WILBOR'S COMPOUND OF PURE COD LIVER OIL AND LIME.

A Cure for Consumption, Coughs, Colds Asthma, Bronchitts, General Debility and Scrofulous Humors.

HAVE YOU TRIED IT.—This important question should be asked every invalid who is suffering from pulmonary troubles in this fickle climate. Have you tried WILBOICS COMPOUND OF COD LIVER OIL AND LIME? It will not naussate like the plain Oil, but is on the contrary, GOMPOUND OF COD LIVER OIL AND LIME? It will not nausate like the plain Oil, but is on the contrary, pleasant to the taste; moreover the Phosphato of Lime is, in this combination, a most remarkable aid to the healing properties of the pure Cod Liver Oil, as the following certificates (selected from a host of like great acknowledgments) will amply show. No person should neglect for a single hour a cough, or any affection of the lungs, lest the most serious consequences follow. Dr. Wilbor's preparation is both simple, and sure in all ordinary cases, and has performed some surprising cures in decided consumption, where other medical aid has falled:—
Dr. Wilbor:—During nastly the whole of the past wing nas performed some surprising cures in decided consumption, where other medical aid has failed:—

Dr. Wilbor:—During nearly the whole of the past winter, I had suffered seriously with a cough, which so irritated my lungs, that my physician frankly admitted his fear of consumption's following this trouble as the Spring weather set in. Medicine seemed to afford me little relief until 1 tried your preparation of Cod Liver Oil and Lime. The effect I am forced by facts to admit, was almost magical, and I have the pleasure of saying at this writing, (May 2d, 1852) I am entirely free from any pulmonary trouble. With thanks to you for your valuable discovery, I cordially recommend it to those who are thus afflicted:

Another Method of Inhaling is to put Olive Tar on the Olied Silk Plaster, which being worn upon the chest, the heat of the body will cause the Olive Tar to evaporate grad ually, and as it rises it will be inhaled. The Olied Silk Plaster should be medicated with fresh Olive Tar every other day. In acute cases, or in those of long standing, both of the above methods of inhalation should be used. other day. "Sir: I have great satisfaction in assuring you that myself and family have been very much benefited by your medicines. My write was cured, two years since, of a severe and dangenus cough, by your Cherary Percoart, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Indianiza and Croup by it. It is an invaluable remedy for these complaints. Your Carnarure Prits have entirely cured me from a dysepsia and costiveness, which has grown upon me for some years,—indeed, this cure is much more important, from the fact that I had failed to get relief from the best Physicians which this section of the country affords, and from any of the numerous remedies I had taken.
