PERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, 'Physicians,' and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give Directions for their use in the complaints which they have been found to cure.

For Costiveness.—Take one or two Pills, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of

such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of PILES, and the cure of one complaint is the cure of both. No person can feel well while under a coative habit of body. Hence it should be, as it can be, promptly relieved.

For Dyspersia, which is sometimes the cause of Costiveness, and always uncomfortable, take mild doses—from one to four—to stimulate the stomach and liver into healthy action. They will do it, and the hearthurn, bodyburn, and soulburn of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you.

For a FOUL STOMACH, or Morbid Inaction of the Bouels, which produces general depression of the

Bowels, which produces general depression of the spirits and bad health, take from four to eight Fills at first, and smaller doses afterwards, until activity at first, and smaller doses afterwards, until activity and strength is restored to the system.

FOR Nervousness, Sick Headacker, Nausra, Pain in the Stomach, Back, or Side, take from four to eight fills on going to bed. If they do not operate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't wear these and their kindred dis-

do. These complaints will be swept out from the system. Don't wear these and their kindred disorders because your stomach is foul.

For Scropula, Erystpelas, and all Diseases of the Skin, take the Pills freely and frequently, to keep the bowels open. The eruptions will generally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing.

of the unclean diseases of the skin, because your system wants cleansing.

To Purify the Blood, they are the best medicine ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable diseases will be swept out of the system like chaff before the wind. By this property they do as much good in preventing sickness as by the remarkable cures which they are making every

LIVER COMPLAINT, JAUNDICE, and all Biliou Afections, arise from some derangement—either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symp-tom. Obstruction of the duct which empties the mined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhœa, prevails. Feverish symptoms, languor, low spirits, weariness, reatlessness, and melancholy, with sometimes insbility to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to billous fever, billous colic, billous flarrhœa, dysentery, &c. A medium dose of three isrrhœa, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three n the morning, and repeated a few days, will remove he cause of all these troubles. It is wicked to suffer the cause of all these troubles. It is wicked to suffer such pains when you can cure them for 25 cents.

Rheumatism, Gout, and all Inflammatory Fevers, are rapidly cured by the purifying effects of these Pills upon the blood and the stimulus which they afford to the vital principal of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely.

As a Dinner Pill, this is both agreeable and needy. No Fill can be made more pleasant to take. useful. No Pill can be made more pleasant to tal and certainly none has seen made more effectual the purpose for which a dinner pill is employed.

J. R. STAFFORD'S OLIVE TAR.
A GREAT ELECTRICAL REMEDY FOR PREVENTING
AND CURING ALL DISEASES OF THE
THROAT AND LUNGS.
Olive Tar is Applied and Inhaled, and is not Taken.
DIRECTIONS.—Apply by rubbing where pain or disease
exists: then cover the parts with a plaster made of oiled NILk, to which stitch a thin layer of cotton batting; then cover the batting with thin muslin. Cotton or woodlen fiannel may be used instead of the oiled slik plaster, but the operations of the remedy will not be as speedy, nor as effective. FOR INHALING.—Place a saucer over a bowl of hot water

Renew the Olive Tar daily for Inhuling by the above method.

Another Method of Inhaling is to put Olive Tar on the Olide Silk Plaster, which being worn upon the chest, the heat of the bodywill cause the Olive Tar to evaporate grad nally, and as it rises it will be inhaled. The Ofiled Silk Plaster should be medicated with fresh Olive Tar every other day. In acute cases, or in those of loing standing, both of the above methods of inhalation should be used. By adhering to the above direction, the very worst forms of diseases of the Throat or Lungs, if not speedily cured, will be greatly relieved; while temporary Colds. Sore Throats, Inflamed Lungs, Catarrh, Croup Couchs, &c., &c. will yield at once to its combined curative poyers.

STAFFORD'S OLCVE TAR softens and penetrates the skin; therefore in all all Chronic roactive Inflammations. STARFORD'S OLEVE TAK softens and penetrates the skin, therefore in all all Chronic or active Inflammations it will be found highly begeficial, as it acts directly upon the Nerves, the Muscles and the Joints.

OLIVE TAR OINTMENT is made by mixing Olive Tarand Mutton Tallow in equal parts. This Ointment is a positive cure for all diseases of the skin.

For Pain cannot exist where Olive Tar or Olive Ointment is applied.

AFP Pain cannot exist where drive lar or drive untiment is applied.

STAFFORD'S OLIVE TAR does not contain any mineral substances, nor any poisonous drug; the principal ingredients are Pitch Pine Tar, and oli of the Spanish Olive.

STAFFORD'S OLIVE TAR is manufactured by a process recently patented by Mr. J. R. Stafford, Practical Chemist, by which process all the Acid-and Acrid properties contained in the substances forming this Compound are separated without the use of Chemicals.

Sold by H. A. Rockafield, No. 2 E. Orang's st., only Agent in Lancaster.—Also, Wholesale and Retail, by the Stafford Olive Tar Company, 16 State street, New York, and Druggists generally.

I never sold a bottle of it, but that sold another; after a trial it always speak for itself. There are two things about this herb that appear to me surprising; first that it grows in our pastures; in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second that it should cure all kinds of humor.

