OPERATE by their powerful influence on the internal viscera to purify the blood and atimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give Directions for their use in the complaints which they have been found to cure.

For Costiveness.— Take one or two Pills, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of PILES, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved.

For Dyspersia, which is sometimes the cause of Costiveness, and always uncomfortable, take mild doses—from one to four—to stimulate the stomach and liver into healthy action. They will do it, and the hearthum, hodyluum, and soulburn of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you.

For a FOUL STOMACH, or Morbid Inaction of the Bowels, which produces general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

For Nervousness, Sick Headache, Natsba, Paning the Stomach, Back, or Side, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

For Nervousness, Sick Headache, Natsba, Paning the Stomach, Back, or Side, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

For Scropula, Ervsipelas, and all Diseases of the Nkin, take the Pills freely and frequently, to keep the bowels open. The crupti

some disgusting alseases which scenied to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulers, sores, and all or any of, the unclean diseases of the skin, because your

of the unclean diseases of the skin, because your system wants cleansing.

To PURITY THE BLOOD, they are the best medicine ever discovered. They should be taken freely and frequently, and the inpurities which sow the seeds of incurable diseases will be swept out of the system like chaff before the wind. By this property they do as much good in preventing sickness as by the remarkable cures which they are making every where.

the remarkable cures which they are making every where.

LIVER COMPLAINT, JAUNDICE, and all Bilious Affections, arise from some derangement—either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrons to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhea, prevails. Feverish symptoms, languor, low spirits, weariness, reatlessness, and melancholy, with sometimes inability to sleep, and sometimes great drowsiness; ability to sleep, and abetationly, with a sometimes a sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarrhœa, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suffer the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents. Rheumating, Gout, and all Inflammatory Feveris, are rapidly cured by the purifying effects of these Pills upon the blood and the stimulus which they afford to the vital principal of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely.

As a Dinner Pill, this is both agreeable and useful. No Pill can be made more pleasant to take, and certainly none has seen made more effectual to the purpose for which a dinner pill is employed.

Five to eight bottles will cure the worst case of scrofula. A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Bo sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it, but that sold an other; after a trial it always speak for itself. There are two things about this herb that appear to me surprising; first that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second that it should cure all kinds of humor.

of humor.

In order to give some idea of the sudden rise, and great popularity of the discovery. I will state that in April, 1883, I peddied it and sold about six bottles per day—in April, 1884, I sold over one thousand bottles per day of it Some of the wholessle Druggirts who have been in the business twenty and thirty years, say that nothing in the annals of patent inedichnes was ever like it. There is a universal praise of it from all quarters.

In my own practice I always kent it strictly for humors

In my own practice I always kept it strictly for humors—but since its introduction as a general family medicine reat and wonderful virtues have been found in it that I naver suspected. Several cases of epileptic fits—a disease which was al-mays considered incurable, have been cured by a few bot-tles. O, what a mercy if it prove "effectual in all cases of that awful malady—there are but few who have seen mor of it than I have.

REPORT OF THE COUNTY AUDITORS.

We, the undersigned, Auditors of Lancaster County, do certify, that we have carefully examined the foregoing account of Charles M. Howell, Esq., Treasurer of said County, and have compared his vonchers with the same, and find there is a balance in his hands of five thousand, on a hundred and twenty-eight dollars and seventy-nine cents, (\$5128,79.)

same, and find there is a balance in his hands of five thousand, one hundred and twenty-eight dollars and seventy-nine cents, (\$5123,79.)

In view'of our recommendation in last year's Report, relating to outstanding taxes, it appears Collectors have become still more negligent in collecting or paying over to the Treasurer the outstanding amounts in their several deplicates. They should be more prompt in their payments, and we would, therefore, respectfully recommend, that the County Commissioners urgs speedy settlement by all delinquent Collectors.

We have examined the account of Hugh S. Gara, Esq., Treasurer of the Board of Prison Inspectors, and find it correct, showing a balance due him by the board of Inspectors of six hundred and fifty-seven dollars and seventy-six cents, (\$657,76.)

We also examined the account of James Dysart, Esq., Treasurer of the Poor and House of Employment of Lancaster County, and find a balance in his hands of two hundred and thirty-seven dollars and seventy-seven cents, (\$237,77.)

The liabilities of the County for loans from individual at 5 per cent. per annum, at the present time, are \$140,000.

In witness whereof, we have hereunto set our hands at the County Commissioners' Office, this 23d days of the County for the sevent of the county for loans from individual at the County for loans from individual at the County for the sevent of the sevent o
