST BE SPEN, to be appreciated—the reliaf being fully as perfect as life. Citizens and Strangers are invited to call at the Ambro-type Gallery of the undersigned, and examine specimens before they procure Pictures elsewhere, as they are assured of polite attention.