I will state that in April, 1853, I peddled it and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day of it. Some of the wholessie Druggirts who have been in the business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.

Tonics won't does not be seen to the disease. The cause of all ague and billious diseases; is the atmospheric poison called Miasma or Malaria. Neutralize this poison by its Natural Antidote, and all disease caused by it disappears at once. Rhodes' Fever and Ague Cure is this Antidote to Malaria. Antidote, and all disease caused by it disappears at once. Rhodes' Fever and Ague Cure is this Antidote to Malaria, and moreover it is a perfectly harmless medicine. The certificate of the celebrated chemist, J. R. Chilton, of New York, to this effect, is attached to every bottle; therefore if it does no good it can do no harm.

This is more than can be said of Quinine, Arsenic, or any tonic in existence, as their use is ruinous to the constitution and brings on Dumb Ague, which never allows a person to feel perfectly well for a single moment. In illustration of these truths I annex some extracts from a letter just received from a Physician:

Gonomerows, Ohio, March 18, 1856.

JAS. A. RHODES, Esq.—Dear Sir: Yours of 2d inst. is at hand. The Cure arrived late last year and the difficulty in getting any one to try it was greatly increased from the the fact that a remedy had been introduced which was growing in favor with the public, as being better than using Quinine,—not knowing I presume that the remedy thoy used to escape taking Quinine, contained the Drug Itself!

This reusedy, (known as "Smith's Tonic,") would invaribly break an Ague, but it did not cure it, as it would often return with renewed vigor. This one circumstance I deemed in your favor, if I could institute a test comparison between it and your cure. The following is the result:

Three persons took your "Cure," all of which were cases of "Quotidian Intermittent Fever," of many weeks standing They had tried Quinine, and other remedies, occasionally missing a chill, but it was, (as in all such cases,) slowly wearing them out, and laying the foundation for other and severer maladies. I did su

I think there will be no unincuty now in gaing to you "Cure" the advantage ground of any other remedy now in use here, &., &c.

Rhode's Fever and Ague Cure, or Antidote to Malaria, the only harmless remedy in existence, is equally certain as a preventive, as a "Cure." Take it when you feel the chills coming, and you will never have a single one.

WILBOR'S COMPOUND OF PURE COD LIVER OIL AND LIME 1

A Cure for Consumption, Coughs, Colds Asthma, Bronchitis, General Debility and Scrofulous Humors.

IIAYE YOU TRIED IT.—This important question should be asked every invalid who is suffering from pulmonary troubles in this fickle climate. Have you tried WILBOR'S COMPOUND OF COD LIVER OIL AND LIME? It will not nauseate like the plain Oil, but is on the contrary, pleasant to the taste; moreover the Phosphate of Line is, in this combination, a most remarkable aid to the healing properties of the pure Cod Liver Oil, as the following certificates (selected from a host of like great acknowledgments) will amply show. No person should neglect for a single hour a cough, or any affection of the lungs, lest the most serious consequences follow. Dr. Wilbor's preparation is both simple, and sure in all ordinary cases, and has performed some surprising cures in decided consumption, where other medical aid has failed:—

Dr. Wilbor:—During nearly the whole of the past winter, I had suffered seriously with a cough, which so irritated my lungs, that my physician frankly admitted his fear of consumption's following this trouble as the Spring weather set in. Medicine seemed to afford me little relief until I tried your preparation of Cod Liver Oil and Lime. The effect I am forced by facts to admit, was almost magical, and I have the pleasure of saying at this writing, (May 2d, 1852) I am entirely free from any pulmonary trouble. With thanks to you for your valuable discovery, I cordially recommend it to those who are thus afflicted:

MARTIN C. HURD,

REPORT OF THE COUNTY AUDITORS.

We, the undersigned, Auditors of Lancaster County, do certify, that we have carefully examined the foregoing account of Charles M. Howell, Esq., Treasurer of said County, and have compared his vonchers with the same, and find there is a balance in his hands of five thousand, on e hundred and twenty-eight dollars and seventy-nine cents, (\$5125,79.)

In view of our recommendation in last year's Report, relating to outstanding taxes, it appears Collectors have become still more negligent in collecting or paying over to the Treasurer the outstanding amounts in their several duplicates. They should be more prompt in their payments, and we would, therefore, respectfully recommend, that the County Commissioners urge speedy settlement by all delinquent Collectors.

We have examined the account of Hugh S. Gara, Esq., Treasurer of the Board of Prison Inspectors, and find it correct, showing a balance due him by the board of Inspectors of six hundred and fifty-seven dollars and seventy-six cents, (\$657,76.)

We also examined the account of James Dysart, Esq., Treasurer of the Poor and House of Employment of Lencaster County, and find a balance in his hands of two hundred and thirty-seven dollars and seventy-seven cents, (\$237,77.)

The liabilities of the County for loans from individual cents, (\$237.77.)
The liabilities of the County for loans from individual at 5 per cent. per annum, at the present time, are \$140,000. \$14,000,

In witness whereof, we have hereunto set our hands at the County Commissioners' Office, this 23rd day of January, 1857.

CHRISTIAN BENTZ, JACOB S. WITMER, JOHN KURTZ Auditors of Lancaster County.
