## STARTLING, BUT TRUE

WHAT EVERY WOMAN SHOULD KNOW

How often it happens, that the wife lingers from year to year in that pitiable condition as not even tor one day to feel the happy and exhilarating influence incident to the enjoyment of health. THE BLOOMING BRIDE.

But a few years ago in the finah of health and youth, and buoyancy of spirits, rapidly, and apparently in-explicably, becomes a feeble, nokly, sallow, debili-tated wife, with frame emaciated, nerves unstrung, eseron white, which are smeanaced, herves unstrung, spiritis depressed, countenance bearing the impress of suffering, and an utter physical and mental protection, arising from ignorance of the simplest and plainest rules of health as connected with the marriage state, the violation of which entails disease, suffering and misery, not only to the wife, but often BEREDITARY COMPLAINTS UPON THE CHILDREN " UNTO THE THIRD AND POURTH GENERATION." DREADFUL INHERITANCE FROM THE PARENTS. "And must this continue? Must this be? Is there no temedy? No relief? No hope?"
The remedy is by knowing the causes and avoiding them, and knowing the remedies, and benefiting by them. These are pointed out in

## WILBOR'S COMPOUND OF PURE COD LIVER OIL AND LIME.

A Cure for Consumption, Coughs, Colds Asthma, Brouchitis, General Debility and Scrofulous Humors.

HAVE YOU TRIED IT.—This important question should be asked every invalid who is suffering from pulmonary troubles in this fickle climate. Have you tried WILBOR'S COMPOUND OF COD LIVER OIL AND LIME? It will not nauseate like the plain foil, but is on the contrary, pleasant to the taste; moreover the Phosphate of Linre is, in this combination, a most remarkable aid to the healing properties of the pure Cod Liver Oil, as the following certificates (selected from a host of like great acknowledgments) will amply show. No person should neglect for a single hour a cough, or any affection of the lunga, lest the most serious consequences follow. Dr. Wilbor's preparation is both simple, and sure in all ordinary cases, and has performed some surprising cures in decided consumption, where other medical aid has failed:—

Dr. Wilbor:—During nearly the whole of the past winter, I had suffered seriously with a cough, which so irritated my lungs, that my physician frankly admitted his form of consumptions following this trouble as the Spring wather set in. Medicine seemed to afford me little relief until I tried your preparation of Cod Liver Oil and Lime. The effect I am forced by facts to admit, was almost magical, and I have the pleasure of saying at this writing, (May 24, 1852) I am entirely free from any pulmonary trouble. With thanks to you for your valuable discovery, I cordially recommend it to those who are thus afflicted:

MARTIN C. HURD, Chamber street, Doston.

The Greatest Medical Discovery of the Age. KENNEDY, of Rexbury has discovered, in one of our common pasture weeds, a remedy that cures

Five to eight bottles will cure the worst case of scrofula. A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case.—So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it, but that sold another: after a trial it always speak for itself. There are two things about this herb that appear to me surprising first that it grows in our pastures, in some places quite plentiful. and yet its value has never been known until discovered it in 1946—second that it should cure all kinds of humor.

discovered it in 1846—second that it should cure all kinds of humor.

In order to give some idea of the sudden rise, and great popularity of the discovery. I will state that in April. 1853, I peddled it and sold about aix bottles per day—in April, 1854, I sold over one thousand bottles per day of it Some of the wholessle Druggirits who have been in the business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine great and wouderful virtues have been found in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it prove effectual in all cases of that awful malady—there are but few who have seen mor of it than I have.

I know of several cases of Dropsy, all of them aged people cured by it. For the various diseases of the Liver. Sick Headache. Dyspepsia, Asthma. Fever and Acue. Pain in the side. Another Method of Inhaling is to put Olive Tar on the Olided Silk Plaster, which being worn upon the chest, the heat of the bodywill cause the Olive Tar to evaporate gradually, and as it rises it will be inhaled. CATHARTIC PILLS () PERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregula action to health, correct, wherever they exist, such derangements as are the first causes of disease derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give Directions for their first in the complaints which they have been found for the Costiveness. Take one or from Pills, or such quantity as to gently move the bowels. Costive quantity as to gently move the bowels. FOR COSTIVENESS.— Take one or two Pills, or such quantity as to gently more the bowels. Costiveness is frequently the aggravating cause of PILES, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved.

FOR DYSTEPSIA, which is sometimes the cause of Costiveness, and always uncomfortable, take mild doses—from one to four—to stimulate the stomach and liver into healthy action. They will do it, and the hearthurn, bodyburn, and soulburn of dyspepsia will rapidly disappear. When it has gone, don't

on't wear these and their kindred disorders because your stomach is foul.

For Scropula. Errstpellas, and all Diseases of the Skin, take the Pills freely and frequently, to keep the bowels open. The eruptions will generally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing.

To Purify the Blood, they are the best medicine ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable diseases will be swept out of the system like chaff before the wind. By this property they do as much good in preventing sickness as by the remarkable cures which they are making every

they do as much good in prevening sickness as by the remarkable cures which they are making every where.

Liver Complaint, Jaundice, and all Bilious Affections, arise from some derangement—either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhea, prevails. Peverish symptoms, languor, low spirits, weariness, reatlessness, and melancholy, with sometimes in ability to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarrhea, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents.

Rheumatish, Gour, and all Inflammatory Feers, are rapidly cured by the purifying effects of these Pills upon the blood and the stimulus which they afford to the vital principal of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely.

As a Dinner Pill, this is both agreeable and useful. No Pill can be made more pleasant to take, and certainly none has oeen made more effectual to the purpose for which a dinner pill is eraployed.
